Dear FOGSIANS,

'If you can dream it, you can do it.' Walt Disney

At the outset let me thank each and every FOGSIAN for putting their confidence and trust in me to lead this prestigious organization. I remember vividly my installation on 26th January 2017, as if it were yesterday. The year has flown by -wonderful, action packed 12 months with never a dull moment. Beautiful memories have been created and strong friendships made.

Academic conferences:

We had many focused large conferences all over India as well as 4 excellent yuva FOGSI conferences in each zone.

- We started the year with the AICOG 2017, a mega event in Ahmedabad. About 10,000 delegates attended.
- The Youth Summit, Feb 17, Mumbai. Total delegates 700.
- SAGE (Simplified advanced gynaecological endoscopy), Mumbai, 400 delegates
- ENDOGYN conference, Kolkatta. 620 delegates.
- North Zone Yuva FOGSI, Lucknow, 28th – 30 April, 17, 1200 delegates.
- National Conference on Practical Obstetrics and Advanced Infertility, 13- 14 May, Hubli. 500 delegates.
- Decision Tree meeting in Goa. 30th May. 74 delegates.
- Yuva FOGSI West Zone, 3rd, 4th June, Navi Mumbai. 756 delegates.
- FOGSI – CNN, 24th – 26th June, Pune. 1000 delegates.
- India Day was held in London on June 30th, 2017. 120 delegates.
- Yuva FOGSI South Zone, 21st – 23rd July, 17, Thrissur, 475 delegates.
- FOGSI FIGO – International Congress on Clinical Challenges in Obstetrics and Gynaecology, 4th – 6th August, 17, Hyderabad. 800 delegates.
- International FOGSI Gynaec Oncology Conference, 11-13rd Aug, 17, Bhubaneshwar. 300 delegates.
- BOH – The Trilogy conference, 19- 20th Delhi. 550 delegates.
- AICC – RCOG 2017 FOGSI Conference, 1st – 3rd Sept, 17, Mumbai. 700 delegates
- The Hysterectomy Summit, 8th – 10th Sept 2017, Nagpur, 285 delegates.
- The FOGSI-ICOG National Conference on Critical Care in Obstetrics was held on 23rd and 24th September 2017 in INDORE. 600 delegates.
- Critical care in Obstetrics conference at Ahmedabad on 7 and 8 October. 580 delegates.
- YUVA FOGSI East zone-Guwahati Nov 2017. 320 delegates
- FEMM-Fertility Enhancement Management & More, November, Mumbai. 1200 delegates.
- FOGSI World Congress -Why Fetus Die in Utero-Dec, Kolkatta. 430 delegates.
- UROGYNAEC conference December, Ahmedabad. 600 delegates.

- | International conference on critical care in Obstetrics, Dec, Patna.690 delegates.
- | AICOG - 21st Jan 2018- Bhubaneshwar

GREAT Workshops.

218 GREAT (Gynaecology Research, Education, Advances and Treatment) workshops have been held.

GREAT WORKSHOPS Gynaecology, Research, Education, Advances and Treatment	Conveners	No. of Workshop
Infertility	Dr. Sunita Tandulwadkar	35
Post-Partum Hemorrhage	Dr. Mahesh Gupta & Dr. Sheela Mane	48
Managing the pregnancy with Low birth weight baby	Dr. Ritu Joshi	25
Polycystic ovarian syndrome.	Dr. Pratik Tambe	18
1 st Trimester	Dr. Bhaskar Pal	46
Abnormal Uterine Bleeding	Dr. Sudha Tandon	30
Prevention of cervical cancer	Dr. Neerja Batla, Dr. Sarita Bhalerao	11
Urogynaecology	Dr Nita Thakre	5

FOGSI FOCUS: We have released 8 FOGSI focuses - Postpartum hemorrhage, Infections in Obstetrics and Gynaecology, Preterm birth, Menopause, RPL, Infertility, New techniques in gynaecology and urinary problems in women.

New Innovative Ideas and Firsts in FOGSI:

FOGSI goes international -The first international chapter of FOGSI -**The London chapter**-was launched by Dr. Rishma Pai and Dr. Hrishikesh Pai on 3rd November 2017 in London.

Dr Gautam Mehra was appointed as President and Dr. Dib Dutta was installed as Hon. Secretary.

FOGSI entered the **Limca book of records** by doing the maximum number of haemoglobin tests in a day-16,000 across 33 centres in India. This also gave us the anemia incidence across the country.

Three **new newsletters** have been brought out for the first time. '**FOGSI connect**' of which four issues have been circulated. '**Reaching out**' which carries details about achievements of FOGSI members and their families, four issues have been sent to all fogsians and the '**Times of gynaecology**' of which 10 issues have been circulated.

Decision tree meetings- were held for the first time. In Goa in May, 70 doctors put together algorithms on 11 topics. In Jaipur in December, 40 doctors got together and put together a decision tree for 6 important subjects in obstetrics and gynaecology.

'**Fogsi future**' has been created for young gynaecologists. A publication on '**New drugs in gynaecology**' has been brought out by this young group. A new award The **FOGSI Future**

award was given to recognize exceptional young gynaecologists at each yuva fogsI conference. North Zone: Dr. Ruchika Garg and Dr. Nilanchali Singh. West Zone: Dr. Aashish Kale and Dr. Rana Choudhary, South Zone: Dr. Ramraj and Dr. Shyjus. East zone: Dr. Priyankur and Dr. Hafizur Rahman.

FOGSI HAS TALENT has been initiated this year - for those who can sing or dance a contest was held at all the YUVA FOGSI conferences. The response was excellent with hundreds of participants from all age groups. 3 winners from each zone were given prizes. The finals were held at AICOG, Bhubneshwar where 12 semifinalists performed. The winners were Dr. Bela Bhatt (Mumbai), Dr. Indumathy Giridhar (Chennai), Dr. Brijji Panickar (Kerala) and for Singing: Dr. Girish Mane (Maharashtra).

Woman achievers award for 3 outstanding women in each zone have been awarded to truly empowered women to recognize their contribution. Cash prize and memento was given to outstanding women achievers.

A **Certificate** stating '**proud to be a FOGSIAN**' was distributed to all gynaecologists across India - for the first time we have a beautiful FOGSI membership certificate to put in our clinics.

A **slogan** for FOGSI has been created- "**Medical excellence, Compassionate care**".

A **promotional video** and a **jingle** to popularize FOGSI have been created, and was played at all FOGSI events.

Online quiz was conducted through the FOGSI website with attractive cash prizes every month.

For the first time **surveys** amongst our members to understand trends in patient management have been conducted. We conducted 7 surveys, on PCOS, LSCS, Fibroids, Menopause, PPH, MTP and Unexplained infertility. We have shared most of the results with all Fogsians.

GREAT APP (Gynaecology Research Education Advances & Treatment) was launched. First time FOGSI has its own app. An App where FOGSI Focus's are uploaded. Power point presentations on various subjects are available to all Fogsians, as are Guidelines.

Public education and spreading awareness - we have started the **FOGSI MAMTA TV**. This is an initiative in which FOGSI will install free television screens in the waiting rooms of our members for patients to see while they wait. The content includes health talks on various subjects like breast feeding, fibroids, postpartum depression, etc. 200 Installations have been done.

We have undertaken a **public awareness on PCOS** activity where a hundred FOGSI doctors came on **NDTV** to talk about different aspects of PCOS. This created a huge amount of awareness among the lay population on this common problem.

YES-Youth education and service programme where we went to 150 Schools across 14 cities. 730 Teachers sensitized and 23,192 students educated about nutrition, diet, healthy lifestyle and hormonal problems such as PCOS etc

Celebration of important days: World population day was celebrated all over India on 11th July 2017. Rallies, camps, public forums were held in many FOGSI societies. In Delhi, an important full day meeting was held, chaired by Health Minister, Shri J.P. Nadda, where I spoke on the subject of public private partnership for population control. It was well received as the important role that FOGSI plays for population services was highlighted.

Yoga day was celebrated by many of our FOGSI societies on 21st June, as part of our holistic health care initiative.

We celebrated **FOGSI DAY** on 6th January for the first time ever. All over the country free camps, rallies etc. were held.

For the 1st time- **INDIA DAY was held at Royal College of Obstetrics and Gynaecology, RCOG London**. The event had over 150 doctors from UK and India discuss various issues in women's health in 8 different panel discussions. RCOG President Dr Lesley Regan and all the vice

presidents as well as FOGSI president Dr Rishma Pai and FOGSI team had discussions on different ways to collaborate in the future.

Liaison with government:

In August, the recommendations in the **surrogacy bill** were released. These are really positive and will be greatly helpful to the couples seeking surrogacy and will protect the interests of the surrogates. This proves that if government and private sector experts work together, we can achieve excellent results. Lots of us have put in many hours of hard work, studied the bill, sat with lawyers, attended many meetings, went to the parliamentary committee meeting and finally we have seen the results.

We continue to work closely with the government for the PCPNDT bill, MTP act, violence against doctors, Caesarian rate issue etc. Many meetings on access to safe abortion were held with central and several state governments.

Focus on our core activities: violence against women. Special rally was conducted at Mumbai and during the Yuva Fogs North Zone and the Dheera Initiative during the FOGSI FIGO Conference held at Hyderabad.

10 VAW activities were held.

PCPNDT: Our petition against the PCPNDT act has been filed and the court has issued notices to government to reply to the petition. Our intervening application against the petition filed by IRA in Supreme Court has been filed and registered and we are awaiting hearing.

Social activities – ‘With the privilege of doing well comes the opportunity of doing good.’

Service to society is something very close to my heart. With this in mind I launched the ‘**Nari Swasthya Pahel**’ program on 6th April 2017 in Delhi. The program was attended by key Government officials and representatives of NGOs. Health Minister of State Mr. Faggan Singh Kulaste, MP's Poonam Mahajan, Meenakshi Lekhi and film star Poonam Dhillon were present at the grand launch. I am proud that about **100 free health camps** have been held all over the country and thousands of women have been screened for Hb, Sugars, BMI, BMD, and gynaecological checks. This is the **first time FOGSI has done structured social work on such a massive scale.**

The **PMSMA (Pradhan Mantri Surakshit Matritva Abhiyan)** program is going strong with over **1500 FOGSI members volunteering their services** to provide free antenatal care to pregnant women on the 9th of every month.

Manyta -FOGSI jhpiego certification – FOGSI has set up a National Quality Management Unit (NQMU) linked to the FOGSI national office along with the MacArthur Foundation. This will help private nursing homes improve quality of care and help reduce maternal and neonatal mortality.

FOGSI ad SAATHII have joined hands towards dual elimination of Paediatric HIV and Syphilis in the private sector.

I am fortunate to have a dynamic enthusiastic “**TEAM FOGSI 2017**”, comprising of my **Vice Presidents Dr. Sunita Tandulwadkar, Dr. Bhaskar Pal, Dr. Ranjana Khanna, Dr. Rajesh Modi, Dr. M. G. Hiremath**, National Convener Dr. Nandita Palshetkar and Joint Secretary, Dr. Sarita Bhalerao who have all worked really hard to make this year a truly memorable one.

The FOGSI **Secretary General, Dr. Hrishikesh Pai**, Deputy Secretary General, Dr. Jaydeep Tank, Treasurer Dr. Madhuri Patel, Deputy Treasurer Dr. Suvarna Khadilkar have been a great support and help throughout the year. I would like to specially thank the staff of FOGSI for the excellent help given to me throughout the year, and to the pharma partners for their support for all the brilliant academic initiatives that we carried out.

Thank you dear FOGSIANS for your amazing zeal and energy.

Thank you for your love and trust and appreciation.

I will forever treasure the memories of this fantastic year and our time spent together.

LONG LIVE FOGSI !

From the Desk of Secretary General

Dr. Hrishikesh D. Pai

Secretary General
M.D., F.C.P.S., F.I.C.O.G., M.Sc

The Federation of Obstetric and Gynecological Societies of India (FOGSI) is the professional organization representing practitioners of Obstetrics and Gynecology in India. With 246 member societies and over 35,171 plus individual members spread over the length and breadth of the country, FOGSI is probably one of the largest membership based organizations of specialized professionals. This year, under the leadership of our present FOGSI President Dr Rishma Dhillon Pai, we inaugurated the first FOGSI international chapter called the “The London chapter of FOGSI”, a historical first for any Indian Medical Organisation.

FOGSI came into formal existence in Madras on January 6, 1950 at the sixth All India Congress of Obstetrics and Gynaecology, when the Obstetric and Gynecological societies of Ahmedabad, Bengal, Bombay, Madras and Punjab resolved to form themselves into the Federation of Obstetric and Gynaecological Societies of India. It was further resolved that the Federation be registered and headquartered in Bombay. The launch of FOGSI as the national organization of Obstetricians and Gynecologists followed five earlier All India Congresses, the first of these held in Madras in 1936 and organized by the then existing three Obstetric and Gynecological societies at Bombay, Kolkata and Madras.

FOGSI exists to encourage and disseminate knowledge, education and research in the field of Obstetrics and Gynecology, to pilot and promote preventive and therapeutic services related to the practice of Obstetrics and Gynecology for betterment of the health of women and children in particular and the wellbeing of the community in general, to advocate the cause of reproductive health and rights and to support and protect the interest of practitioners of obstetrics and Gynecology in India.

The Journal of Obstetrics and Gynecology of India is the official publication of FOGSI and is published bimonthly and circulated to every individual member. It contains articles and contributions on fundamental research and clinical practice as also case reports of clinical interest. With www.fogsi.org the official website, FOGSI has an important presence in cyberspace which works to promote and fulfil the aims and objectives of the Federation.

The Indian College of Obstetrics and Gynecology is the academic wing of FOGSI with over 1010 fellows. It was established by FOGSI on December 21, 1984 to further promote the education, training, research and knowledge in obstetrics, Gynaecology and reproductive health.

The Federation continues to hold the All India Congress of Obstetrics and Gynaecology (60th AICOG Ahmedabad 2017), its annual conference every year in January for four days. FOGSI also organizes Yuva FOGSI (Lucknow, Navi Mumbai, Thrissur, Guwahati in 2017), four regional youth conferences to promote and showcase young talent each year. In addition the five Vice Presidents held their own conferences (Hubli, Pune, Gurgaon, Nagpur and Kolkatta in 2017). Besides these annual conferences many academic activities go on round the year throughout the country with twenty seven subspecialty committees simultaneously working in their designated areas.

The Federation also collaborates with and partners the Government of India and is an invited representative on all relevant policy making bodies of the government on issues related to

women's health. FOGSI has played a very important role in implementing corporate social responsibility. It has collaborated with numerous organizations such as PSI, PFI, Jhpiego, UNICEF, UNFPA, NABH, Bill and Melinda Gates Foundation, Global Health Strategies and many others.

It is also an important partner of the Government in implementing the Pradhan Mantri Surakshit Matritva Abhiyan (PMSMA) scheme for pregnant women. In PMSMA, Free ANC care is being offered by our FOGSI members on 9th of every month.

The FOGSI in collaboration with FIGO and Government of India has launched the PPIUCD project (Post Partum IUCD insertion). This project has been successfully carried out by our members at six centres of excellence and 10,000 plus patients have been protected against unwanted pregnancies!!

The FOGSI in collaboration with MSD for Mothers, McArthur Foundation and Jhpiego has launched the very ambitious FOGSI Manyata project which is concerned with the upgradation and accreditation of Maternity nursing homes with 16 standards. Already 3 centres have received certification and more than 50 centres are in the pipeline.

The FOGSI under the leadership of our President Dr Rishma Pai, launched the Nari Swasthya Pahel: A women's health initiative (NSP), in which comprehensive women's health check is being done for socially disadvantaged women (BPL). This program has been successfully conducted through FOGSI local societies. The main funding of this project has been done by FOGSI. More than 70 local FOGSI Societies have participated in this program and covered more than 15,000 plus patients with detailed health check up.

FOGSI invited many Government officers for this program, including Shri Faggan Singh Kulaste (Minister of State for Health and Family Welfare), Dr Jagdish Prasad (Director General of Health Services), Mr Panda (Director National Health Mission), Smt Vandana Gurnani (Joint Secretary Health), Dr K K Agarwal (National President IMA), Mr Dinesh Baswal (Commissioner of MCH), Dr Sikhdar (Commissioner of Family Welfare) & Smt Poonam Dhillon. Many of the present and past office bearers of FOGSI including Dr Hema Diwaker, Dr C N Purandare, Dr Nandita Palshetkar, Dr Jaideep Malhotra, Dr Jaydeep Tank, Dr Suchitra Pandit, Dr Nozer Sheriar, Dr P K Shah, Dr Sanjay Gupte, Dr Madhuri Patel and Dr Suvarna Khadilkar participated in this program. Many Parliamentarians such as Shri Jaiswal, Smt Lekhi and Smt Poonam Mahajan also were present. More than 15 NGOs were awarded and felicitated by FOGSI in this program. Smt Poonam Mutreja of PFI conducted a joint session on Family Planning while Smt Anjali Nayyar and Smt Sushma Kapoor led a round table interactive discussion on Abortion Services in India. This was a watershed meeting and has asserted FOGSI's significant place and role in the future of women's health in India.

The Government acknowledged FOGSI by inviting Our President Dr Rishma Pai to give a talk at the World Family Planning Day celebration at Vigyan Bhuvan in the presence of Union Health Minister Shri J Nadda, Minister of State Ms Anupriya Patel and many other dignitaries. On that day FOGSI had a joint press conference with Indian Medical Association President Dr K K Agarwal in Delhi about FOGSI IMA role in Government's vision 2020 program.

In November 2017 FOGSI followed with an additional joint meeting with Global Health Strategies, Government of India, FIGO and numerous other organisations such as IPAS regarding 'Increasing Access to Comprehensive SRHR Services including Safe Abortion Care, in India and South Africa'. This was well attended with many international participants from Africa. The high light of the program was when Smt Barkha Dutt, a well known journalist, interviewed top notch lawyer Soli Sorabjee (who is representing FOGSI in the PCPNDT case in

the Supreme court).

Recently FOGSI was invited by the Government of India to express its view regarding the Surrogacy Bill which is in the process of being enacted . FOGSI has also been invited by the Government of India to be on the technical committee which is formulating the ART Bill as well on the technical committee formed by the Supreme court to decide about the process of abortions beyond 20 weeks of gestation.

FOGSI has been very active in the area of PCPNDT act : The FOGSI President is a member of the Central Supervisory Board, which implements the PCPNDT Act In the year 2017 , we have intervened twice in the Supreme Court using top lawyers such as Mr Soli Sorabjee to represent us . Due credit should be given to the team of Dr Prakash Trivedi , Dr Jaydeep Tank, Dr Sanjay Gupte and our lawyer Mr Amit Karkhanis who have frequently travelled to Delhi , to file our petitions. FOGSI has also sent our representatives for the National inspection and monitoring committee (NIMC) team which is a central government raiding team which gives surprise visits to the states and inspects PCPNDT registered centres . Our FOGSI representatives protect our members from unnecessary harassments. Following members such as Dr. Rajani Contractor, Dr. R K Talukdar, Dr. Pradip Bhavsar, Dr. Mahesh Gupta, Dr. Dilip Ghadavi, Dr. Ranjana Khanna, Dr. Mandakini Megh , Dr. Bipin Pandit, Dr. Shamal Sett, Dr. Jayam Kannan etc have been kind enough to volunteer as Fogsni NIMC inspectors for this difficult task !!

FOGSI has close links and affiliation with national, International and regional organizations like IMA, IAP, FIGO, AOFOG, RCOG and SAFOG. Many of its members have occupied prestigious positions in organizations such as FIGO, AOFOG & SAFOG from time to time.

The FOGSI has its Managing committee held every year in April 2017 (Banglore), September 2017 (Mumbai) and two in January 2018 (Bhubhaneshwar). The General body meetings are held in September and January. The managing committee consists of the office bearers as well as the representatives from the 246 member societies of FOGSI. All decisions are taken by the managing committee democratically either by consensus or voting in case of disagreements. All projects have to be passed by the managing committee and ratified by the general body, before they can be implemented.

Mumbai FOGSI Core Committee members were formed in 2015 and serve for 3 years. This year ,FOGSI core committee meetings were held in March 2017 and September 2017 in Mumbai.

The **PC PNDT Cell has been** led by the Convenor, Dr. Prakash Trivedi and it's members are : Dr. Rishma Pai, Dr. Narendra Malhotra, Dr. P.C. Mahapatra, Dr. Alka Kriplani, Dr. Rajnikant Contractor, Dr. C.N. Purandare, Dr. Sanjay Gupte, Dr. P.K. Shah, Dr. Mandakini Megh

THE Violence against Women Cell has been led by the Convenor, Dr. Duru Shah and it's members : Dr. Jaideep Malhotra, Dr. Sheela Mane, Dr. Bhaskar Pal, Dr. Amit Patki, Dr. Revathy Janakiram, Dr. Laxmi Shrikhande, Dr. Garima Kachhawa, Dr. Sarita Bhalerao & Dr. Reena Wani

The Violence against Doctors Cell has been led by the Convenor Dr. Bipin Pandit and it's members are : Dr. Niranjan Chavan, Dr. Shantha Kumari, Dr. Krishnendu Gupta, Dr. Ashis Kumar Mukhopadhyay, Dr. Madhuri Patel, Dr. M.G. Hiremath, Dr. Rajesh Modi

The Youth Cell has been led by the Convenor Dr. Suchitra Pandit and it's members are Dr. Sujata Mishra, Dr. Priti Vyas, Dr. Jayam Kanan, Dr. Sadhana Gupta, Dr. SuvarnaKhadilkar, Dr. Ranjana Khanna, Dr. Parag Biniwale

The ART Bill 2014 Regulation Core Group has been led by the Convenor Dr. Jaydeep Tank and its Members are Dr. Manish Banker, Dr. Narendra Malhotra, Dr. Sonia Mallik, Dr. Prakash

Trivedi, Dr. Nandita Palshetkar, Dr. Bharati Dhorepatil, Dr. Rekha Kurian, Dr. Sunita Tandulwadkar

The Conference Conduct Committee has been led by the President, Dr. Rishma Pai, and its members include the Last 5 FOGSI Presidents namely Dr. Alka Kriplani, Dr. Prakash Trivedi, Dr. Suchitra Pandit, Dr. Hema Divakar, Dr. P.K. Shah, and President Elect-Dr. Jaideep Malhotra, Secretary General- Dr. Hrishikesh Pai, Deputy Secretary General - Dr. Jaydeep Tank, Treasurer - Dr. Madhuri Patel & Joint Treasurer - Dr. Suvarna Khadilkar

Each year FOGSI under the guidance the President selects a theme to highlight the importance of a particular issue related to women's health. This permits focus with the involvement of the large membership, FOGSI's greatest asset in addressing the challenge involving the particular issue. In recent years the one-dimensional theme has now evolved into a philosophical directive. In 2016 president FOGSI Dr. Alka Kriplani achieved distinction of publishing two good clinical practice recommendations on Abnormal Uterine Bleeding Evidence based Good Clinical Practice Recommendations for Indian Women and second is Preconception Care in India : FOGSI Evidence based Good Clinical Practice Recommendations. In 2017 DR Rishma Pai launched the innovative Decision tree of the Times of Gynecology . This was evolved by having two focussed meetings of leading Fogsi members, one in Goa in May 2017 and the other in Jaipur in December 2017 . The algorithms on nearly 17 topics has been published and very well received by FOGSI members .

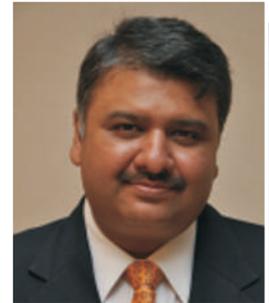

The Federation is always conscious of the responsibility on its shoulders and the important role it has accepted to work not just for its members societies and professionals, but in working in partnership with the government, to advocate and improve the health of the women in our country, thereby contributing to the well being of our great Nation. I have been actively associated with FOGSI as a member ,Chairman of Food .drugs and medico surgical equipment committee for 5 years,Senior Vice President of FOGSI 2006, Treasurer of FOGSI for three years(2009-2011),Deputy secretary General of FOGSI for three years (2012-14) and secretary General for three years (2015-2017). I will be retiring in 2018 . It has been a wonderful enriching journey for me and I am grateful to all of you for helping me and allowing me to run this prestigious FOGSI office . Long live FOGSI . Jai Hind !!

From the Desk of Deputy Secretary General

Dr. Jaydeep Tank

Deputy Secretary General, FOGSI
M.D., D.N.B., D.G.O., F.C.P.S., M.I.C.O.G

“Technology is best when it brings people together” - Matt Mullenweg

FOGSI stepped into the digital age several years back and has now ventured forward with several digital initiatives.

The FOGSI website - <http://www.fogsi.in/>

In the paper which launched the Behemoth that is Google, in 1994 Larry Page and Sergey Brin, described the burgeoning World wide Web as “a vast collection of completely uncontrolled heterogeneous documents.” Google’s search engine now one of the most visited sites on the internet was an effort to put some order in to the Web. As Tim Berners Lee the founder of the World Wide Web put it so succinctly “Web users ultimately want to get at data quickly and easily.”

The new design of the website seeks to do exactly that. It seeks to embrace the cutting edge of Web Graphic Design and I am very happy to report that besides the actual coding most of the design has been done by us. Like Medicine even Web Design is a marriage of art and science. Dying trends in website design like Complicated Designs, Text-Heavy Sites and long Web Pages have been done away with. New Trends in Web Design like Isomorphic JavaScript, No Chrome and a Flat Design and a Modular or Grid Based design is used. Each module is intended to flex based on the screen size.

We have tried to reduce scrolls on the pages. The lack of scrolling means the content is extremely focused, and the hierarchy of content is clearly established. We have also introduced Responsive Web Design to re-paginate your content to suit the device being used to view it and use a fluid grid to allow your content to react to smaller (and larger) browser windows. Flexible images also ensure your images also react to the browser window width.

The Website is therefore Flat, Responsive and Small in keeping with the cutting edge of Website design.

Navigation is fluid and context sensitive with the number of clicks being reduced to a minimum with the use of hovering to change the content below the menu as you move from icon to icon. e.g in the page where the office bearers are listed hovering over the office bearers brings up the contact details. we also have a static top menu which remains in place as you scroll through a page allowing you to have navigation options from anywhere in the page rather than going back to the top of the page every time you need to go to another page. We also now have a dynamic homepage. There are some dead links on the page for features we will introduce as the website develops.

We have also tried to incorporate "delightful design" into the website. As an example when you hover over the menu above and below the dynamic scroll you will notice that the dot below the text gets magnified to show your place on the page easily. You will also notice the

colours of the placeholder dots are saffron, white and green to represent our national flag.

We have introduced Google translate built in to the website which will allow users from all over the world to access the website in their native language. Currently we have the languages from the countries where the Analytic data shows we have the heaviest use from besides English.

We can be contacted directly from the website simply by filling a form on the home page itself.

We have also formed a website committee from all the zones. The guiding principle behind creating this committee was to give opportunity to members not in the managing committee. we have also in place a Website Advisory Board consisting of FOGSI members, FOGSI partners and International advisors. we have also put in place an editorial process for the website.

The office:

The office is moving rapidly towards automation of various tasks ranging from the simple like backing up data to complex tasks like the membership management system. The office has invested in state of art IT infrastructure and is making the most of it resulting in greater efficiency and fewer redundancies. The office has invested in a SMS system built on the database of our members. We have put in place SMS policies and policies to protect members data. Any conference which is in partnership with FOGSI can send SMS's at no cost to the conference through the office.

Membership Management System

FOGSI is Federation of societies and as such relies on its societies for the data of its members. Although a large majority of the data is good there are significant gaps in the data which cause a lag in communication. We have therefore developed a cloud based membership management system. We hope to empower members with the ability to view their data and change it subject to verification using OTP's for verifying the mobile number and email. We are looking to this system to enable e voting over a period of time.

Treasurers Report for the Financial Year 2016-2017

Dr. Madhuri Patel

Treasurer, FOGSI.
M.D. (Mumbai), D.G.O., F.I.C.O.G.

It is my privilege to present the Treasurer Report of our Federation for the financial year 1st April 2016 to 31st March 2017.

The income received from various sources by the federation during the financial year is as follows:

1.Conferences	Rs. 1,89,12,155.00
2.Subscription from societies	Rs. 1,83,09,058.00
3.Training Fees	Rs. 30,15,493.00
4.Journal Income	Rs. 85,43,151.00
5. Sale of list	Rs. 2,85,000.00
6. Bank Interest	Rs. 72,74,421.80
7. Others income	Rs. 6,26,687.60

Thus the total income generated during the financial year 2016-2017 is **Rs.5,69,65,966.40.**

It can be observed that the major constituents of our income are

1. Conference money 33% and
2. Subscription from affiliated societies about 32%

The expenditure incurred to the federation during the financial year is as follows:

Office expenses	Rs. 69,78,174.55
Organisational Expenses	Rs. 44,54,723.00
Establishment expenses	Rs. 53,91,804.00
Journal Expenses	Rs. 2,04,66,537.00
Professional & Legal fees	Rs. 9,78,546.00
Other Expenses	Rs. 18,68,630.24
Total Expenses	Rs. 4,01,38,414.79

In brief our Federation has generated surplus fund of **Rs.1,68,27,552/-** (Income Rs.5.69.65.966.40 -Expenses Rs.4,01,38,414.79).

As per the resolution passed in the Managing Committee and Annual General Body Meetings, we have transfer the surplus funds in the following accounts:

1. Rs.50,00,000/- transferred to FOGSI - Premises Maintenance Fund account,

2. Rs.15,00,000/- transferred to FOGSI - Contingency Reserve Fund Account,
3. Rs.30,00,000/- transferred to FOGSI - Social Responsibility Activity Fund
4. Rs.30,00,000/- transferred to FOGSI - Legal Aid and Service Fund,
5. Rs.30,00,000/- transferred to FOGSI - Preventing the Preventable,
6. Rs.10,00,000/- transferred to FOGSI - Public Health Program.

The balance transferred to these accounts have been invested in security giving maximum returns on Investment. The interest received is credited to the revenue account and utilized for the purpose.

For the year 2016-2017 our balance sheet is healthy, it has been posted to all the members of the affiliated societies in September 2017.

The Journal of Obstetrics & Gynecology of India (JOGI), the mouth piece of our Federation is published bio-monthly i.e. six issues in a year which is distributed to all members of affiliated societies of FOGSI (34000 plus) through post at free of cost. This year we had two extra supplement issues. The journal has scientific contents, and branded FOGSI pages through which the office communicates important information, FOGSI events and policies to the members.

From July 2017 onwards Federation has been paying 18% of Goods & Service Tax (GST) on all the income received by the Federation.

FOGSI SOCIAL SECURITY SCHEME (SSS)

FOGSI has two schemes i.e. FOGSI – SSS and FOGSI indemnity scheme with membership of 1350 and 856 respectively. FOGSI - SSS was started in the year 2004 and is slowly picking up momentum. We request all the Presidents / Secretaries of member societies to motivate their members to join these schemes, especially FOGSI – SSS Scheme to make his/her nominee a millionaire.

For further details of the schemes you may contact FOGSI Office 022-24951654 / 24951648 or mail us at fogsischemes@gmail.com / fogsi2007@gmail.com.

Projects Report for the Financial Year 2016-2017

Dr. Suvarna Khadilkar

Joint Treasurer, FOGSI

M.D., D.G.O., F.I.C.O.G., C.I.M.P., Diploma in Endocrinology (UK)

FOGSI has been conducting various CSR project with multiple partners organisations. These are:

1. EmOC (Comprehensive Emergency Obstetric Care)

A GOI – FOGSI – STATE MOHFW PROJECT

Aim & Objectives:

- To contribute towards the reduction of maternal morbidity and mortality in India.
- To develop capacity of doctors (General Practitioners & non specialist Medical Officers) in India to provide high quality Emergency Obstetric Care (EMOC) services in areas where skilled obstetricians are not available.

Funding status: Balance with FOGSI from GOI/States various centers Rs.1,93,88,549.79

● **PPIUCD (Post-Partum intra uterine contraceptive device)**

A FIGO – FOGSI Project

Aim & Objectives:

- To bring down maternal morbidity and mortality through family planning.
- To bring down neonatal deaths.
- v To provide PPIUCD to women as a best, safe, effective, long acting, reversible contraceptive method.

2. Funding Status: Balance with FOGSI from PPIUCD Project Rs.32,37,854.00

● **FOGSI-JHPIEGO (MERCK FOR MOTHER PROJECT)**

Aim & Objectives:

The Objective of this project, which is supported under Jhpiego Award, is to implement an effective, responsive, sustainable and scalable model for improved maternal health and family planning services at private institutions in eleven large cities of the states for Uttar Pradesh and Jharkhand and continue its strong collaboration with the state governments and Ministry of Health and family Welfare, to leverage the presence and enterprise prenatal, intrapartum and immediate postpartum care to mothers.

3. Funding Status: Balance with FOGSI from Jhpiego Project Rs.63,389.50

● **PROJECT PERINTOLOGY WORKSHOP**

A JOHNSON & JOHNSON – FOGSI Project

- Aim & Objectives :
 1. Educational activity is for educational purpose and not for the purpose of promoting any project.

Funding Status: Balance with FOGSI from Johnson & Johnson Project Rs.3, 99,638.00

FOGSI HPV Prevention & Control

A MSD – FOGSI Project

Aims & Objectives

- Updating & disseminating the scientific knowledge of HPV Vaccination.

Funding Status: Balance with FOGSI from MSD Project Rs.8,69,162.00

4. FOGSI –Population Foundation of India Project

Aims & Objectives: Realizing Commitments to Family Planning in India

Funding Status: Balance with FOGSI from Population Foundation of India Project Rs.12,17,700.00

5. FOGSI-Mac Arthur Foundation (Manyata Project)

Aims & Objectives

- Quality of care for maternity services is a current priority for Indian context.
- The purpose of the MoU is to guide the collaboration between Jhpiego India, and FOGSI in relation to a quality assurance program based upon NABH's entry level certification system. The program will focus on the maternity care facilities in the country.

Quality of care for maternity services is a current priority for Indian context.
- The purpose of the MoU is to guide the collaboration between Jhpiego India, NABH, and FOGSI in relation to a quality assurance program based upon NABH's entry level certification system. The program will focus on the maternity care facilities in the country.

Funding Status: Balance with FOGSI from Mac Arthur Project Rs.1, 68, 95,304.00

From the Desk of Joint Secretary

Dr. Sarita Bhalerao

Hon. Jt. Secretary, FOGSI
M.D., D.N.B., F.R.C.O.G.

As the year end draws closer, I am overcome with nostalgia. It has been a fabulous year and my experience as Joint Secretary FOGSI has been immensely fulfilling. Our planning began almost 6 months before the AICOG in Ahmedabad. Dr. Rishma Pai had the entire year's activities chalked out and meticulously planned.

The Ahmedabad AICOG was a gala event. We released our first FOGSI FOCUS on the Postpartum phase. We also released the first issue of FOGSI Connect which was wonderfully made by Dr. Sunita Tandulwadkar.

There were workshops on 8 different subjects - First trimester, Postpartum haemorrhage, Infertility, Pratishruti, Preterm labour, Abnormal uterine bleeding, PCOS, Urinary tract infection. Each workshop was conducted all over India. Dr. Bhaskar Pal has travelled the length and breadth of the country personally conducting the first trimester workshops. Dr. Mahesh Gupta and Dr. Sheela Mane conducted postpartum haemorrhage workshops in which life saving measures like internal iliac ligation and use of balloon tamponade was taught in remote areas. Dr. Sunita Tandulwadkar and her expert team of Dr. Madhuri Patil, Dr. Sujata Kar and Dr. Asha Baxi conducted the infertility workshops in different zones. Dr. Ritu Joshi was our convenor for Preterm labour and together with her co convenors made this workshop extremely popular.

Prevention of HPV related cancer, the Pratishruti program was launched at AICOG in Ahmedabad. This is a FOGSI-FIGO program conducted by the Oncology committee of FOGSI. We began with a one day Training of Trainers in Mumbai and then did workshops in Raipur, Nagpur, Ghaziabad, Behrampur, Chennai and Bangalore.

The Abnormal uterine bleeding workshops were wonderfully coordinated by Dr. Sudha Tandon. Dr. Pratik Tambe and Dr. Punit Bhojani looked after the PCOS workshops. Many delegates appreciated the interactive sessions in these workshops.

The urogynaecology workshops started in the latter half of the year. Many have been conducted and the feedback has been very good.

I enjoyed travelling this year. In March I went for the ENDOGYN conference to Kolkata which was wonderfully organized. The YUVA FOGSI North Zone conference in Lucknow was expertly conducted by Dr. Preeti Kumar and her team. The West zone conference was in Navi Mumbai, our neighbours and I was overwhelmed by their enthusiasm.

This year Dr. Rishma Pai introduced the 'FOGSI has Talent' contests which were conducted at all the YUVA FOGSI conferences. It was amazing how much talent FOGSIANS have. We are now preparing for the grand final round in Bhubaneswar.

The FOGSI FUTURE contest was for young FOGSI members with exceptional curricular and co-curricular achievements. This was conducted in each of the four zones. My thanks to all our Past Presidents who performed the difficult job of selecting the winners. Dr. Usha Krishna, Dr. Suchitra Pandit, Dr. PK. Shah, Dr. Rohit Bhatt, Dr. Sanjay Gupte, Dr. PC Mahapatra, Dr. Hema Divakar, Dr. Narendra Malhotra, Dr. Usha Saraiya and Dr. R.P. Soonawalla were our judges.

The FOGSI CNN conference in Pune was a gala event organized by Dr. Sunita Tandulwadkar and POGS. The combination of fabulous monsoon weather, great academics and fabulous fellowship made the event truly memorable.

The highlight of the year was the trip to London for the India Day. It was a truly enriching event, with excellent academics, and a wonderful evening program. Many of us met our old colleagues who we had lost touch with.

`BOH the Trilogy` went of very well in Delhi. The FOGSI FIGO event in Hyderabad had the fabulous flavor of international faculty from FIGO. The Hysterectomy summit was a unique event organized by Dr. Rajesh Modi at PVR cinemas Nagpur.

The AICC RCOG conference in Mumbai was a gala event wonderfully put together by Dr. Ameet Patki and Dr. Suchitra Pandit.

Coordinating the Nari Swasthya Pahel was part of my assignment which I enjoyed the most. It was heartwarming to see the response from FOGSI Presidents to this cause.

The FEMM conference in Mumbai was a unique event. We organized the `She matters` parade in which women from the age of 5 to 80 years participated with messages about womens health. The ramp walk was a spectacular event.

I have a long list of people to thank who made this year so special. First and foremost I wish to thank Dr. Rishma Pai for selecting me as her Joint Secretary and for her valuable guidance and support. My heartfelt thanks to all the Vice Presidents for their fantastic enthusiasm. A big thank you to all the FOGSI staff, who diligently did all the assignments.

It is said that the best and most beautiful things in the world cannot be seen or touched, they must be felt with the heart. I have made many new friends whose friendship I will always cherish.

FOGSI PCPNDT Initiative 2016 & 2017

Dr. Alka Kriplani

Dr. Rishma Dhillon Pai

Dr. Hrishikesh D. Pai

Dr. Prakash Trivedi

Dr. Jaydeep Tank

Dr. C. N. Purandare

Dr. Sanjay Gupte

Dr. P. K. Shah

Dr. Mandakini Megh

Dr. Rajnikant Contractor

Adv. Amit Karkhanis

FOGSI has been very active in the area of PCPNDT Act. The FOGSI President is a member of the central supervisory board (CSB) which implements the PCPNDT Act. In the year 2017, FOGSI has intervening twice in the supreme court using top lawyers such as Soli Sorabji.

Both these cases were filed by Dr Hrishikesh Pai on behalf of FOGSI . Due credit should be give the team of Dr Praksah Trivedi , Dr Jaydeep Tank and Mr Amit Karkhanis (FOGSI Lawyer) who have frequently travelled to Delhi to file and represent FOGSI's petitions. This team has been effectively supported by Dr. Alka Kriplani, Dr. Rishma Pai, Dr. C. N. Purandare, Dr. Sanjay Gupte, Dr. P. K. Shah, Dr. Mandakini Megh, Dr. Rajanikant Contractor.

CASE 1 : FOGSI INTERVENTIONING IN SUPREME COURT

A Writ Petition filed by FOGSI with the following Prayers:

- That this Hon'ble Court be pleased to strike down Section 23(1) of the PCPNDT Act as being unconstitutional for being in violation of Article 14, 19(1)(g), & 21 of the Constitution of India;
- That this Hon'ble Court be pleased to interpret Section 23(1) of the PCPNDT Act so as to clarify the exact nature of offence that are punishable under the said section so as to enable the Appropriate Authority to take action only against cases of actual and proven sex determination and not for anomalies in paper work/record keeping/clerical errors which are inadvertently and unintentionally committed by the Medical Practitioner;
- That this Hon'ble Court be pleased to strike down Section Section 23(2) of the PCPNDT Act as being unconstitutional for being in violation of Article 14, 19(1)(g), & 21 of the Constitution of India;
- That this Hon'ble Court be pleased to interpret Section 23(2) of the PCPNDT Act so as to clarify the exact nature of offence that are punishable under the said section so as to enable the Appropriate Authority to take action only against cases of actual and proven sex determination and not for anomalies in paper work/record keeping/clerical errors which are inadvertently and unintentionally committed by the Medical Practitioner;
- That this Hon'ble Court issue detailed guidelines or standard operating procedure with transparent checklist to be followed by the Appropriate Authority across the country while implementing the provisions of the PCPNDT Act, more particularly while conducting inspection and raids on the clinics before taking any action under the provisions of the PCPNDT Act;

- That this Hon'ble Court be pleased to decriminalize the anomalies in paperwork/record keeping/clerical errors from that of the actual acts of sex determination and interpret the relevant provisions of the PCPNDT Act accordingly;
- That this Hon'ble Court be pleased to separate the anomalies in paperwork/record keeping/clerical errors from that of the actual acts of sex determination and interpret the relevant provisions of the PCPNDT Act accordingly;
- That this Hon'ble Court direct the Union of India and other State Governments to conduct a review of all the pending cases filed under the PCPNDT Act to ascertain whether they are filed for actual acts of sex determination or for clerical errors and if it is ascertained that there are only instances of clerical errors the authorities be restrained from taking any coercive action against the members of the Petitioner;

The draft of the petition was created by Jaydeep Tank, Adv Amit Karkhanis and Adv Kapil Joshi. Inputs were then obtained from the Prakash Trivedi, Sanjay Gupte, Alka Kriplani, Rishma Pai and Hrishikesh Pai and the draft was finalised. The brief was then settled in a series of meetings with Sr Adv Mr Soli Sorabjee attended by Prakash Trivedi, Sanjay Gupte Jaydeep Tank, and Hrishikesh Pai. The petition was filed on 16th December 2016. The petition was heard by the Supreme Court on 6th March 2017 notices were issued - a major breakthrough!!

Since then the matter has been listed several times, unfortunately there had been no response to the notice. Finally the matter came up on 22-1-18 where the court saw fit to give the respondents one more chance to file a response. A response has now been filed by the respondents and the case is due for hearing in March 2018. Sr Adv Soli Sorabjee and Sr Adv Shyam Diwan will represent FOGSI in the matter.

CASE 2 : FOGSI INTERVENTIONING IN SUPREME COURT

FOGSI has intervened in appeal filed by the IRIA in Supreme Court 21-4 -16, seeking to overturn the decision of the Delhi High Court to strike down the prayers filed by the IRIA in Writ Petition No. 6968 of 2011 seeking certain reliefs before the Hon'ble Delhi High Court.

FOGSI decided to intervene as the prayers of the petition filed by the IRIA could have potentially affected the members of FOGSI. Although the argument has several nuances the IRIA seemed to seek that only those with a post graduate degree in Radiology could be considered as "specialists" in Sonography. Whether this decision could have affected OB Gyn's who practice ultrasound not as a speciality but as part of their own speciality practice is a matter of interpretation, however it was thought prudent to intervene and obtain clarity from the Supreme Court prospectively. The affidavit was developed by Jaydeep Tank, Adv Amit Karkhanis and Adv Kapil Joshi. Inputs were then obtained from the Prakash Trivedi, Sanjay Gupte, Rishma Pai, Jaideep Malhotra and Hrishikesh Pai and the draft was finalised. This was filed in August 2017. The matter came up on 20th December before the Hon. CJI's Court. FOGSI was recognised. The matter was adjourned to 13th December 2017 and was heard partially, and further adjourned to 11th January before the Hon CJI's Court. The Matter was heard partly and next date of hearing was 21st February 2018. On the 21st of February the matter was heard again and it was submitted that when if the Delhi High Court order would be stayed Obstetricians and Gynaecologists would be left out of the stay.

FOGSI has also sent our representatives for the National Inspection and Monitoring Committee (NIMC) team which is a Central Government raiding team which gives surprise visits to the states and inspects PCPNDT registered centers. Our FOGSI representatives protect our members from unnecessary harassments. Following members such as Dr. Rajanikant Contractor, Dr. R. K. Talukdar, Dr. Pradip Bhavsar, Dr. Mahesh Gupta, Dr. Dilip Gadhavi, Dr. Ranjana Khanna, Dr. Mandakini Megh, Dr. Bipin Pandit, Dr. Shyamal Sett, Dr. Jayam Kannan, Dr. Vaishali Chavan etc have been kind enough to volunteer as FOGSI NIMC inspectors for this difficult task!!

Pradhan Mantri Surakshit Matritva Abhiyan July - 2016

Shri Narendra Modi
Hon'ble Prime Minister of
India,

Ms. Vandana Gurnani,
Joint Secretary (Reproductive &
Child Health), Ministry of Health &
Family Welfare

Dr. Dinesh Baswal,
Deputy Commissioner (Maternal
Health- Incharge), Ministry of Health
& Family Welfare

Dr. Salima Bhatia,
Lead Consultant, Ministry of Health
& Family Welfare

Dr. Rishma Dhillon Pai
President

Dr. Alka Kriplani
Past President

Dr. Jaideep Malhotra
President Elect

Dr. Nandita Palshetkar
National Convenor

Dr. Hrishikesh Pai
Secretary General

Dr. Jaydeep Tank
Deputy Secretary
General

About the Programme:

- Carrying forward the vision of our **Hon'ble Prime Minister of India, Shri Narendra Modi**, the Pradhan Mantri Surakshit Matritva Abhiyan has been launched by the Ministry of Health & Family Welfare (MoHFW), Government of India to provide fixed-day assured, comprehensive and quality antenatal care universally to all pregnant women on the 9th of every month.
- The program is timely in view of the fact – that while India has made considerable progress in the reduction of maternal mortality, many

Hon'ble Prime Minister of India highlighted the aim and purpose of introduction of the Pradhan Mantri Surakshit Matritva Abhiyan in the 31st July 2016 episode of Mann Ki Baat. He has appealed to doctors across the country to volunteer 12 days in a year for this initiative.

pregnant women still die due to preventable pregnancy-related causes

Overview:

- As part of the campaign, a minimum package of antenatal care services are provided to pregnant women in their 2nd / 3rd trimesters, by OBGY specialists/ Radiologist/ Physicians working in the government sector at government health facilities on the 9th of every month. Active support is sought from private sector doctors to supplement the efforts of the government doctors.
- These services are provided in addition to the routine ANC at the health facility/ outreach at identified public health facilities (PHCs/ CHCs, DHs/ urban health facilities etc) in both urban and rural areas.
- Using the principles of a single window system, a minimum package of investigations and medicines such as IFA supplements, calcium supplements etc are provided to pregnant women attending the PMSMA clinics.
- One of the critical components of the Abhiyan is identification and follow-up of high risk pregnancies and red stickers are added on to the Mother and Child Protection cards of women with high risk pregnancies.
- The programme follows a systematic approach for engagement with private sector which includes motivating private practitioners to volunteer for the campaign; developing strategies for generating awareness and appealing to the private sector to participate in the Abhiyan at Government health facilities.

Organizational Structure:

- In the Ministry of Health & Family Welfare, the programme is implemented under the overall leadership of **Shri. J.P. Nadda, Hon'ble Union Minister of Health & Family Welfare** along with Ashwini Kumar Choubey and Smt Anupriya Patel.
- Smt. Preeti Sudan, Secretary (Health & Family Welfare), Shri. Manoj Jhalani, Additional Secretary & Mission Director (National Health Mission) and Ms. Vandana Gurnani, Joint Secretary (Reproductive & Child Health) guide the strategies and platforms for implementation of the programme.
- Dr. Dinesh Baswal, Deputy Commissioner (Maternal Health- Incharge) is responsible for coordinating with various stakeholders and State Governments for implementation of the programme on a day to day basis. He is further supported by Maternal Health Team comprising

of Dr. Sumita Ghosh, Deputy Commissioner (Maternal Health), and consultants Dr. Salima Bhatia, Dr Hariprakash Hadial, Dr. Narendar Goswami, Ms. Jenita Khwairakpam, Dr. Bhumika Talwar, Dr Jyoti Singh Baghel, Dr Aishwarya Sodhi, Dr Amrita John and Ms. Pooja Chitre.

- Public Health being a State subject, State Governments take the lead in implementation and involvement of stakeholders at the local level.

National Launch of PMSMA

- A National Launch of the Pradhan Mantri Surakshit Matritva Abhiyan was organized on 4th November 2016 and the comprehensive, PMSMA Communication Campaign, PMSMA portal and Mobile Application were launched at the event.

Who can volunteer?

- OBGY specialists / Radiologist/ Physicians working in the private sector are encouraged to volunteer for the campaign and can register for the campaign through any of the following mechanisms:
 - o Toll Free Number - Doctors can call 18001801104 to register
 - o SMS- Doctors can SMS 'PMSMA <Name> to 5616115
 - o PMSMA Portal- Register at www.pmsma.nhp.gov.in
 - o Register using the 'Volunteer Registration' Section of the Mobile Application

Portal/ Mobile Application

- A National Portal for PMSMA and a Mobile application have been developed to facilitate the engagement of private/ voluntary sector volunteers. The PMSMA portal serves as a one-stop source for information on PMSMA for all stakeholders.

PMSMA 'I Pledge For 9' Achievers Awards

- PMSMA 'I Pledge For 9' Achievers Awards** have been devised to celebrate individual and team achievements and acknowledge voluntary contributions for PMSMA in states and districts across India. The awards identify and recognize excellence in performance in PMSMA at various levels and focus on awarding government teams and volunteers through physical award ceremonies as well as through a virtual a 'Hall of Fame' for wide Public and social recognition of their contributions. (<https://pmsma.nhp.gov.in/wp-content/uploads/2017/02/PMSMA-Awards.pdf>)
- Several states such as Madhya Pradesh, Chhattisgarh, Manipur etc have already held State level Award functions to recognize the contribution of private sector volunteers.**

Role of our Partners: FOSGI & IMA

- FOGSI and IMA are actively supporting the implementation of the programme since inception. Both organizations have actively motivated their members to come forward and volunteer for PMSMA.
- Dr. Dinesh Baswal from Ministry of Health & Family Welfare, Dr. H.D. Pai from FOGSI and Dr. K.K. Agrawal from IMA have come together to promote PMSMA through channels such as Lok Sabha TV on several occasions.
- As a result of this collaboration, over 2416 private sector doctors from FOGSI and 1268 doctors from IMA have registered to volunteer for the programme.
- Many volunteers have come forward to provide services and their contributions have widely attracted the attention of local media. Dr Pooja Upadhyay from FOGSI, Chhattisgarh, Dr. Ramesh Bhaurao Vaidya from FOGSI Maharashtra, Dr. Hema Sadana from FOGSI Uttar Pradesh, Dr. Madhuri Chandra, State president of AMPOGS (All MP Obstetrician and Gynaecologist Society), Dr. Minoobhagia from FOGSI Delhi, Dr. Chanakya Das from FOGSI Assam, Dr. Taiyenjam Bilashini from FOGSI Manipur, Dr. Vandana Punia from IMA Haryana, Dr. Suman Bhalke from IMA Karnataka, Dr. Jandeep Banga from IMA Himachal Pradesh, Dr. Mamta Gupta, IMA Rajasthan etc are some of the private sector doctors from FOGSI and IMA who have provided exemplary services under the programme.

Roll out of the Programme

The Pradhan Mantri Surakshit Matritva Abhiyan (PMSMA) has recently crossed the one crore mark.

- More than one crore antenatal checkups have been conducted at PMSMA sites by government doctors with support from private sector doctors volunteering for the programme.
- Over 4750 volunteers are registered on PMSMA portal across all State/UTs.
- PMSMA is conducted at over 12800 health facilities across all State/UTs

Appeal to Members from FOGSI & IMA

Several private sector doctors have come forward to serve in vulnerable and hard to reach areas. We appeal to all members of FOGSI and IMA to come forward, 'Pledgefor9' and register for PMSMA. Your voluntary contribution in high priority districts and hard to reach areas can help save lives of pregnant women and neonates across the country.

Have you registered? Come forward, register on the PMSMA portal (www.pmsma.nhp.gov.in) and 'PledgeFor9'

FOGSI GCPR march - 2016

Dr. Alka Kriplani

Dr. Hrishikesh D. Pai

Dr. Bharti Dhorepatil

Dr. Sadhna Gupta

Dr. K Aparna Sharma

Dr. AG Radhika

GCPR on Preconception Care:

Preconception is a vital time to assess and identify various risks that could lead to adverse maternal and fetal outcomes. World Health Organization (WHO) defines it as the provision of biomedical, behavioral and social health interventions to women and couples before conception occurs. Preconception care focuses on long-term as well as short-term improvement in women and child health through counseling and interventions. It is targeted at management and reduction of underlying risk factors responsible for poor maternal and child consequences. Because of the recent focus on PCC as a tool for promoting the health of prospective parents and to reduce maternal and perinatal mortality and morbidity in India, the need for consensus on preconception care was perceived by FOGSI and took the initiative to develop the same. The current guidelines were developed by an 'Expert panel' of obstetricians, gynecologists, from across the country with vast experience. Two expert meets were held on 8th March 2016 and 31st May 2016 to draft these recommendations. Definite practice points have been given for the various aspects of preconception care including contraception, Nutritional issues like folic acid intake, anemia and weight issues like obesity and under nutrition. A lot of emphasis has been laid on pre pregnancy optimisation of various medical disorders like diabetes, hypertension, thyroid and thromboembolic disorders. The document was published in the Journal of Obstetrics and Gynecology of India and is available online at <http://www.fogsi.org/gcpr-preconception-care/>

GCPR on Iron deficiency anemia in Pregenergy:

Anemia among pregnant women is a serious global health concern. According to World Health Organization (WHO) report, about 32.4 million pregnant women suffer from anemia worldwide, of which 0.8 million women are severely anemic. Moreover, 50% cases of anemia are attributable to iron deficiency anemia (IDA). In India, estimated maternal deaths due to IDA is approximately 3,26,000 with an associated disability-adjusted life years (DALYs) of 12,497,00. Anemia in pregnancy can precipitate several complications. In spite of Government's persistent and prolonged efforts, the problem continues to fester as is documented by the recent survey: National Family Health Survey (NFHS-4, 2015-2016); the prevalence is 23.6-61.4%. Hence, there is a continuing requirement for county-specific harmonized guideline for the control of IDA in India. The current guidelines were developed by an 'Expert panel' of obstetricians, gynecologists, from across the country with vast experience. Two expert meets were held on 24th December 2015 and 24th March 2016 to draft these recommendations. Definite practice points have been given for the various aspects of management of iron deficiency anemia in pregnancy including diagnosis of IDA, prevention of IDA and management principles using oral iron, parenteral iron, deworming and management in postpartum period. The document was published in the Journal of Obstetrics and Gynecology of India and is available online at <http://www.fogsi.org/gcpr-on-recommendation-on-management-of-iron-deficiency-anemia-in-pregnancy/>

Nari Swasthya Pahel - April 2017 (Womens Health Initiative)

Dr. Rishma Dhillon Pai
President

Dr. Hrishikesh D. Pai
Secretary General

Dr. Hema Diwekar
National Convener

Dr. Sarita Bhalerao
Joint Secretary

This CSR activity of FOGSI was initiated by FOGSI President Dr. Rishma Pai during her installation ceremony in Ahmedabad on 26th January 2017 in the presence of Dr Ketan Desai, Film actress Sridevi and Poonam Dhillon. It was officially launched in the presence of union health minister for state Mr. Faggan Singh Kulaste in April 2017 New Delhi. This program consists of conducting free health check-up of non-pregnant women over the age of 16 years. The woman will be offered personal history overview, data collection as well as a physical examination consisting of height, weight, blood pressure, BMI, clinical breast examination, per speculum examination, pelvic examination, haemoglobin and random blood sugar.

The first Nari Swasthya Pahel was launched on 5th March by the Bangalore OBGYN Society under the stewardship of Dr. Hema Divakar, Dr. Hrishikesh Pai & Dr. Sheela C. N. Many of these societies took additional help of pharmaceutical companies such as USV and Zuentas in implementation. More than 93 NSP camps were conducted by 66 societies. The presidents of these societies were felicitated and awarded in April 2017 at the FOGSI Government of India meeting in New Delhi, in November 2017 at the FOGSI FEMM conference in Mumbai and at the AICOG 2018 in Bhubaneswar.

Nari Swasthya Pahel conducted by following Societies:

FOGSI - Government Of India Initiative April 2017

Dr. Rishma Dhillon Pai
President

Dr. Hrishikesh D. Pai
Secretary General

Shri. Faggan Singh Kulaste
(Minister of State for Health
& Family - Welfare)

Dr. Jaideep Malhotra
President Elect

Dr. Nandita Palshetkar
National Convener

FOGSI also invited many Government officers for this program , including Shri Faggan Singh Kulaste (Minister of state for Health and Family welfare), Dr Jagdish Prasad (Director General of Health Services), Mr Panda (Director National Health Mission), Smt Vandana Gurnani (Joint secretary health), Dr K K Agarwal (National President IMA) Mr Dinesh Baswal (Commissioner of MCH), DR Sikhdar (Commissioner of Family welfare) & Smt Poonam Dhillon. Many of the present and past office bearers of FOGSI including Dr Hema Diwakar, Dr C N Purandare , Dr Nandita Palshetkar, Dr Jaideep malhotra , Dr Jaydeep tank , Dr Suchitra Pandit , Dr Nozer Sheriar, DR P K Shah, Dr Sanjay Gupte , Dr Madhuri Patel and Dr Suvarna Khadilkar participated in this program. Many Parliamentarians such as Shri Jaiswal, Smt Lekhi and Smt Poonam Mahajan also were present . More than 15 NGOs were awarded and felicitated by FOGSI in this program . Smt Poonam Mutreja of PFI conducted a joint session on Family planning while Smt Anjali Nayyar and Smt Sushma Kapoor led a round table interactive discussion on Abortion Services in India . This was a watershed meeting and has asserted FOGSI's significant place and role in the future of women's Health in India .

FOGSI- RCOG India Day June 2017

Dr. Rishma Dhillon Pai
President

Prof. Lesley Regan
President RCOG UK

Dr. Ameet Patki
Coordinator

The All India Co-coordinating Committee of the Royal College of Obstetricians and Gynecologists, London in Association with FOGSI organized a unique program titled INDIA DAY 2017 in London 30th June 2017. The world's two largest professional bodies have shared a special relationship and Obstetricians and Gynecologists from both countries were keen to discuss amongst various issues globalization of medicine. It is essential that policy makers and clinicians jointly address these issues to enhance standard of care, help develop guidelines and create new ideas. This can only have a positive impact on women's health.

The event had over 120 doctors from UK and 50 doctors from India participated. There were 8 panel discussions to discuss various issues in women's health like Fibroids in young women, Endometriosis, Preventing PPH, and Scope of IUI in infertility. . Some of them were based on case scenarios.

The Indian High commission was represented by the First Secretary Mr. Vizay Vasantha who at the inaugural ceremony congratulated both organizations and offered all assistance to further promote such activities.

Dr. Rishma D. Pai, Dr. Raneek Thakar and Dr. Ameet Patki were the coordinators. Prof. Lesley Regan spoke of how the maximum number of RCOG members outside UK were in India and hence RCOG was very keen to conduct and Helping FOGSI in setting guidelines, training of trainers in USG and conducting courses for post graduates.

In the evening there was a cultural program put together by doctors from UK and India followed by a sit down dinner. The meeting was attended amongst others by Dr. Suchitra Pandit (Chairperson AICC) & Dr. C. N. Purandare (President FIGO), Dr. Hrishkesh D. Pai, Dr. Jaydeep Tank Dr. Madhuri Patel, Dr. Nandita Palshetkar, Dr. Suvarna Khadilkar, Dr. Dib Dutta, Dr. Alison Wright, Dr. Shantha Kumari, Dr. Jaydeep Malhotra and Dr. Narendra Malhotra.

London Chapter of FOGSI November - 2017

Dr. Rishma Dhillon Pai
President

Dr. Dib Datta
Secretary

Dr. Hrishikesh D. Pai
Secretary General

'The Federation of Obstetric & Gynaecological Societies of India (FOGSI) is the professional organization representing practitioners of obstetrics and gynecology in India. With 241 member societies and over 33,000 individual members spread over the length and breadth of the country, FOGSI is the largest membership based organizations of specialized professionals.

Obstetricians and Gynaecologists from India, who received their primary medical degrees in India and currently resident and practising in the UK, under the inspirational leadership of Drs Rishma & Hrishikesh Pai, got together to launch the FOGSI London Chapter on the 3rd November 2017 at the London Marriott County Hall Hotel, Westminster.

The aim of the Chapter, the first of its kind anywhere for an Indian medical organisation of professionals, is to foster closer ties with its parent organisation in the sharing and spread of current and developing knowledge and expertise in the discipline; through conferences, seminars and philanthropic activities of FOGSI when in India. Its Members thereby hope to contribute to its work in many ways; thereby giving back some of their learning and expertise to patients in their motherland.

The founding officers of the organisation are: Dib Datta (Secretary General-FOGSI), Gautam Mehra (President), Sameer Umranikar, Jyotsna Pundir, Sheela Swamy, Neelanjana Mukherjee (Executive Committee).'

FOGSI – Manyata Initiative November - 2017

Dr. Hema Divakar

Dr. Hrishikesh D. Pai

Dr. Naveen Rao

Ms. Pompy Shridar

Dr. Bulbul Sood

Dr. Dipa Nag Chowdhury

FOGSI loded the Manyata initiative in collobertion with MSP for Mother (Dr. Naveen Rao & Ms. Pompy Shridar), McArther Foundation (Dr. Dipa Nag Chowdhury) and Jhpiego (Dr. Bulbul Sood).

Manyata is the beginning of a powerful movement to demonstrate how we, as private providers, can contribute to the country's goals of reducing maternal mortality.

- Manyata is a quality improvement model that helps providers meet **FOGSI-endorsed quality standards for maternity care** and recognizes private providers who succeed in adhering to at least 75% of those standards through a certification.
- We will meet those goals by delivering quality improvement services through a network of **quality improvement hubs** in all three three states **Maharashtra, UP, and Jharkhand** to help providers meet quality standards.
- Dr Hema Divakar is the National Conveynor & Dr Hrishikesh Pai, National administrative head and FOGSI leaders Dr Rishma Pai, Dr Jaideep Malhotra, Dr Jaydeep Tank, Dr Madhuri Patel, Dr Suvarna Khadilkar, Dr Ameya Purandare, Dr Sanjay Gupte, Dr Udsay Thanawala, Dr Sadhana Gupta, Dr Priti kumar and Dr Ragini Singh are the steering committee members .
- We have built a **national program management unit NPMU** that will ultimately run these hubs. For the next one year, we will be working with Jhpiego to increase regional capacities to manage these hubs. After one year, ownership will be FOGSI's entirely.
- The Manyata initiative is supported by MSD for Mothers and is in partnership with jhpiego . The NPMU is supported by McArther foundation grant.
- 144 facilities in phase one and 90 in phase two , have been enrolled , assessed and approved for Manyata Certification.
- Discussions with third parties like NABH and BVI are under way to obtain quality accreditation .

FOGSI Consultation on Increasing Access to Safe Abortion Care

Dr. Rishma Dhillon Pai
President, FOGSI

Dr. Jaydeep Tank
Deputy Secretary General, FOGSI

Dr. C. N. Purandare
President, FIGO

Smt. Anjali Nayyar
Executive Vice President
Global Health Strategies

Global Health Strategies (GHS), in partnership with the Federation of Obstetric & Gynaecological Societies of India (FOGSI), the International Federation of Gynecology and Obstetrics (FIGO), the Pratigya Campaign, and SheDecides, organized a High-level Consultation on ‘Increasing Access to Comprehensive SRHR Services, including Safe Abortion Services in India and South Africa’ in New Delhi on 24 and 25 November 2017. The Ministry of Health and Family Welfare, Government of India, and the National Department of Health, South Africa participated in this consultation.

The two-day consultation brought together country representatives and experts to exchange best practices and chart out possible next steps to increase access to safe abortion services in India and South Africa. It provided a platform for technical experts and government officials from both countries to share their experiences, challenges, strategies and efforts to increase access to safe abortion services.

The sessions on the first day addressed several issues and challenges that impact access to safe abortion services in India and South Africa. In the Inaugural Session, Dr Manoj Jhalani, Additional Secretary and Mission Director, National Health Mission, Ministry of Health & Family Welfare, Government of India, gave the keynote address and unveiled the Call to Action. Ms Vandana Gurnani, Joint Secretary, Reproductive and Child Health, Ministry of Health & Family Welfare, Government of India, and Ms Manala Makua, Director, Women’s Health and Genetics, National Department of Health, South Africa, spoke in the session on ‘Setting the Context’ and provided an overview of the landscapes in the two countries. Other sessions on the first day focused on key lessons and opportunities for changes, intersecting laws and their impact on access to safe abortion services in India, and raising awareness and fighting the stigma.

A key session was on ‘Right to Privacy – Ensuring Reproductive Justice’ that saw Barkha Dutt, Senior Journalist, in conversation with Soli Sorabjee, Former Attorney General of India and Vikramajit Sen, Former Judge, Supreme Court of India. This session focused on looking at a woman’s right to abortion in light of the recent Supreme Court judgment on the right to privacy. The final session of the day discussed key recommendations to increase access to safe abortion services in India and South Africa which could then be presented to the respective governments in the two countries.

On the second day, two country-specific working groups (one each on India and South Africa) were constituted which aimed to advocate for and work towards safeguarding sexual and reproductive health and rights of women, and improving access to safe and legal abortion services in the two countries. Participants in both the country working groups actively discussed and debated the recommendations that emerged from the previous day and worked together to arrive at a consensus. Both working groups brought together government representatives, technical experts, academics and civil society organizations. FOGSI, along with GHS, will be sharing the India-specific recommendations with the Ministry of Health and Family Welfare.

¹ Launched in 2013, Pratigya is a campaign for ‘Gender Equality and Safe Abortion’, and is committed to promoting women’s rights and access to safe abortion in India.

FOGSI Enhancing Access to Comprehensive Abortion Care

Dr. Pradeep Vyas,
IAS Principal Secretary

Dr. Sanjeev Kumar,
IAS, Commissioner
Public Health

Dr. Rishma Dhillon Pai
President

Dr. Mandakini Megh
Convener

A Programme on “Enhancing Access to Comprehensive Abortion Care in India: A training programme for Key Stakeholders & global Health Streteties”, A FOGSI initiative was held on December 4, 2017 at the Plaza Auditorium, Hotel Marine Plaza, Marine Drive, Mumbai.

India has seen a significant decline in the maternal mortality indicators and is on track to achieve the targets set under the Millennium Development Goals. While there is encouraging progress on the overall numbers, sex ratio at birth and child sex ratio as well as the contribution of unsafe abortions to maternal deaths continues to be a matter of concern.

Abortion services are delivered in India within the ambit of the MTP Act 1971. Yet, legalization does not ensure access to safe abortion services as a reproductive right of women. Further, it is estimated that there are 4 to 6 million illegal abortions in India per year, a significant proportion of which are likely to be provided in unsafe settings, contributing to maternal morbidity and mortality.

It is imperative to understand the nuances of safe and legal abortion service delivery in India, vis-à-vis the current legislation around the age of consensual sex, prevention of sexual offences against children, enforcement of the PCPNDT Act to prevent sex determination and the determinants of a quality abortion service.

This is a priority area for the Government and efforts need to be strengthened to ensure that Comprehensive abortion care services are implemented across the country within the framework and provisions of the Medical Termination of Pregnancy, (the MTP Act), 1971.

We at FOGSI are also committed to reduce maternal mortality by **Enhancing Access to Safe Abortion Services in Maharashtra**. FOGSI has launched an initiative to conduct a series of orientation and training programme for key stakeholders from urban and rural Maharashtra including health administrators, teaching faculty and service providers including OB-GYNs from the public and private health sector.

An inaugural event to kick off this initiative, entitled: “ Enhancing Access to Comprehensive Abortion Care in India: A training programme for Key Stakeholders”, was held on December 4, 2017 at the Plaza Auditorium, Hotel Marine Plaza, Marine Drive, Mumbai-400020.

Dr. Pradeep Vyas, IAS Principal Secretary, Public Health Dept, Govt of Maharashtra, Dr. Sanjeev Kumar, IAS, Commissioner, Public Health and Mission Director NHM, Govt of Maharashtra, Dr. Rishma Dhillon Pai, President FOGSI, Dr. Hrishikesh D. Pai, Secretary General FOGSI, Dr. Jaydeep Tank, Deputy Secretary General FOGSI, Dr. Mandakini Megh, Convener FOGSI and total 75 Ob-Gyn faculties, Maharashtra Govt officials were attended the programee.

FOGSI – GOM Collaborative Seminar January - 2018

Dr. Pradeep Vyas,
IAS Principal Secretary

Dr. Sanjeev Kumar,
IAS, Commissioner
Public Health

Dr. Rishma Dhillon Pai
President

Dr. Mandakini Megh
Convener

A very prestigious Seminar was held on 4th January, 2018 and it was inaugurated by Dr. Sanjeev Kumar (IAS Commissioner, Public health, Mission Director NHM, Govt of Maharashtra) with Dr. C.N. Purandare, President, FIGO, Dr. S.S. Utture, President, MMC, Dr. Rishma Pai, President, FOGSI, Dr. Hrishikesh Pai, Secretary General, Dr. Jaydeep Tank, Deputy Secretary General, FOGSI, Dr. Archana Patil, Additional Director, Family Welfare, Pune & Dr. Mandakini Megh. Dr. Sanjeev Kumar gave emphasis on the availability of Obstetrics, pediatrics & anesthetist services at FRUS to reduce the Maternal & Neonatal mortality & mentioned that there is an acute shortage of above specialist services at FRUs. GOM is looking forward for the collaboration with FOGSI for providing obstetrician in their districts. He suggested flexibility in financial options in the existing GR for the obstetric services. Dr. C.N. Purandare put light on the international scenario of maternal health. Dr. Rishma Pai said that FOGSI has undertaken many projects with GOVT of India especially in the areas of EMOC, adolescent health, providing safe abortion services, Janani Suraksha Yojana. FOGSI is keen to provide obstetrics services through its member bodies. Dr. Utture, President, MMC has talked about younger OBGYN to serve in the FRUs. Motivation can be waving of the 1 year bond, to be considered. Dr. Archana Patil, Add. Dir, FW, & Dr. Sanjay Deshmukh DDHS, Pune have given success story of Pune. Panel discussion conducted on Ground Realities FRUs & Maternal Health Facilities by Dr. Madhuri Patel, treasurer, FOGSI, Dr. Nandita Palshetkar, President elect, FOGSI. Panelists were Dr. Archana Patil, Dr. Rohini Deshande, Dr. Chaitanya Shembekar, Dr. Suvarna Khadiolkar, Dr. N.D. Deshmukh (DDHS), Dr. Rajedrasingh Pardesi. There were talks on Important & crucial subjects like Caesarean Section Rate - The myths and reality by Dr. Jaydeep Tank. He presented detailed data of Global Caesarean rate and national, as per the latest data (National Family Health Survey 2015-16 (NFHS-4), the cesarean rates at population level in India seem to be 17.2%. He said there are various factors responsible for discrepancy in the rates of cesarean section in public & private sectors. Hence, there is a need to collect data uniformly so that in the near future we will be able to move our focus from CS rates at population level to monitoring and discussing CS rates and outcomes in each group of the Robson classification & there was a consensus for the same. Panel on PCPNDT was conducted by Dr. Prakash Trivedi and panelist was Dr. Mandakini Megh, Dr. Mangala Gomare, Dr. N.D. Deshmukh, & Dr. Asha Adwani. The talk on "11th trimester MTP, in the wake of POCSSO Act & PC PNDT" was given by Dr. Mandakini Megh, Convener, and FOGSI. It was a very successful and productive seminar attended by higher ranking health officials and Presidents of FOGSI member bodies of Maharashtra and other dignitaries. Vote of thanks proposed.

Medico-Legal issues in Ob-Gyn practice	Dr. MC Patel
Colour Doppler and Foetal Echocardiography	Dr. Jayprakash Shah
ABC of Critical care units... Obst HDU/ICU	Dr. Alpesh Gandhi
Genetics and Foetal Medicine	Dr. Akshay Shah
Optimizing results of ART	Dr. Himanshu Bavishi
Adolescent problems & clinics	Dr. Rajel Thakker
Adding Life to Midlife...	Dr. Rajesh Soneji

FOGSI Committee Workshops on 26th January 2017

Committee	Committee Chairperson
Infertility Committee	Dr. Sonia Malik
Ethics and Medicolegal Committee	Dr. Hitesh Bhatt
Urogynaecology Committee	Dr. Mangesh Narwadkar
Endometriosis Committee	Dr. T Ramini Devi
Young Talent Promotion Committee	Dr. Geetha Balsarkar
HIV AIDS Committee	Dr. Madhuri Chandra
Sexual Disorders Committee	Dr. Ajay Mane
Endocrinology Committee	Dr. Anita Singh
Safe Motherhood Committee	Dr. Parikshit Tank

AICOG Orations

Oration Title	Orator	Topic
FOGSI Amadeus Shreya Oration	Robert Zuvarin	Endometriosis – the cure and why we are not there yet
FOGSI Oration	Prakash Trivedi	Challenges to gynec pioneers is challenge to become masters
FOGSI MSD Oration	Kristina Gemzell	Strategies to preventing unwanted pregnancies – LARC perspective

The C G Saraiya CME Programme was held on the morning of 26th January 2017. There were 3300 delegates for the CME. This was convened by the chairperson of FOGSI CME Committee, Dr. Saswati Sanyal Choudhury and the theme was “Preventing the Preventable”

Venue and Infrastructure

The venue for the 60th AICOG was the Gujarat University Exhibition and Convention Center. The various committee meetings were held at the venue. Precongress workshops were held at the venue and at hospitals in the city. The venue was customized for the AICOG. Some highlights of the venue were specially built in Germany domes, decorated passways, adequate distance between halls to prevent sound transmission, no congestion and free movement of delegates, adequate electricity backup, selfie zones and adequate parking facilities. There was a large area for registrations which were automated. The areas for scientific exhibition, food, accompanying person hospitality were spacious and well defined. Maximum sized stalls were given for the scientific exhibitions. The area was kept neat and clean. Food was available freely and dinner was included for all delegates on the day of precongress workshops, which was a departure from the earlier norm of having it for faculty only.

Scientific program

On 25th January 2017, 12 precongress workshops were conducted as outlined above. 3637 delegates (the highest ever) were registered for the pre congress workshops. There were 5 live surgical workshops and 7 other workshops conducted over six venues. The overall conduct of the workshops was under the guidance of Dr. Ajesh Desai, Dr. Tejas Dave, Dr. Yamini Trivedi and Dr. Akshay Shah.

The next day, 26th January 2017 consisted of the Dr C G Saraiya CME in the morning and was followed by the FOGSI Committee Workshops in the afternoon. Both the events were well received.

From 27th January 2017 onwards, there were extensive scientific deliberations covering the entire subject of Women's Health. The packed 8 academic halls spoke of the technical ability, which Ahmedabad had to offer, laid out with precision by the scientific committee. The 3

orations, 18 keynote addresses, 208 lectures, 24 panels, and various debates, live sessions and special sessions enlightened the attendees of the conference. The invited faculty included 64 international and 900 national faculties from various sub specialties of O & G, proving that this conference was a unity in diversity, yet an academic feast. The 1165 free papers were well screened and conducted as free papers, posters and video sessions.

Scientific sessions included the following, the details of which are available in the full scientific program: ●FOGSI Brig S.B Khanna Lecture, ●FOGSI - ICOG Dr. C.L Jhaveri Endowment Symposium, ●FOGSI Dr. Jagdishwari Mishra's Lecture, ●FOGSI Dr. Usha Krishana Quiz, ●FOGSI Prize Session, ●FOGSI NMOGS Mandakini Parihar memorial AICOG 2014 Lecture, ●FOGSI Dr. Kamini Rao Yuva Orations, ●RCOG session on Family planning and PPIUCD, ●FIGO session on AUB, ●SAFOG session on Sepsis during child birth, ●AOFOG session on ectopic pregnancy, ●GOI session on Quality assurance in Institutional deliveries, ●UNICEF supported workshop on critical care in obstetrics

Publications

The 60th AICOG published a trade brochure, three brochures for delegates, a book on "Current concepts in Obstetric, Gynaecology and Infertility – Update 2017", 11 Workshop manuals, Scientific programme booklet, Abstract book and Souvenir which were all distributed to the delegates. A set of DVDs is being produced for distribution.

Program highlights

A total of 10 board meetings were held during the AICOG. The FOGSI Managing Committee Meeting was conducted on 25th January 2017.

Various important issues were discussed. It was followed by the Managing Committee Dinner.

The national and FOGSI flag were hoisted on 26th January 2017 in the morning at the venue. The flag was hoisted by Dr. Chopra, a Lt General of the Indian Army. It was attended by the office bearers, senior FOGSI members, managing committee members and delegates.

The inauguration on 26th January 2017 was well attended. It began with a prayer and included a traditional cultural folk dances. Dr. Rishma Pai and her team were installed. The chief guest was Dr. Ketan Desai. The guests of honor were Ms. Sridevi, Ms. Poonam Dhillon and Ms. Mary Kom.

Some highlights of social activities during the event were

- Public awareness activity on Beti Bachao, Beti Padhao on 22 January – there were 700 attendees and the AICOG Torch was relayed and carried to the venue by the MP, Dr Kishor Solanki.
- Menopause, cancer and screening on 23 January – about 500 women attended.

Excellent entertainment was arranged for all delegates everyday of the conference and the stars were Hariharan, Mohit Chauhan and Usman Mir.

The valedictory ceremony ended the conference on 29th January 2017. Delegates greeted the extraordinary performance of organizing team by standing ovation. Dr. Rishma Pai, FOGSI president complimented by demanding that "Let the Ahmedabad society, be the permanent organizer for the AICOG". At the end, we extended a very hearty vote of thanks to all.

Report of the Year's Activities from the Immediate Past President, Dr. Alka Kriplani

Dr. Alka Kriplani
"Padma Shri" by
President India- 2015
President FOGSI- 2016

Dear FOGSIANS, At the outset I would like to extend my heartfelt thanks to all my esteemed FOGSI friends for giving me the privilege to be the 59th president of FOGSI. My team and I, have worked hard in fulfilling this great responsibility with all humility and with a hope to bring about a change.

I worked with sincerity and passion to uphold all that this mammoth organization FOGSI stands for, and with your help and support, tried to take our organization to even greater heights.

The theme for 2016 was **"Preventing the Preventable, Bridging Gaps in Women Healthcare"**. Hence focusing on the prevention in the women's healthcare, it was my heartfelt desire to work towards improving the health and wellbeing of women.

My vision of FOGSI was to make it the lead organisation working towards advocating and promoting women's health and reproductive rights using scientific evidence and following the highest ethical standards through its membership of committed professionals. I aimed to fulfill the FOGSI's vision through various missions as follows-

FOGSI encourages dissemination of knowledge & education as well as research in the field of OBG in India.

I firmly believed that knowledge was the panacea for all our woes. **"If you have the knowledge, let others light the candles in it"**. With the help of my team we have conducted workshops/CMEs/ Conferences on various topics at numerous places throughout the country. The year started with the 59th AICOG 2016 at Agra and with aim of at least one academic event per month we were able to conduct 22 conferences including 4 YUVA FOGSI conferences.

To bring standardization in training and education and academic enrichment by disseminating knowledge through FOGSI we compiled and circulated the Good Clinical Practice Recommendations

On pertinent topics of Obstetrics and Gynaecology such as Abnormal Uterine Bleeding: Diagnosis & Management, Preconception care and Endometriosis. The GCPR on 'Anaemia in pregnancy' is finalized and will be published soon. All these GCPRs are available on FOGSI website.

As committed our team coordinated the publication of FOGSI FOCUS on Preconception & Antenatal care Update, Amniotic fluid, PCOS: Current. These will soon be available on FOGSI website. A book on contraception was also published.

FOGSI works to pilot and promote preventive & therapeutic services related to health care of women and children.

At the same time basic training courses were conducted for Training doctors and paramedical staff in giving quality healthcare. Teaching in our medical colleges also needs the advancement and we should provide best possible training to our youngsters.

- A concept note for strengthening capacity building for medical college faculties on Ministry of Health guidelines has been discussed with to Dr. Baswal and JSI.
- To empower our members with evidence based knowledge and enhance their clinical skills, we formulated **certification courses** on important clinical subjects as **Combined Hormonal Contraception, PCOS, AUB-HMB and GDM**. We have conducted around 65 FOGSI-Bayer workshops with more than 3200 doctors in 2016.
- To address only pregnancy and postpartum issues is like looking at the tip of the iceberg. So we started where it all starts.., with the girl child. **"A healthy girl begets a healthy mother"**. There is the problem of adolescent anemia and malnutrition which is prevalent in an alarming proportion of girls. To combat this huge problem, we launched a country-wide project **"AGRIM" Gramin Mahila Swasthya Jagrukta Abhiyan: A FOGSI Initiative with Practical Obstetric Committee-Public Awareness committee** with logistic support from Emcure pharmaceutical for spreading anaemia awareness among community in villages including adolescents, school teachers by campaigning in school, colleges, organizing youth melas etc.
- We conducted **'LEAF 2016' CMEs** as a FOGSI Alembic Initiative on teaching and training on Lactation, Emergency Obstetrics, Adolescence and Fertility of women in various societies.

FOGSI also serves to advocate the cause of reproductive and sexual health and rights.

Before looking in to the inadequacies of pre and post natal care it is important whether she wanted to get pregnant in the first place. And why is that she is unable to regulate her reproductive life. India has a TFR of 2.6 which can only be controlled by effective contraception. By educating them, respecting them, empowering them, investing in them and protecting them, we can bring maternal mortality down by no less than 80%. Through this platform, we worked wholeheartedly to supporting these endeavours and did our bit for the women kind.

- Meeting with ICMR, Population foundation of India to promote hormonal injectables and implants for contraception in India the 10th Feb 2016
- Meeting with PSI (Population Service International) officials to strengthen Family Planning Services in India, 3rd Mar'16
- 5th April' 2016 Delivered Lecture on role of FOGSI at National Family Planning Summit, With Dr. Bulbul Sood (JHPIEGO), Dr. Pratima Mittal, With Dr. Rakesh Kumar (MoHFP), Dr. Jyoti Bali
- This year FOGSI published a book on Contraception

Looking beyond pregnancy and its complications, another mammoth problem due to which women are needlessly dying is the problem of gynecological cancers. India attributes to 27% of all cervical cancer deaths in the world. One out of every 4 women dying due to cancer cervix is an Indian. With the availability of primary and secondary prevention, it is possible to prevent 9 out of the 10 deaths attributable to it. What we need is to be aware and be committed and motivated that each and every women who comes in contact with the caregiver is at least advised a basic screen and possibly HPV vaccine. Along with the chairperson of oncology committee I represented FOGSI in a Meeting at PM Office in Delhi for HPV vaccine availability to adolescent girls in February 2016. Through the Leadership Training Program in Colposcopy for cervical cancer control at Delhi, 4th April'2016 the experts discussed and trained the trainers in colposcopy. We also worked on updating the prevention of Cervical Cancer and Cervical cancer screening and management and HPV vaccination guidelines

FOGSI considers the reduction of maternal mortality in India as its primary mission

The dream project of the honorable Prime Minister Narendra Modi, the Pradhan Mantri Surakshit Matritva Abhiyan Yojna was rolled this year.

Though the figures show that the mortality has dropped by 66% from 1990 to 2010, India still has by far the highest number of women dying during childbirth on the planet each year.

This is not to say the efforts are any less. The causes of mortality have been looked into many times over. The government programs promoting institutional deliveries have really made a dent on the mammoth problem. So, every effort counts especially coming from us, because we are caregivers.

- FOGSI conducted various meetings with the JSI, JHPIEGO to reduce MMR by training in the management of PPH in the presence of Dr Baswal (Health Ministry) and to strengthen the maternal and child survival programme.
- The President represented FOGSI at the WHO Meeting on Reducing MMR at Maldives in Feb 2016
- FOGSI continued to run one-day certification program GESTOSIS on management of hypertensive disorders in pregnancy

FOGSI supports & protects the interests of practitioners of OBG in India.

For the benefit of members, other pertinent activities like KAVACH, violence against women, PC-PNDT awareness program were be organized.

- 5th April' 2016 CSB meet with Hon Health Minister Shri JP Nadda, Dr. Prakash Trivedi, Dr. Rajnikant Contractor, PCPNDT Official Mr. Manoj Jha to solve issues on PCPNDT
- FOGSI is deeply concerned about increased incidences of attacks on doctors & clinical establishments across the country and core committee meeting on Violence against Doctors Cell, ART Bill 2014 Regulation Core Group was held and Suggestions for doctors were discussed

FOGSI for women

Violence against Women: FOGSI has taken the lead to update all clinicians/postgraduate students /staff of various Medical Colleges on legal, criminal, judicial, forensic and health related procedures. The first pilot programme for Violence against women was done at Nasik

- FOGSI Initiative to Ensure right practices are followed by our doctors, facilitating justice for the Victim / Survivor and prevent criminal action against themselves through the **"STAR Program"** with support by the **"Kavach Program"** of Spectra Division of Sun Pharma. We conducted workshops in various societies.

With FOGSI let us set a benchmark for all of its societies with objectivised expectations. We emphasized the involvement of all member societies with active participation of committee chairpersons to encourage academic enrichment, and spread of evidence-based practice and bring about uniformity in teaching and training.

Mittron ke samman prem ka, kann- kann mera abhaari hai !

Ashaaon per khara utarna , ab yeh zimmedari hai !!

Long Live FOGSI !!

Dr ALKA KRIPLANI
President FOGSI-2016

FOGSI Vice Presidents Report - 2016

Dr. Bharati Dhorepatil, Vice President - 2016

“Always believe in yourself and always stretch yourself beyond your limits. Your life is worth a lot more than you think because you are capable of accomplishing more than you know. You have more potential than you think, but you will never know your full potential unless you keep challenging yourself and pushing beyond your own self-imposed limits.”

With the blessings of my Guru’s Prof Dr. C.N. Purandare, Prof. Dr. Alka Kriplani, Dr. Sanjay Gupte, thousands of FOGSIANS and seniors I took over as a Vice President, West Zone in January 2016 at Agra and Jan 2017 Journey completed under the leadership of our FOGSI president Dr. Kriplani Alka with Theme of the Year “Bridging the Gap in Women’s Health Care, Preventing the Preventable” this year in AICOG, Ahemdabad.

At the outset I would like to extend my heartfelt thanks to Dr. Alka Kriplani, Dr C.N.Purandare, Dr. H.D.Pai, Dr. Jaideep Tank, Dr. Madhuri Patel, Dr. Suvarna Khadiolkar, Dr. Prakash Trivedi, Dr. Rishma Pai, Dr. Nandita Palshetkar, Dr. Ritu Joshi, Dr. Mala Arora, Dr. Kanan Yelikar, Dr. Shantakumari, Dr. Krishnendu Gupta, Dr. Atul Mushi, Dr. Mahesh Gupta, Dr. Charuchandra Joshi, Dr. Pankaj Sarode, Dr. Sunita Tandulwadkar, Dr. Parag Biniwale, Dr. Garima Kachhwa, Dr. Aparna Sharma, Dr. Narendra Malhotra, Dr. Jaideep Malhotra, Dr. Laxmi Shrikhande, Dr. Neerja Batla, Dr. Anita Singh, Dr Sonia Malik, Dr P. K. Shah, Dr. Kavita Bapat, Dr. Revathi, Dr. Vineet Mishra, Dr. Ashish & Dr Sadhana Gupta and many many more.

Under my Vice presidential tenure we started project of streamlining the functions of fogs societies and make the uniform structure all across India with aim of **Every society to Prepare constitution, Have PAN No, Register, Hold elections regularly, Attend FOGSI managing committee, Antiviolence against doctors core team and Conduct Regular CME/ Workshops/ Annual Conference Work done.** We have reached 235 societies through mail and 150 societies updated amongst the societies allocated to me Amravati, Yawatmal, Nagarcoil and Jabalpur won the outstanding prizes during this tenure at AICOG 2017. I had the fortune to communicate all my societies’ assigned 57 societies.

I was been fortunate to be an expert in **Five GCPR** on very important clinically relevant subjects, out of which AUB GCPR completed another two one on Anemia and Prenatal conception care and endometriosis.

Four committees under my VicePresidentship **Infertility Committee - Chairperson Dr Sonia Malik, Reproductive Endoscopy Committee- Dr Anita Singh , Oncology Committee- Dr Neerja Bhatla , International Exchange Committee– Dr.Rajendra Sankpal and Food & Drug**

Committee – Dr Ameya Purandare

- **Dr. Sonia Malik** Infertility Committee Chairperson did Standardizing of training programme Activity, selection & Revisit, Standard FOGSI Infertility Training Curriculum, Publications. Newsletter, Textbook on Ovulation Induction, Webinar, Workshops IUI, High Risk Pregnancy, Tuberculosis : SOP for endometrial Biopsy & PCR (Micro + Gynae)
- **Dr Neerja Bhatla** Chairperson Onchology Committee is done two very innovative programmes one Leadership Training in Colposcopy and Advocacy for Cervical Cancer Control, April 4-5, 2016, New Delhi and second was Cadaver Dissection and Training in Gyn. Oncology (CaDGO), future planned activities Standardization of Colposcopy Training, FOGSI Gyn. Oncology Conference, July 30-31, 2016, Goa, Improving advocacy and awareness (in collaboration with American Cancer Society), working with schools, colleges and the community, FOGSI-FIGO Conference, Pune, June 24th, 2016 - Masterclass with FIGO Gyn. Oncology Committee
- **Dr Ameya Purandare** Chairperson Food & Drug Committee has conducted four CME s and future planned activities are “UPDATE IN OBSTERICS AND GYNAECOLOGY 2016” CME’s to continue all over India. “Managing key challenges in Pregnancy ” CMEs, “Smart Diet for Teens” ,Collaboration with the Bureau of Indian Standards (BIS) for standardization of Indian Standards for equipment in Obstetrics, Gynecology and Family Planning.
- **Dr. Anita Singh** Chairperson Endocrinology Committee has planned Workshops & CME on Gyn. Endocrinology, Newsletter of her committee. One day Mini Conference on “Hormones & Women’s Health”,Public Awareness “Hormones & Women” Hysteroscopy in AUB workshops.
- **Dr. Rajendra Sankpal** Chairperson International Exchange committee has conducted Endoscopy workshops Neighboring countries, Hysteroscopy & Lap Workshop, AAGL International Conference June 2016, Conducted H’scopy workshops at Raipur Medical College, 19th March, Conducted Endoscopy Training Course for Cambodian Gynecologists 3-8, April 2016 in Mumbai, Future Collaboration with Srilankan college of Obgyn European society of gynecological endoscopy (ESGE) 2017.

All committees under me did extraordinary academic activities

I was been assigned as a Vice president in charge of the conference “High Risk Pregnancy Obstetrics Sonography Modern Technology” on 18-20th March 16 at Aurangabad. Conference had Two Precongress Workshops on High-risk pregnancy and Live Ultrasonography which was full packed and very successful conducted at MGM medical college, Aurangabad. Two days scientific programme was been appreciated by all delegates and it was interactive with audience

participation in main focus Over 500 delegates and over 50 faculties attended the conference.

Dr. Rajendrasingh Pradeshi President Aurangabad OBGYN, Chairperson of the conference along with Secretary Dr Ajay Mane and their entire Team of organizing committee worked very hard, with sincerity for the conference. Fogsi specially acknowledge their efforts and congratulated them for the successful conference.

My second Assignment was as an Organizing Secretary "GOAL Conference" On 9th & 10th April 2016 at Delhi Aerocity. Over 700 delegates attended the conference was a huge success under the leadership of our FOGSI President Dr. Prof Alka Kriplani, Dr. Garima Kachhawa was the conference convenor was the pillar of the conference along with entire Team of AIIMS OBGYN department, who made this successful conference reach to destination. Two days scientific delebarations were mix & match of all OBGYN clinically relevant subjects which every delegate enjoyed thoroughly.

I have been given the responsibility as a Vice President Incharge and Organizing Chairperson in Mega Conference **FOGSI-FIGO Conference** on Best Practices, Breakthroughs & Current Dilemmas was held in Pune and Pune OBGYN society hosted this prestigious conference on 24th, 25th & 26th June 2016 at Hotel Westin. Pune with overwhelming response all across country 1500+ delegates attended the conference. The conference had 6 pregress Courses, 3 hands on skill stations and 2 full day FIGO workshops on 24th June 2016. 25th and 26th June are going to be main scientific delebarations involves 6 round table discussions for delegates with experts to come out statements on Best Practices on different topics like RPL, LNG IUS System, Electronic Foetal Monitoring, Gonadotrophins, Endoscopy & Contraception. 24 Guest Lectures, 6 Keynote addresses, 4 Orations, 30 current clinical dilemmas, 12 panel discussions, specially designed by Dr. Prof Mehendale Savita and executed by Dr. Parag Biniwale and all the convenors of the workshops. Two public programmes, one on adolescent awareness on PCOS and HPV Vaccination and second on FIGHT Diabetes to prevent Epidemics in India. Conference had Grand inauguration with Chief Guest Governor of Maharashtra, Hon Shri Vidyasagarji on 25th June.

Other than academics we had Maharashtra Culture event "Maharashtra Tadka" on 24th June eve with participation of all FOGSI Society Members. We had many first to start from this conference and had wide media coverage in Times of India, Sakal Times, Indian Express, Maharashtra Times, Lokmat, Pudhari, Prabhat, Samana, Aaj Ka Aanand, Docplexus, highlighting the work of FOGSI.

For first time we came out with 'FOGSI-FIGO Compendium' after the conference and presented to FIGO office. This conference became a

landmark as FOGSI-FIGO BBC. Prof C. N. Purandare and Prof. Alka Kriplani were our inspiration for this blockbuster Mega event in Pune. Pune OBGYN President Dr. Charuchandra Joshi, Vice Presidents Dr. N. Shrotri and Dr. Sunita Tandulwadkar and Secretary Dr. Pankaj Sarode and the entire organizing Team worked very hard to make this conference memorable event in the history of FOGSI. POGS presented the Accounts of the conference to FOGSI & FIGO in the month of sept. In the managing committee with handsome surplus amount to FOGSI & FIGO.

In the month of July Focussed Conference on Gyne Onchology in GOA held on 30th & 31st July 2016, Dr Neerja Batla, Chairperson Onchology Committee and Dr Priya Ganesh are going to be the pillar of the Conference under my Vicepresidentship with Panjim OBGYN society

Again even for this focused conference we had 500 plus delegates with lot of take home messages and streamlining for the colposcopy training module with meeting all FOGSI Colposcopy training centers experts.

- In total this year under my leadership as a Vice President West Zone we successfully conducted major conferences Like High Risk Pregnancy, Obstetrics Sonography Modern Technology, Aurangabad, FOGSI-FIGO BBC, Pune, Gynaecology Onchology, Goa, GOAL 2016, Delhi & Udaypur, GE Summit, Mumbai, Endometriosis, Trichy, FEBCON, Jaipur.
- We had another interesting academic activity names " FOGSI-BAYER Certification Programme " on 1. Contra caption- 2 PCOS- 3- AUB, in which we could reach for COC-16 Programs with over 940 doctors, PCOS- 9 Programs with Over1035 doctors, AUB-32 Programs with over 1600 doctors

Other than this we had many Different workshops, CME, Webinars

I was fortunate to represent as a gynecologist amongst 16 Endocrinologist from all across India. 4th January 2016 in Anaemia & Metabolic Syndrome Postion Statement: JAPI which is going for publication in the Journal of Association of Physicians of India

Just looking back with contended soul as an academician and true FOGSIAN I had fortune to deliver 8 Orations, 25 Key note addresses, 12 Panel Discussion. As a Moderator, 20 Guest Lectures 2 International Guest Lectures, 5 Awareness Talks, 4 societies. Installation Office and 5 Chief Guest. Society's Annual Conference.

At the end I would like to Thank you one in all who has been with me in this Journey throughout.

And humbly requesting you to keep me blessed in your PRAYERS always.

Prof. Ashis Kumar Mukhopadhyay, Vice President - 2016

November- OGSSICON 2016 at Chennai on 11.11.2016. Yuva ISAR at Kochi on 12 to 13.11.2016. GCPR meeting at Delhi on 03.12.2016. Surat CME on 11.12.2016.

International Program

Bengaluru CME on 03.07.2016. FOGSI-SAFOG Endometriosis Committee Programme.

Public Programs

Chettiyar Sangam Public Programme on 14.06.2016. Endometriosis Awareness Program on 22.07.2016. There was a Mega Endometriosis Awareness Program conducted on 22.07.2016. A rally was conducted 1500 students participated. Endometriosis Awareness for the women of Trichy on 22.07.2016. Representatives from 24 Women Associations participated. Around 200 women participated.

Genetic & Foetal Medicine Committee

Chairperson : Dr Pragya Mishra Choudhary

Vice-President Incharge : Dr Revathy Janakiram (2016)

Senior Advisors : Dr Narendra Malhotra (Agra), Dr Dipika Deka (Delhi), Dr S. Suresh (Chennai), Dr

Kushagradhi Ghosh (Kolkata), Dr Prashant Acharya (Mumbai)

Zonal Coordinators : North – Dr Mandakini Pradhan (Lucknow), South – Dr Prathima Radhakrishna (Bengaluru), East – Dr Seetha Ramamurthy Pal (Kolkata), West – Dr Madhusudan Dey (Pune)

Members : Dr Shipra Roy (Patna), Dr Mamta Singh (Patna), Dr J P Mour (Guwahati), Dr Rajeshwari Pawar (Pune), Dr Shantala H. Vadeyar (Mumbai), Dr Aparna Kulkarni (Pune), Dr Anita Kaul (Delhi), Dr Vandana Chaddha (Delhi), Dr Aparna Sharma (Delhi), Dr Malathi Prasad (Trichy), Dr Chinmayee Rath (Hyderabad), Dr Anitha Shettikari (Bengaluru), Dr Vatsla Dadhwal (Delhi), Dr Manisha Madhai Beck (Vellore), Dr Supriya Jaiswal (Patna)

Objectives of the Committee

1. To update FOGSI members with the clinical advancements in Genetics & Foetal Medicine by arranging CMEs and Symposiums in member societies in order to optimise clinical practice
2. To train the interested ones with preconception and prenatal diagnostic testing and therapy with the help of workshops and training courses involving members of the committee
3. To prepare standard guidelines for issues in foetal medicine thus helping in setting uniform standards of care.
4. To liaise with other societies like ISOPARB, SOFM, ISPAT which will serve as a platform for exchanging clinical ideas.
5. To encourage fellow Fogsians to take up research which will help to attain better standards of care for the fetus in utero
6. To motivate obstetricians in smaller towns to set up preconception clinics
7. To help the society as a whole by reducing the incidence of birth defects which pose a huge social and economic burden

Academics & Training

1. Symposium on Foetal & Maternal Medicine – 14th May, Poorvam 2016, Bhuwaneshwar.
2. CME – 11th June, 2016, Patna Thyroid & The Foetus.
3. Foetal Medicine Workshop – 24th June, 2016 – FOGSI-FIGO, Pune.
4. CME – 10th July, 2016, Patna Foetal Anomaly Detection.

5. ICOG CME on Foetal Medicine – 22nd July, 2016 – Trichy.
6. CME – 14th August, Patna - Prenatal Usg In Nutritional & Related Anomalies.
7. CME – 14th August, 2016, Katihar Foetal Growth Restriction.
8. Workshop On Diagnostic & Therapeutic Procedures In Foetal Medicine – 9th September, Kolkata, SOFM Conference.
9. Workshop in Vadodara along with ISOPARB Mid-Term CME – 17th September 2016.
10. Workshop in Allahabad – 21st October 2016 SAVMA 2016.
11. FETUSCON 2016 Workshop in Jabalpur – 6th November 2016 Organised by JOGS.
12. Symposium on Foetal Medicine – 17th December 2016 Yuva FOGSI- Burdwan.

Advocacy

1. Met with obstetricians from peripheral areas of Bihar such as Ara, Bhagalpur & Bihar regarding the setting up of preconception clinics in their districts.
2. Met with members of IMA Bihar branch to discuss raising of funds for essential preconception screening tests.

Research

Ongoing (by Myself)

1. Randomised Controlled Trial to Study the Role of L Arginine in Improving Obstetric Outcome in Cases of Recurrent Pregnancy Loss of Idiopathic Origin.
2. Prospective Observational Study to Correlate the Levels of PAPP A and the Obstetric Outcome

Completed (by Dr Madhusudan Dey)

1. PLGF & PAPP A as Marker for Preeclampsia
2. Aneuploidies in IVF
3. Effects of Multifetal Pregnancy Reduction

Publications

1. Correlation of Maternal Autoantibodies with Fetal Congenital Heart Block in JOGI – Lt. Col. Madhusudan Dey.
2. Maternal Factors Associated with Late Preterm births' in the International Journal of Contemporary Medical Research – Lt. Col. Madhusudan Dey.
3. Pyrexia without Rash in Pregnancy' in FOGSI FOCUS on Infections in Obstetrics & Gynaecology – Seetha Ramamurthy Pal.

HIV AIDS Committee 2016

Chairperson: Dr Madhuri Chandra

Vice President in Charge: Dr Vineet Mishra

Membership of committee: Resource Persons: Drs CN Purandare, PK Shah, Suchitra Pandit, Gokul Das, Laxmi Srikande, Sarita Agarwal, BB Rewari,

Atul Munshi.

Members: Drs Alok Vasistha, Anahita Chauhan, Anjali Soni, Archana G. Singh, Archana Mishra, Aswath Kumar Raghu, Bhuvni Tandon, Charu Mittal, Chitra Jain, Dilip K Dutta, Durga Shanker Dash, Gajendra Kant Tripathi, Hemali Sinha, Hemlata Jai Shobane, Indranil Dutta, Juhi Agarwal, Jyoti Agrawal, Jyoti Mishra, Jyoti Modi, Kavita N Singh, Meena Armo, Meena Bhargav, Meeta Agarwal, Monika Jain, MG Hiremath, Nabanita Deka, Neena Gideon, Nilesh Dalal, Nita Mishra, Poonam Mathur, Pratibha Rai, Rachna Dubey, Rekha Ratnani, Riddhi Shukla, Ruchi Kalra, Sandhya Chhasatia, Sandhya Gadre, Sangeeta B Kamra, Sanjay Swain, Saswati Choudhury, Savita Chandra, Shraddha Agarwal, Srilatha Sivalenka, Sunita Jha, Susheela Rani, Uma Singh, Urmila Tripathi, Varuna Pathak, Vineet Mishra, Vinita Bahel.

Orientation program for IEC Resource persons by MPSACS, 22 July'17

Oncology & Trophoblastic Tumours Committee

Chairperson : Dr. Neerja Bhatla

The Committee has 9 prominent advisors comprising mainly of past presidents and former Committee Chairpersons. The committee has 24 active members and is also represented by the 17 FOGSI recognized training centers in colposcopy.

Slogan: We Wipeout, Win against Women Cancer by 30 % in 3 Years! (3 W by 30% in 3 years)

To achieve this Goal: • C = Community service and camps for early screening; • A = Adolescent girls for HPV Vaccination; • N = News & media; • C = Chemotherapy; • E = Eradicate myths, taboos; • R = Research, Innovations in Gynaecologic Oncology; • S = Surgical oncology training by/for FOGSI members.

Main Areas of Activities of Oncology Committee

- **Conducted nationwide activities to enhance cancer awareness;** 1. Workshops and CMEs – 21; 2. Camps & Public Awareness Programmes – 41
- **Ongoing work of Colposcopy Training Centres – 17 Centers**
- **New Initiatives:** 1. National Breast and Cervical Cancer Week, March 4-11, 2016; 2. Leadership Training Programme in Colposcopy and Advocacy for Cervical Cancer Control – April 3-4, 2016; 3. Cadaver Dissection Programme and CME in Gyn Oncology – First time under aegis of FOGSI, April 23-24, 2016

Workshops and CMEs: This year nationwide 21 CMEs and workshops were conducted and > 800 participants were trained in various techniques to enhance their skills. A new Gynocular Training Course was conducted in Delhi on 9th November 2015 and practical demonstration and Hands on training was imparted to 20 participants who came to attend the course from different states. Need for training para medical workers and technicians was perceived and 2 training courses to train para medics were conducted and > 85 technicians were trained in various techniques including Colposcopy and VIA.

Awareness about upcoming developments in the field needs to be disseminated and therefore CME on HIPEC for management of ovarian cancer and primary peritoneal cancer was conducted and practical demonstration of the technique was done. Many Hands on Courses were conducted and participants were encouraged for enhancing practical skills.

Camps and Public Awareness: This year an initiative was taken by committee members to improve the awareness activities and this led to conduction of 48 activities across the nation in form of camps, public forums, public lectures and these were attended by public, paramedical staff, students and faculty members. In Chennai and Delhi

television talks were also conducted for wide spread dissemination of the importance of HPV vaccine and screening. The College students were involved and were sensitized regarding requirements of cervical cancer vaccine and screening.

National Breast and Cervical Cancer Awareness Week – 4 March to 11 March 2016; The activities were done to improve awareness about HPV vaccine, screening. Many major hospitals and teaching institutions participated in this initiative, notable activities were conducted by Delhi, Mumbai, Chennai, Kolkata, Patna, Lucknow, Rewa, Amravati, Thane, Bengaluru, Cuttack and Madurai. 100 activities were organized, approximately 350 resident doctors participated and > 1000 women were benefitted by public lectures, interactive discussions, screening services. A competition was declared with prizes for best performance from Category A, B and C societies. Good participation from many societies for screening camps, awareness programmes, walks, etc. After observing the overwhelming response of doctors and participants, it was decided by members that such activity should continue annually.

Leadership Training in Colposcopy and Advocacy for Cervical Cancer Control, was organized by AIIMS New Delhi on April 4-5, 2016. : For the first time a meeting of all stakeholder societies including FOGSI Oncology Committee, ISCCP and AOGIN-India, with technical inputs from IARC and IFCCP, as well as American Cancer Society and RTI International. International Faculty were Dr. Walter Prendiville, Dr. Margaret Cruickshank, Dr. Partha Basu, Dr. Suneeta Krishnan. 30 senior national representatives participated. This can pave the way for developing standardised improved curriculum for colposcopy training and advocacy for improving awareness and participation

Cadaver Dissection and Training in Gyn Oncology (CaDGO), CTRF, AIIMS, New Delhi, April 23-24, 2016 ; To enhance training and improving surgical skills, First program in cadaver dissection by any FOGSI committee was organized at AIIMS, New Delhi. Focus on radical procedures for ovarian cancer including retrograde hysterectomy, total omentectomy, pelvic and para-aortic lymphadenectomy, liver mobilisation, peritonectomy, diaphragmatic stripping, splenectomy, bowel resection anastomosis, etc. Guest Faculty:

Dr. Somashekhar from Bangalore and Dr. Asima M from Kolkata. 22 hands-on and 14 observers participated in the programme which was a grand success – one of the largest cadaver programmes.

Publications: A number of articles, journal reviews, textbook chapters and CME material have been published by the members of the Committee. The highlights are: ■ Dr. Radha Bai Prabhu published an article on “Opportunistic Cervical Cancer Screening in Pregnancy” in the International Journal of Medical Research and Health Sciences, 2016; 5 (1): 278-281 ■ “Practical Approach to Cervical Cancer Screening Techniques” by Dr. Radha Bai in 2015 (Jaypee Medical Publishers) “Uterine cancer- Diagnosis and Management”, editors Dr. Shalini Rajaram, K. Chitrathara, Amita Maheshwari, released Oct 2015, publisher :Springer.

Medical Termination of Pregnancy Committee 2016

Chairperson : Dr. Shyamal Sett

Vice President In Charge : Dr Asis Kumar Mukhopadhyay

Advisors : Dr. P. C. Mahapatra, Dr. Suchitra Pandit, Dr. Prakash Trivedi, Dr. Nozer Sherier, Dr. S. Shantha

Kumari, Dr. K. D. Bakshi, Dr. Pradip Kumar Mitra, Dr. Krishnendu Gupta, Dr. Asis Mukhopadhyay, Dr. Sukanta Misra, Dr. Jaydeep Tank, Dr. Bhaskar Pal, Dr. Atul Ganatra, Dr. Basab Mukherjee

Members: Dr. Vinita Singh, Dr. Alok Sharma, Dr. Yasodhara P Reddy, Dr Ruchi Pathak, Dr. Uma Pandey, Dr. Biswajyoti Guha, Dr. Dipanwita Banerjee, Dr. Rajasis Majumder, Dr. Sandip Sengupta, Dr. Selva Priya, Dr. Shivani S Gaur, Dr. Ritu Santwani, Dr. Seema Pandey, Dr. Rakhi Singh, Dr. Pushpa Kaul, Dr. Alpana Chhetri, Dr. Sudhir Shah, Dr. Sheetal Kulgod, Dr. Kusunlatha Singhal.

Keeping in mind, the WHO/CAC GUIDELINES on SAFE ABORTION SERVICES and the MTP Rules & Regulations , I have made a manual of " Brief basics of safe abortion services" . This would benefit all of us and it has also been mailed to all the Societies. This would increase the awareness of all our members, help them to avoid any legal issues in their practice. I am ready to travel in case if any society wishes to invite me. I have also sent a similar mail to the FOGSI office - *DOs and DONTs OF MTP Act*

FOGSI / DKT - GYAN-VARSHA CMEs involves MTP, Family Welfare, and Reproductive Endocrinology Committees obtained 5 ICOG Credit points per CME / prepared a module of PRESENTATIONS and PANEL discussions during the CMEs which would include both National

- Quiz on Gynec Oncology was conducted by Dr. Jyothika Desai

Yuva FOGSI East Zone Conference December 2016

Yuva FOGSI East Zone Conference 2016 was held on 16th, 17th and 18th December, 2016 at Sinclair Resort and Burdwan Medical College, Burdwan, West Bengal, organised by Barddhaman Obstetric and Gynecological society under the auspices of FOGSI in presence of more than 350 delegates (200 young talents) from 25 cities and towns all over the east zone of India.

The **Conference President** was Prof. Dr. Alka Kriplani, the **Organizing Chairperson**- Dr S. K. Das and **Organizing Secretaries**- Dr. (Prof) Amitava Pal and Dr Sankar Prasad Roy Choudhury. The inauguration of the conference was conducted by Prof. Dr Bhabatosh Biswas, the Vice -Chancellor of the West Bengal University of Health Sciences. The workshops on Endoscopy, Sub Fertility and Operative Obstetrics were also effective.

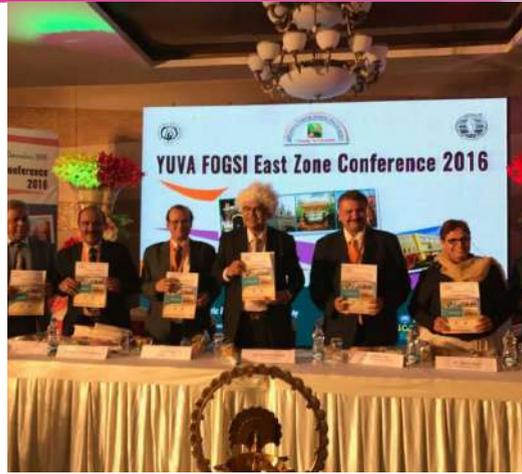

The August gathering of ten foreign delegates from London and Canada enriched our conference by their views and opinions and conducted Sub Fertility Workshop. Different Stalwarts of India and abroad delivered

the key note lectures. A lot of scientific discussion was conducted by different national faculties during these 3 days programme with special reference to plenary ICOG session by Dr Sadhna Gupta, Dr. P. K. Shah, Dr. Hiralal Koner and others.

The special attraction of the conference was Yuva FOGSI oration by Dr Indranil Dutta (Kalyani), Yuva FOGSI Quiz and free paper session where 35 young talented doctors presented their papers and another 16 young stars participated in poster session. Adolescent awareness programme was also included in the conference theme where 100 school girls participated. To refresh the soul and mind of delegates a lively cultural evening was conducted at Barddhaman Club after the scientific events.

We thank Prof. Dr. Ashis Kumar Mukopadhyay, Vice President East Zone FOGSI, Dr. Basab Mukherjee and Dr. Sandip Mukherjee for their advice and suggestions. Lastly, Special thanks to Dr. Jaydeep Tank, the Deputy Secretary General for his kind presence and active participation in the conference.

YUVA FOGSI ACTIVITES - 2016

FOGSI Project Reports - 2016-17

Report of EmOC Project by Dr. Prakash Bhatt

Since 2006 FOGSI/ICOG has been conducting the EmOC program in partnership with Government of India – Ministry of Health and Family Welfare, the respective State health & family welfare departments and Avni. The purpose of the program has been to train MBBS doctors in comprehensive obstetric management, whom the State health department may then post at FRUs, delivery points, 24x7 PHCs so as to attend the emergencies relating to pregnancies and child birth, thereby prevent the maternal and infant deaths and thus help in reducing the MMR and IMR in the medium and long terms. Recently FOGSI managing committee had decided that the long running EmOC program should be taken over by Government of India (GOI), accordingly GOI has decided to make the States more accountable for the EmOC training given that FOGSI has already set the training and systems for the smooth conduct of the program. Government of India is encouraging States to initiate the EmOC program implementation on their own using the set ups created by FOGSI/AVNI. As such after September 2017, Government of India and the States will be conducting EmOC program on their own.

In the year 2016 – 2017, 62 medical officers have been trained in EmOC and 10 additional master trainers have been created for the program. Cumulatively, through the EmOC program 5 nodal training centers, 34 tertiary training centers have been setup, 231 master trainers and 403 district hospital trainers have been created who have trained a total of 1824 medical officers in EmOC.

Report of FOGSI FIGO PPIUCD Project by Dr. Hema Divekar

In 2015, FOGSI in partnership with FIGO and Ministry of Health and Family Welfare, Government of India began implementing the Institutionalization of immediate Post-Partum IUCD services program. The program holds tremendous importance as it is in line with GOI's new strategic direction to not only achieve population stabilization but also to reduce maternal, infant and child mortality.

GOI's redesigned focus is on spacing methods, especially, IUCD (both post-partum and interval). In phase one the PPIUCD program was launched across six centers located in four States of our country. The program aims to achieve the following objectives 1) To incorporate postpartum IUCD services as a routine part of antenatal counselling and delivery room services in India, resulting in increased use of postpartum IUCD services by women delivering vaginally or by caesarean section in the participating centers 2).

All health providers trained in provision of PPIUCD services and continuing to work in antenatal and delivery room services to provide PPIUCD services and 3) Health providers who have been trained but rotate to other facilities continue to provide PPIUCD services. Program management, planning and implementation support for PPIUCD program is being provided by FOGSI's long-time partner Avni.

In 2016-17, we had three very successful learning cum audit visits by the teams from FIGO HQ. PPIUCD Chief, Sir Prof. Sabaratnam Arulkumaran, former President, FIGO led two such visits to the Nair, Wadia and GMC Surat PPIUCD centers. An annual PPIUCD review meeting was conducted in Pune in June 2016 to take stock of our achievements and decide on the way forward. We participated in a big way at the ACOG Ahmedabad conference and showcased our work to a large audience.

As on date all the six centers put together have counselled 38180 pregnant women, delivered 39,536 women and inserted a PPIUCD in 10134 women, through the support of 781 healthcare providers who have been trained for the same through the PPIUCD program. The six centers include, Government medical college – Surat, Topiwala National Medical College & B. Y. L. Nair Charitable Hospital– Mumbai, The Nowrosjee Wadia Maternity Hospital – Mumbai, College of Medicine & JNM Hospital – Kalyani, JSS medical college and hospital – Mysuru and Chittaranjan Seva Sadan Women's Hospital – Kolkata.

Report of Indian College of Obstetricians and Gynaecologists

(ICOG) of FOGSI (April 1, 2016 to March 31, 2017)

The chief objectives of ICOG Activities were to promote education, training and to spread knowledge in the field of Obstetrics and Gynaecology and to popularize the ICOG nationally and internationally. In keeping with this, the main activities from April 2016 to March 2017 were as follows:

1. Combined MICOG-MRCOG Part 1 examination:

The 8th Refresher course in preparation for the September 2016 exam was held at the FOGSI Office from 9 to 11 Jul 2016, with 36 candidates. Dr. Matthew Mc Kernan was the RCOG faculty and National faculties were Dr. S. Shantha Kumari, Dr. Krishnendu Gupta, Dr. Bhaskar Pal, Dr. Suchitra N. Pandit, Dr. Mala Arora, Dr. Reena Wani, Dr. Sarita Bhalerao, Dr. Parikshit Tank, Dr. Hiralal Konar and Dr. Chinmayee Rath guided all candidates. At the exam in September 2016 held at Bangalore and Delhi centres, 15 of the 36 candidates passed.

The 9th Refresher course in preparation for the March 2017 exam was held at the FOGSI Office from 5 to 7 Feb 2017, with 24 candidates. Dr. Neelanjana Mukhopadhyay was the RCOG faculty and National Faculties were Dr. Mala Arora, Dr. Krishnendu Gupta, Dr. Suchitra N. Pandit, Dr. Bhaskar Pal, Dr. Sarita Bhalerao, Dr. Parikshit Tank and Dr. Zennie Girn for their guidance & conducting the course successfully. At the exam in September 2016 held at Kolkata and Mumbai centres, 15 of the 24 candidates passed.

2. Combined MICOG-MRCPI Part 2 examination:

The 3rd Refresher Course was attended by 3 candidates at the FOGSI Office under the guidance of Dr. Suchitra N. Pandit, Dr. Bhaskar Pal, Dr. S. Shantha Kumari and Dr. Geetha Balsarkar who conducted the course. The theory exam was held at the FOGSI Office on 7 Sep 2016 for 7 candidates. The theory exam was conducted by Ms Regina, RCPI Examination Head and Dr. Madhuri Patel, Dr. Suvarna Khadiolkar, Dr. Geetha Balsarkar. The Clinical/OSCE examination was cancelled due to inadequate number of candidates.

It is proposed that MRCPI exams will be held twice in India. In keeping with the shift to single best answer format at the College, the next written examination will be held on 6 Sep 2017 at Mumbai via Computer Based Testing. The Clinical/OSCE examination is proposed to be held in Mumbai in November 22, 2017.

3. Result of ICOG Election for the year 2017 are as follows:

Chairperson Elect, ICOG – Vacant

Vice Chairperson Elect, ICOG - Dr. Uday Thanawala, Navi Mumbai

4. ICOG Certificate Course:

Five new centres were recognized for ICOG Certificate course in Reproductive Medicine of Dr. S. Krishnakumar, Mumbai, in Gynaecological Endoscopy of Dr. Manjula Anagani, Hyderabad, Dr. B. Ramesh, Bangalore, Dr. Adarsh Bhargava, and Jaipur and in Fetal Medicine of Dr. Prashant Acharya, Ahmedabad.

July 2016:

S r . No.	Certificate Course in	Examination date	Examination Centre	Examiners
1	Reproductive Medicine	July 3, 2016	Dr. Jayam Kannan, Chennai	Dr. Purnima Nadkarni, Surat Dr. S. Krishna Kumar, Mumbai
2	Gynaecological Endoscopy	July 3, 2016	Dr. Rahul Manchanda, New Delhi	Dr. S. Shantha Kumari, Hyderabad Dr. Prakash Trivedi, Mumbai
3	Ultrasonography	July 2, 2016	Dr. Prakash Trivedi, Mumbai	Dr. Niranjana Chavan, Mumbai Dr. Krishnendu Gupta, Kolkata

Total 49 candidates in all certificate course appeared the examine and the top candidates in each certificate course were Dr. Rekha Rajendrakumar, Bangalore and Dr. Sagar C. Mehta, Gujarat and called them for felicitation at the time of ICOG Convocation was held at Ahmedabad AICOG 2017.

January 2017:

Sr. No.	Certificate Course in	Date of Examination	Name of Centre	Examiners
1	Reproductive Medicine	January 4, 2017	Dr. Jaideep Malhotra, Agra	Dr. Narendra Malhotra Dr. Jayam Kannan
2	Gynaecological Endoscopy	January 8, 2017	Dr. Rahul Manchanda, New Delhi	Dr. S Shantha Kumari Dr. Prakash Trivedi
3	Ultrasonography	January 6, 2017	Dr. Prakash Trivedi, Mumbai	Dr. P K Shah Dr. Geetha Balsarkar

Total 55 candidates in all certificate course appeared the examine and the top candidates in each certificate course were Dr. Pallavi Gupta, Jhansi, Dr. Priti A. Ghope, Buldana, Dr. Dipeekaben N. Singhavi, Ahmedabad and will call them for felicitation at the time of ICOG Convocation to be held at Bhubaneswar AICOG 2018.

5. Report on 2nd ICOG FOGSI Conference at Hyderabad on August 27-28, 2016:

The theme of the conference was Fertility Regulation and Women's Health. It was attended by 700 delegates and was a grand success. There were about 180 national faculty members. The orators at the Conference were Prof. C. N. Purandare, Dr. Alka Kriplani, Dr. Dilip Kumar Dutta and Dr. Krishnendu Gupta. Besides the excellent scientific discussions, the conference was notable for the social initiative called DHEERA – Break the Silence, End the Violence. It gave a call to end violence against women with a public forum, cyclathon. 300 members of the lay public participated. It was well attended by FOGSI dignitaries including Prof CN Purandare, President Dr. Alka Kriplani, Dr HD Pai and important officials including Ms. Swati Lakra, Additional Police Commissioner, Dr. Laitha Kumarmangalam, National Commissioner and Dr. Tripurama, State Commissioner for women and Lavanya Tripathy, Cine Actress. ICOG Sessions were successfully conducted at all zonal YUVA FOGSI conferences ie. At Rajkot, Ghaziabad, Madurai, Bardhman. Dr. Vinita Das, Lucknow and Dr. Parimala Devi, Bangalore have been selected as ICOG Visiting Professors for the year 2016. Dr. Vinita Das visited Hyderabad Medical College between Oct 3-8, 2017 and Dr. Parimala Devi planned to visit Tirunelveli Society. Dr. C. S. Dawn Guest Oration was delivered by Dr. Dilip Kumar Dutta, Imm. Past Chairperson at Hyderabad during 2nd ICOG FOGSI conference on Aug 27-28, 2016. Dr. Sushil K. Giri, Cuttack delivered the Dr. Usha Saraiya Guest Oration for the year 2016 at Hyderabad on November 13, 2016 which was well appreciated. Dr. Monika Gupta, New Delhi was selected for ICOG Emcure Travel Pharma Scholarship and did training in advanced ART at Dr. Jaideep Malhotra's, Agra centre. She was conferred the certificate and fellowship amount during 60th AICOG 2017 at Ahmedabad.

12. Website:

ICOG website is fully updated and all activities are uploaded.

13. ICOG Branding Merchandise:

Designed by Dr. Jaideep Malhotra and is another step forward in branding our college and the following items are available from FOGSI-ICOG office: Ties, lapel pins, Tie pins and Key rings for all FOGSI members.

14. ICOG-Academic council:

There were two meetings happened during the year and Dr. Atul Munshi is the Incharge of the Academic council. The main purpose of Academic Council was to streamline and facilitate the smooth working of ICOG Certificate courses as well as other academic activities of ICOG.

15. ICOG FOGSI MEDHA Post Graduate Teaching Program:

FOGSI ICOG MEDHA Post Graduate Teaching Program has been started in the year 2016 with the support of Sun Pharmaceuticals Ltd. Interactive, case based and exam oriented discussions with students are planned. The program has been conducted at King George's Medical University, Lucknow (3-4 Sep, 105 candidates), NRI Medical College, Guntur (10-11 Sep, 230 candidates) and Baroda Medical College (10-11 Sep, 51 candidates). Programs are planned in Pondicherry, Hyderabad, Aurangabad and Mysore.

16. EMOCs REPORT BY DR.PRAKASH BHATT:

The EMOc program of the FOGSI/ICOG in partnership with Government of India – Ministry of Health and Family Welfare, State Health and Family Departments and AVNI is ongoing since 2006. In the year 2015 – 2016, 94 medical officers have been trained in EmOC and 12 additional master trainers have been created for the program. Cumulatively, through the EmOC program 5 nodal training centers, 34 tertiary training centers have been setup, 221 master trainers and 403 district hospital trainers have been created who have trained a total of 1763 medical officers in EmOC.

17. ICOG Campus to ICOG E-Newsletter:

Under the leadership of Dr. Mala Arora, Chairperson ICOG, the first issue was uploaded to the ICOG website in February 2017. The Editor was Dr. Monica Gupta and the issue was dedicated to “Non Invasive fetal testing”.

ICOG ACTIVITIES

Report of the Journal of Obstetrics & Gynecology of India - 2016

Dr. Gautam Allahbadia
Editor

Dr. Arun Nayak
Secretary & Manager

On behalf of the Editorial Board, I submit the Annual Report of the working of the Journal for the year 1/1/2016 to 31/12/2016.

MEMBERS OF THE EDITORIAL BOARD:

Dr. M. N. Parikh	Emeritus Editor
Dr. Adi E. Dastur	Emeritus Editor
Dr. C. N. Purandare	Emeritus Editor
Dr. Gautam Allahbadia	Editor
Dr. C. V. Hegde	Associate Editor
Dr. Suvarna Khadilkar	Joint Associate Editor
Dr. Geetha Balsarkar	Assistant Editor
Dr. Madhuri Patel	First Joint Asst. Editor
Dr. Sujata Dalvi	Second Joint Asst. Editor
Dr. Arun Nayak	Secretary & Manager
Dr. Anahita Chauhan	Assistant Secretary
Dr. Sarita Bhalerao	Joint Assistant Secretary

JOURNAL COMMITTEE:

Ex-Officio Members: Dr. Alka Kriplani, President - FOGSI, Dr. Hrishikesh D. Pai, Secretary General - FOGSI, Dr. Jaydeep Tank, Deputy Secretary General - FOGSI, Dr. Garima Kachhawa, Joint Secretary - FOGSI, Dr. Madhuri Patel, Treasurer - FOGSI and Dr. Suvarna Khadilkar, Jt. Treasurer FOGSI.

National Advisory Board Members: Dr. Neerja Bhatla (Delhi), Dr. Bharathi Dhorepatil (Pune), Dr. Krishnendu Gupta (Kolkata), Dr. Anjali Kanhere (Bhopal), Dr. Alka Kriplani (Delhi), Dr. Ashok Kumar (Delhi), Dr. Kalpana Mahadik (Ujjain), Dr. Sheela Mane (Bangalore), Dr. Hara Pattnaik (Cuttack), Dr. Madhu Rajpal (Agra), Dr. Kanan Yelikar (Aurangabad), Dr. Dilip Kumar Dutta (Kalyani), Dr. Tushar Kar (Cuttack), Dr. Navneet Magon (Jorhat), Dr. Jayasree Nayar (Kochi), Dr. Achanta Vivekanand (Warangal)

International Advisory Board: Prof. S. Arulkumaran (UK), Prof. Eytan Barnea (USA), Prof. Howard Carp (Israel), Prof. Claudio Chillik (Argentina), Prof. Philippe Descamps (France), Prof. Ovrang Djahanbakch (UK), Prof. Anuja Dokras (USA), Prof. Victor Gomel (Canada), Prof. M. A. Karimzadeh (IRAN), Prof. Zaid Kilani (Jordan), Prof. Issam Lebbi (Tunisia), Prof. Suresh Nair (Singapore), Prof. Kamal Ojha (UK), Prof. H. N. Sallam (Egypt), Prof. Daniel Seidman (Israel), Prof. Ilan Timor - Tritsch (USA), Prof. Candido Tomas (Finland), Prof. Antoine Watrelot (France), Prof. Igal Wolman (Israel), Prof. Bill Yee (USA)

JOURNAL COMMITTEE MEETINGS:

During the year under review there were three meetings of the Journal Committee: **1.** 13th January, 2016, Agra; **2.** 30th April, 2016, Gurgaon; **3.** 17th September, 2016, Mumbai

EDITORIAL BOARD MEETINGS: During the year under review two meetings of the Editorial Board were held

JOURNAL DETAILS: During the year under review six issues of Volume No.66 of average 124 pages each were published along with two supplement issues of original articles of 582 Pages and case reports of 140 pages. Details are given below.

Volume 66 – Issue 1-6

Issues published	6
No. of pages	488
Editorials	6
Review	3
Mini Review	3
OB-GYN papers	56
Case reports	16
Book Review	4
Instrument Review	3
Short Commentary	2
Original Articles supplement	96
Case Reports supplement	41

Mailing Details of the Journal:

No. of Societies	240
No. of Members	32225
Advertisers	100

Papers received from 1/1/2016 to 31/12/2016 on the Editorial Manager

Papers received during the year	517
Papers rejected	375
Paper withdrawn by author	37
Papers accepted	99
In process	6

The Journal Best paper prize for 2015: The Journal best paper prize for the year 2015 was awarded to

Dr. Javdekar Rutuja (Rajkot): In the junior category for her paper on "Risk of Malignancy Index (RMI) In Evaluation of Adnexal Mass".

FOGSI ACTIVITIES 2017

57TH ANNUAL REPORT

FOGSI Vice President Report - 2017

Dr. Ranjana Khanna - Vice President

My Vice Presidential Year 2017 has been very eventful providing me with plethora of opportunities to make a difference on macro and micro level.

I was committee in charge for the following:

Alongwith **WHO, NACO & SAATHII** and myself as **FOGSI representative** contributed in programming the **EMTCT of HIV and Syphilis** which involved inclusion of the private sector. In **SVETANA** project we teamed with **IAP** to eliminate paediatric HIV upto 5yr. In Lucknow and Delhi, I attended meetings of **FOGSI with Global Health Strategies** for improvement of contraceptive services. I am also involved with **NABH and JHPIEGO in Manyata programme** for quality accreditation of private maternity centres. I went as **NIMC inspector** from FOGSI to Haryana and J&K. I cherished my participation on India Day as panelist at **RCOG London**.

My Vice Presidential conference as **Organizing Chairperson BOH -The Trilogy** was held at Leela, Gurugram in August. We had 550 delegates and 225 faculty. It was a highly appreciated, focussed conference dedicated to Bad Obstetrical History – its prevention and management in all three trimesters. Our conference inauguration was aired on National Doordarshan. Dr Rishma and my interviews were broadcasted. We all (including Dr Rishma, Dr H.D Pai, NACO representative Dr Asha Hedge and SAATHII representative Dr Surendra Yadav) created awareness regarding prevention of HIV and Syphilis through **SVETANA** walk.

NZYFOGSI at Lucknow was under my supervision. 1200 faculty and delegates including several international speakers contributed to make it the grandest Yuva FOGSI ever.

All my committees (Oncology, Adolescent, Endometriosis, Clinical Research, Medicolegal and Mid-life committee) have excelled. I attended meetings of Oncology committee in Mumbai & AIIMS Delhi and GCPR on cervical cancer screening and management is now ready. I presided over Endometriosis Summit Delhi. I reached out to 1500 Adolescents through the Youth Summit at Kanpur. Participated in several camps and rallies under Nari Swasthya Pahal.... *She Matters*

Dr. Bhaskar Pal - Vice President

Societies in charge :

Asansol, Bardhaman, Bengal, Durgapur, Kalyani, Malda, Siliguri in West Bengal; Orissa, Rourkela, North Orissa (Balasore) in Orissa; Southern India, Thanjavur, Theni, Tirunelveli, Trichy, Vellore, Tuticorin in Tamil Nadu; Gangtok in Sikkim; Latur, Loni, Miraj, Malegaon, Nagpur, Nanded, Nashik, Navi Mumbai, Palghar, Pandharpur, Parbhani, Satara, Karad, Kolhapur, Osmanabad in Maharashtra.

Committees in Charge :

Family Welfare, Young Talent Promotion, Public Awareness, Practical Obstetrics, Perinatology and Food, Drugs & Medico-Surgical Equipment Committee

Report of ENDOGYN 2017

ENDOBYN 2017, a FOGSI National Conference in collaboration with the Indian Association of Gynaecological Endoscopists (IAGE), organized by The Bengal Obstetric & Gynaecological Society (BOGS) on March 3-5, 2017 at Hyatt Regency, Kolkata. The theme of ENDOBYN 2017 was "Endoscopy & Beyond". Although the major thrust is on Minimal Access Surgery with live operative workshop on March 3, the scientific deliberations on March 4 and 5 also covered other aspects of gynaecology including reproductive endocrinology, subfertility, ART, imaging, contraception, endometriosis, fibroids and gynaecological oncology. The congress had 620 participants who included six international, ninety four national and one hundred nineteen faculties from the Bengal Society. International Faculties were Dr Andrew Leather (UK), Dr Ed Neale (UK), Dr Hemantha Senanayake (Sri Lanka), Laila Arjumand Banu (Bangladesh), Dr Pravin Nahar (Australia), Dr Premila Kollipara (UK).

On Friday, March 3, 2017, there was an operative workshop transmitted to Hyatt Regency from Apollo Gleneagles Hospital, Kolkata. 3D laparoscopic Surgery was transmitted live. Total eighteen surgeries of a wide variety were demonstrated by renowned endoscopic & other gynae surgeons of the country including Dr Shrish Sheth. The workshop was followed by Plenary Keynote Lectures delivered by Dr C N Purandare, President, FIGO and Dr Shrish S Sheth, Past President, FIGO & FOGSI. The conference was inaugurated by Dr C N Purandare, President, FIGO in the presence of Dr Rishma Pai, President, FOGSI, Dr H D Pai, Secretary General, FOGSI and Dr Rajendra Sankpal, President, IAGE. A USB stick containing video of endoscopic surgeries was released, and the FOGSI Focus on "Infections in Obs & Gynae : Check list for Management". The day ended with members of Team BOGS walking the ramp, followed by cocktails & dinner at Hyatt Regency Lawns.

On March 4 & 5, 2017, the scientific programme included Symposia, Industry Session, Interactive case discussions, Panposium, Keynote Lectures, Capsules/Mixed Bag, Invited video sessions and one open Forum on Medicolegal Issues. There were Twenty One oral & video free communications. Dr Rishma Pai, Dr Rajendra Sankpal, Dr Prakash Trivedi and Dr BN Chakraborty delivered Plenary Keynote lectures on March 4.

In addition to academia, as a part of this conference, a "AWARENESS WALK" was organized on Saturday, March 04, 2017 at 4 pm on the themes "Prevention of Breast and Cervical cancer, Fighting adolescent obesity and Saving the girl child". The walk was started from Hyatt Regency, Kolkata to EZCC, Salt Lake, Kolkata. About 250 college students participated in the walk. Mrs Arpita Chatterjee, renowned actor from Tollywood, flagged off the walk. The students were addressed by Ms Chatterjee, Dr Rishma Pai, Dr Bhaskar Pal and Dr Arup Kumar Majhi.

A gala banquet was held in the evening on Saturday, March 4, 2017 at Regency Ballroom, Hyatt Regency, Kolkata with live music by Harmony.

There was a very vibrant Valedictory session with the prize distribution ceremony for the free communications. Laparoscopic instruments were given away as prizes. **FOGSI FOCUS :**

Infections in Obstetrics & Gynaecology : Checklist for Management was released on March 3, 2017 at ENDOBYN 2017. Editor : Bhaskar Pal; Co-editors : Reena Wani, Sebanti Goswami. 15000 copies have been posted.

GREAT Workshop : The First Trimester

Workshops were conducted in 46 places all over India and more than 3773 delegates were covered. The convener for the workshops were Dr. Bhaskar Pal and Co conveners were Dr. Mahua Bhattacharya, Dr. Aswath Kumar, Dr. Pratik Tambe, Dr. Alope Sharma.

Dr.M.G.Hiremath - Vice President

FOGSI presented HIS activities report for the year 2017 from January-2017 to December-2017 at managing committee meeting held in Bhubaneswar on 17th Januray 2018.

First of all, he thanked all the FOGSI members who have elected him to the post of vice president and giving the opportunity to serve the FOGSI under the able leadership of Dr.Rishma Dillon Pai President FOGSI 2017 and Dr.Hrishikesh Pai Secretary General and whole team of FOGSI office bearers.

I had the opportunity to be in charge of Societies of Karnataka, Andra Pradesh, Manipur, Pondicherry and Goa. I have visited few of the societies who have done wonderful academic activities both in academic and social activities. Congratulations to them.

Five Committees of the FOGSI were allotted to me namely **Medical Disorders in Pregnancy, Safe Motherhood Committee , Study on Female Breast, Medical Termination of Pregnancy and Imaging Science**. The great workshops were conducted by co-ordinating with the Chairpersons of the committees. All the committees under the able leadership of chairman have done wonderful work throughout the year and I had the great opportunity to interact with them and guide them.

Next came the big FOGSI VP event at Hubballi namely FOGSI National conference on **Practical Obstetrics and Advanced Infertility (POAICON 2017)**

FOGSI National conference on Practical Obstetrics and Advanced Infertility POAICON 2017 was held on 12th,13th and14th May 2017 at Karnataka Institute of Medical Science and Hotel Dennison Hubballi. This VP conference was hosted by Hubli-Dharwad Obstetrics and Gynaecological Society Hubli under the leadership of Dr.M.G.Hiremath Vice President FOGSI 2017 as Organizing chairperson

A live workshop was held on Endoscopic surgeries to enhance the fertility in the morning session and live work shop on practical obstetrics in the afternoon session. In the endoscopic surgery 12 cases were operated and transmitted to the auditorium and there were 300 delegates. The faculties were Dr.P.C.Mahapatra, Dr.V.P.Pailey, Dr.Shila Mane, Dr.B.Ramesh, Dr.Vidya Bhat and Dr.Mahendra Bhorse conducted the workshop. It was a grand success

The conference was held at Hotel Dennison and our FOGSI president Dr.Rishma Dillon Pai inaugurated the conference. The other well known speakers were Dr.V.P.Pailey, Dr.P.C.Mahapatra, Dr.Hiralal Konar, Dr.Bhaskar Pal, Dr.Palaniyappan, Dr.Hrishikesh Pai, Dr.Nanditha Palsetkar, Dr.Vijay Managuli were there. Nearly 600 delegates attended the conference and it was successful one and conference ended with grand entertainment programme.

South zone YUVA FOGSI conference was held at Trissur on 21st,22nd and 23rd of July 2017 a great scientific event well organized and well attended. Special congratulations to Prof.V.P.Pailey and organizing Secretary Ashwath Kumar for their untiring efforts to make the programme a grand success. The whole team of Trissur needs to be appreciated.

As a Patron of Karnataka Obstetrics and Gynaecological Association, I had the great task of conducting all Karnataka conference at Shivamogga on 10th, 11th & 12th of November 2017. We had more than 1500 delegates and many of the FOGSI office bearers attended as faculty and it was a grand success.

Practical Obstetrics workshop, PCOS, AUB and 1st trimester workshops were held in more than 25 societies of South India. Where I have attended as a faculty. The last programme of 1st trimester workshop was held on 24th December 2017 and Dr.Alpesh Gandhi from Ahmadabad was the chief guest.

Lot of motivational programmes were held in various societies to do more and more FOGSI social activities and KSOGA supported KPMEA strike actively and succeeded in stalling bringing the Draconian KPMEA bill. All FOGSI members closed their clinics and nursing homes and actively participated in the strike.

FOGSI -Rotary –Govt. Of India, FRG initiative programme of Reach the Unreached to reduce the maternal and child mortality was held in nearly 50 PHC's of Belagavi, Bagalkote,Dharwad,Haveri and GOA. The programme was successful.

Pradhan Mantri Matrutva Abhiyan and NARI Swasthya Pahel programme were grand success in every place and lot of poor woman got the benefit of free service by FOGSI members.

The whole year was very fruitful and innovative and motivation force was none other than our beloved President Dr.Rishma Dillon Pai. What a great leader who motivated each and everyone and got the best out of them including me. Many many thanks to her and heart fell thanks to all my co VP's and Chair persons of the various committees without whose help the year would not have been a great successful one. I cherish the memories of wonderful academic programmes and social activities done during the year 2017.

Long live FOGSI.

Dr. Sunita Tandulwadkar-Vice President

“The only way to do great work is to love what you do.” – Steve Jobs

Greetings from Dr. Sunita Tandulwadkar, Vice President FOGSI 2017.

First of all, I would like to sincerely thank you all for giving me the opportunity to serve FOGSI. We, under leadership of Dr. Rishma Pai, have done immense work on academic, social, policy making and many other fronts last year.

FOGSI CNN
Controversies in OBGYN
Newer Advances in OBGYN
Newer Evidences in OBGYN

Herewith I am giving you a brief of the important events which I would like to highlight.

FOGSI Connect was released by me during AICOG in January 2017 in Ahmedabad. This newsletter included the proposed programs for the entire year, few educational articles and profiles of a few legends of ObGyn.

As Vice President In-Charge, I was given the responsibility of conducting **YUVA FOGSI West Zone** which was successfully held on 2nd – 4th June 2017 in Navi Mumbai (separate report attached).

Along with Pune Obstetrics & Gynaecological Society (POGS), as Vice President In-Charge I also organized **FOGSI CNN – Controversies, Newer Advances & Newer Evidences** in ObGyn, one of the most successful conferences of the year on 23rd to 25th June 2017 in Pune.

Dr Nishikant Shotri & I, Dr Sunita Tandulwadkar were the Organizing Chairpersons while Dr Parag Biniwale & Dr Girija Wagh were there organizing secretaries.

A public awareness program in the form of a walk themed “Teen Tike Zindagi Ke” was arranged on 18th June 2017. Mayor Mrs. Mukta Tilak & Commissioner of Police Mrs. Rashmi Shukla joined the members of POGS in creating awareness about cervical cancer & its prevention.

The conference was also preceded by six pre-congress workshops – Labour (Dr. Parag Biniwale), Medicolegal (Dr. Manish Machave), Ultrasound in ObGyn (Dr. Pooja Lodha), Infertility (Dr. Kundan Ingle), HDP & HIP (Dr. Girija Wagh) and Live Vaginal Surgery & Office Hysteroscopy (Dr. Kiran Kurtkoti).

The main conference on 24th and 25th June had many highlights – 19 FOGSI committees & 12 past FOGSI Presidents were involved, 800+ attendees, 2 Orations, 7 plenaries, 18 keynotes, 15 panels, FOGSI CNN Virtual OPD, 6 round tables with experts to mention a few. Delegates not only enjoyed the academics but also the beautifully orchestrated cultural extravaganza “Kashmir to Kanyakumari.” Winners of Free Papers received FOGSI training programs and ObGyn books while Lucky Draw winners won iPads & Amazon gift vouchers.

‘Excellence is not being the Best, it is doing your Best.’

FOGSI Focus – Newer Technologies in ObGyn was released at FEMM Conference in November 2017 in Mumbai. It has latest advances in our field, ranging from stem cell applications to robotic surgery.

GREAT Workshops were another highlight of the year and I was in-charge of the workshops on **Infertility**. Along with Dr. Madhuri Patil, Dr. Sujata Kar and Dr. Asha Baxi, we conducted about 30 workshops across the country.

Nari Swasthya Pahel, one of the most successful social program of the year was also organized by me in association with POGS on International Women’s Day in March 2017 in Pune.

It was a pleasure supervising extensive work done by **FOGSI Committees** under me – Infertility (Dr. Asha Baxi), Endocrinology (Dr. Pratik Tambe), International Exchange (Dr. Rajendra Sankpal), Medical Education (Dr. Hemant Deshpande) and Genetic & Fetal Medicine (Dr. Pragya Mishra Chaudhari).

Dr. Rajesh Modi - Vice President

As Vice President west zone, it has been a wonderful 2017 in FOGSI. A lot of conferences and workshops were organised across the country under the FOGSI banner and it was a different and a privileged perspective to be involved and participate in those as the VP. I am thankful to the organisation and all the FOGSI members for the wonderful opportunity.

It was a pleasure to be a part of the wonderful West Zone YUVA FOGSI organised by the Navi Mumbai Society, the conferences organised by the FOGSI VP's Dr. Bhaskar Pal and Dr. Ranjana Khanna and the hugely successful and glamorous FEMM conference in Mumbai by our President Dr. Rishma Pai.

The 5 committee chairpersons worked energetically to hold numerous workshops and activities and it was a proud privilege to be associated with them.

- Dr. Sudha Tandon – Sexual Medicine Committee
- Dr. Nita Thakre – Urogynecological Committee
- Dr. Bijoy Nayak – Endoscopy Committee
- Dr. Abha Rani Sinha – Quiz Committee
- Dr. Mrutyunjay Mohapatra – HIV & AIDS Committee

Amongst the many events, the one we organised was the HYSTERECTOMY SUMMIT - A 3D Live Surgical PVR Workshop and Conference at Nagpur (A FOGSI CONFERENCE supported by NOGS) on 8th to 10th of September 2017

The focus of this single theme, single surgery conference was to bring latest updates in the field of hysterectomy, either by 3D endoscopy or NDVH by its best. 17 hysterectomies by various methods were demonstrated by the experts & shown live on the big 3D screen of PVR Cinema at Nagpur for first two days followed by talks and discussions and interaction of the delegates with eminent faculties on the third day at Radisson Blu Hotel, Nagpur.

Dr. Rajesh Modi (Organising Chairman), Dr. Rishma Pai (President FOGSI), Dr. Atul Ganatra (Organising Secretary) and Dr. C. Shembekar (President NOGS). 275 delegates enrolled for the workshop. 105 faculties were invited to discuss about the various aspects of AUB, Fibroids, Complications and Different aspects of Hysterectomy.

The huge 3D screen in PVR cinema brought out the tissue appreciation during live surgery for the delegates as a unique experience. It was a perfect mix of academics, with 4 MMC credit points certification and the ambience of the cinema hall with popcorn & pepsi.

Saturday evening session was surprisingly well attended, especially after the full day live surgical workshop at the PVR. A panel discussion moderated by Bhaskar Pal with eminent faculties on the dais, had enthusiastic participation of the delegates from the floor too. Dr. Shirish Sheth gave a key note address 'Iatrogenic Practice Loss'. It was also an evening to felicitate the senior and the operative faculties.

Conference inauguration was on Sunday at Hotel Radisson by Dr. Rishma Pai, FOGSI President and Dr. Ranjit Patil, Hon. Guardian Minister from Akola as the Chief Guest.

FOGSI Committee Reports - 2017

Adolescent Health Committee - 2017

Chairperson : Prof. S. Sampathkumari

January- Calicut CME on 08.01.2017. AICOG at Ahmedabad on 25.01.2017. Endometriosis committee workshop at AICOG 2017 Ahmedabad. March 2017- Its CME of the year - CME on Endometriosis at Baramati on 04th March 2017 at the Baramati Club. Organised by Dr Sangeev Khurd - Total of 40 Doctors were present for the meeting.

Endoscopy Committee Report-2017

Chairperson : Dr. Bijoy Kumar Nayak

The Endoscopy Committee of FOGSI had a phenomenally successful year in 2017. We reached out to several enthusiastic doctors across the country and exchanged our knowledge of technical know-hows via over a dozen workshops. Some of the workshops were conducted in Adoor, Disha, Ahmedabad, Malda, Aligarh, Rohatak, Jaipur, Noida, Haryana, Agra, Guwahati, Varanasi and Kota.

23 hospitals were assessed and recognized as a FOGSI affiliated endoscopic centers, throughout the year. Some of them were Haryana, Bihar, Agra, Noida, Rajkot, Surat, Mumbai, Chennai, Warangal, Pondicherry, Varanasi and Malda. Also 3 centres were recognized in Jaipur, 4 in Delhi and 2 in Hyderabad and Guwahati each.

We are excited to bid farewell to a year wherein the committee connected far and wide to share many barrels of technical know-hows and knowledge, in several pockets of the country.

REPORT OF WORK

1) Our Pilot Project started in December 2016 consisting of mass

Public awareness Committee 2017

Chairperson – Dr. Archana Verma

Considering Women are the most important section of the society and equally participate in the Life existence on the earth and we need to apply our knowledge for improving health with greater focus on awareness .so Women empowerment is not a dream .my committee targeted fulfillment by commitment to bring good health to all females under nari swastika pahal a great venture by president fogsI Dr Rishma Pai

MAIN AGENDA WAS ..

- CANCER AWARENESS - BOTH BREAST AND CERVICAL awareness SPECIALLY LOW SOCIOECONOMIC POOL WHERE SCREENING , PREVENTION AND TREATMENT IS NEGLIGIBLE .

screening for breast cancer by doing free mammograms continued successfully this year and has completed one year in December this month. Every month minimum 10 camps were conducted. We have tried to reach slum areas and villages and spread awareness about breast self examination.

- 2) **Rural:** Rural surgical camps, conducting free surgeries headed by Dr Sonal Bathla our North Zone co-ordinator , in association with OKTI foundation and Mid life management committee FOGSI, conducted three camps from April to September 2017 at Manipur, Joginder nagar HP, and Manali HP. Total 62 surgeries were done, mostly of prolapse uterus. Bharuch has continued its rural health venture in village Haldarwa, where women;s health projects are taken up specially mid life issues. Dr Bhawana Sheth heads this project. Village Mandawar is adopted by Gurgaon and is an ongoing project. Rural work is specially conducted by Agra, Kolkatta and Faridabad societies too.
- 3) **Academic:** CME's on midlife health, HRT, Bone health etc, conducted regularly at Gurgaon, Faridabad, Ghaziabad, Chennai, Vadodra, Lucknow, Jaipur and many more societies.
- 4) **Public awareness Programs:** Started a public awareness program on cervical cancer screening and prevention in Delhi NCR, first phase conducted on 5th October in Delhi. Second phase was then conducted on 29th and 30th November which had both screening and vaccination. Temporary OPD was set up for free consultation and examination. Public awareness programs on holistic management of menopause, exercise, yoga etc regularly carried out by Chennai, Agra, Kolkatta, Jalandhar and many more societies.
- 5) **RESEARCH:** The free breast cancer screenings that were done in one year from December 2016 to December 2017 (almost 2500) we will now process the data and publish the study.

VACCINATION STRATEGY TO BE INITIATED. • MAMMOGRAPHY CAMPS with AWARENESS REGARDING SELF BREAST EXAMINATION DONE WITH ROTARY CLUB GHAZIABAD. Huge breast cancer awareness program done at Santosh hospital with IMA and CAN protect foundation and lions club • CONTRACEPTION AWARENESS AND PPIUCD WAS DONE WHENEVER AND WHEREVER WE GOT OPPORTUNITY .district hospital were taken in upstate • Good antenatal care awareness by teaching them about cleanliness , diet , weight , anemia , vaccination and advice for timely hospital delivery and value of early booking and knowledge of warning signs among villagers • Awared them about importance of protection against STI , gonorrhoea , chlamydia and untreated syphilis are main causes for still birth at schools health program • Girls are the main victims for various type of violence and crimes including female fetocide.teaching them self defence To aware the doctors also for pcpnrd act and MTP

act are issues which we tackled .sad part is 1 in 3 women suffers from physical or sexual assault and it deteriorates mental health in short term or long term .. to aware them about their right and learn the self Protection art .

And to break the silence . It's a huge responsibility as conversation is mainly one sided .

- Awareness about non communicable disease.

TUBERCULOSIS DIAGNOSIS AND PREVENTION, OBESITY, PCOS AWARENESS

ADOLESCENT HEALTH MAIN ISSUES OF AWARENESS AND AVOIDING DRUG ABUSE AND PEER PRESSURE

TEEN PREGNANCY

SAFE ABORTION ... done in many school health programs .

- Old generation menopausal health and bone health main issues .
- CONTRACEPTION AND SAFE ABORTION ~~~~~POPULATION STABILISATION programs

MOB VIOLENCE AWARENEWS, WE PARTICIPATED IN ALL ZONE YUVA FOGSI RALLIES , POSTER COMPETITION

SELFIE CONTEST, CANCER AWARENESS WORKSHOPS, PCPNDT CME, ANEMIA AWARENESS, WORLD POPULATION DAY , DEBATES IN SCHOOL arranged, NUKKAD NATAK performed , PLANTATION ON LARGE SCALE done.

TOGSICON was conducted as post conference workshop in 2 parallel halls. ART Workshop was held during TOGSICON which was greatly appreciated.

We extend our sincere gratitude to team FOGSI for all the support which was extended to us.

YUVA FOGSI Conferences -2017 - East Zone (Guwahati)

The East Zone Yuva FOGSI 2017 was organised by the Guwahati Obstetrics & Gynaecological Society at Guwahati from 24th to 26th November 2017. This is for the second time that the Guwahati O & G Society was entrusted with hosting the prestigious Yuva FOGSI event. The event was started early in the morning of 24th November by a massive rally for prevention anaemia in adolescents where students from nursing as well as other colleges took part which was culminated by a lecture on life style management for adolescents.

The conference was preceded by four high quality workshops at various locations in the city. The Urogynae workshop was held at the Gauhati Medical College which was attended by Drs Vinit Mishra, Hara Patnayek, Javed Ali and Hem Kanta Sarma as faculty. Professor Enrico Carmina from Italy also graced the Ovulation Induction workshop held at the Institute of Human Reproduction amongst others from the region. Dr. B Ramesh from Bangaluru and Dr. Vinayak from Pune also joined the endoscopy workshop as faculty. A free workshop on PCOS was also organised on 24th November at the venue where a great cultural show for the delegates was also held in the evening.

A total of more than 350 delegates participated in the scientific deliberations that took place from the morning of 25th November till the afternoon of 26th November. One of the hallmark of this conference was the strict adherence to time as all throughout the conference time was maintained to exact schedule. During the inauguration three women achievers from the region was felicitated by the President of FOGSI, Dr. Rishma Pai. Dr. Pai also judged the FOGSI talent hunt event in the evening of 25th November as one of the judges. The event was graced by no less than six vice presidents of FOGSI as speakers which in itself is a memorable event for us. The other good memory taken home by the delegates and faculty was of course the sumptuous food served during the conference and the banquet.

Attended by Dr. Suchitra Pandit Dr. Nandita Palshetkar ,Dr. Jayam, Dr. Charmila, Dr. Sampathkumari, Dr. Pratik, Dr. Tandon and Dr. Priti Vyas. • The 2nd Youth Summit Program was by Dr. Charmila at Trichy in August 2017 (Clinical Research Committee ,Trichy OBGYN society, Cauvery College & Inner Wheel club). • 3rd National

Adolescent conference ,Youth Summit and CME by Dr. Kiran Pandey President ,Kanpur OBGYN society , Dr. Meera Agnihotri and her team on 11th - 12th November, 2017. • I was invited by IAP for the PEDICON congress at Nainital in Oct, 2017 for conducting a panel on Adolescent Issues . Parent training module getting ready.

Private sector engagement initiative

Status update: National consultation for developing strategic roadmaps to engage private Health sector for improving maternal and child health was held on 21st February, 2017 at Delhi. Dr. Rishma Dhillion Pai graced the occasion as President FOGSI . Dr. Suchitra N. Pandit , Dr. Abha Rani Sinha, Dr. Pratima Mittal, Dr. Girija Wagh , Dr. Sadhana Gupta have been able to attend this meeting.

Under the USAID funded 'VRIDDHI project: Scaling up high impact RMNCH+A interventions', with IPE Global as the lead partner, JSI is supporting Gol for the Private Sector Engagement Initiative in six States viz. Delhi, Uttarakhand, Jharkhand, Punjab, Haryana and Himachal Pradesh. Later there were a series of meetings for orientation of doctors from Public private sectors in Delhi . I have visited Dehradun along with Dr. Gambhir from IAP to meet the NRHM team Vriddhi team and the local officers from the local Government . The following is the progress update so far:

- 1) JSI has engaged 6 Public Private Partnership Consultants from IAP for focussed advocacy with State Governments for creation of a dedicated PPP cell within the State Health System. So far, three States viz. Uttarakhand, Delhi and Jharkhand have agreed to create a State PPP Cell and nominate a State officer as PPP Officer to ensure dedicated efforts for designing, implementation and monitoring of PPP activities.
- 2) Three State level workshops with Private providers have been held .Overall, some 100 Private providers have been trained so far in these three State Orientations.
- 3) Orientation workshops in 3 other States done in the month of September and October. Orientation workshop done at Ranchi on 17th September, 2017
- 4) The JSI team in Uttarakhand has initiated collection of basic information for the facilities. Around 60 nursing homes have joined in for quality improvement efforts.
- 5) The closed facebook group is being created to enrol the interested participants.
- 6) A supportive supervision tool is being designed in consultation with FOGSI and IAP for monitoring the quality of care in private health facilities interested in improving quality of care in their facilities.

Report of EmOC Project by Dr. Prakash Bhatt- 2017

Since 2006 FOGSI/ICOG has been conducting the EmOC program in partnership with Government of India – Ministry of Health and Family Welfare, the respective State health & family welfare departments and Avni. The purpose of the program has been to train MBBS doctors in comprehensive obstetric management, whom the State health department may then post at FRUs, delivery points, 24X7 PHCs so as to attend the emergencies relating to pregnancies and child birth, thereby prevent the maternal and infant deaths and thus help in reducing the MMR and IMR in the medium and long terms. Recently FOGSI managing committee had decided that the long running EmOC program should be taken over by Government of India (GOI), accordingly GOI has decided to make the States more accountable for the EmOC training given that FOGSI has already set the training and systems for the smooth conduct of the program. Government of India is encouraging States to initiate the EmOC program implementation on their own using the set ups created by FOGSI/AVNI. As such after September 2017, Government of India and the States will be conducting EmOC program on their own.

In the year 2016 – 2017, 62 medical officers have been trained in EmOC and 10 additional master trainers have been created for the program. Cumulatively, through the EmOC program 5 nodal training centers, 34 tertiary training centers have been setup, 231 master trainers and 403 district hospital trainers have been created who have trained a total of 1824 medical officers in EmOC.

Report of PPIUCD Project by Dr. Hema Divakar

In 2015, FOGSI in partnership with FIGO and Ministry of Health and Family Welfare, Government of India began implementing the Institutionalization of immediate Post-Partum IUCD services program. Program management, planning and implementation support for PPIUCD program is being provided by FOGSI's long time partner Avni.

In July 2017, on a special request from FIGO HQ, we designed, planned and successfully completed a training for counsellors and data operators of all 6 PPIUCD centres in Dhaka, Bangladesh. The training was conducted by Dr Thelma Sequeira from PPIUCD India team.

At the FIGO – FOGSI International Congress on Challenges in Obstetrics & Gynaecology in Hyderabad in August 2017, the PPIUCD team conducted annual review meeting followed by a panel discussion on PPIUCD with a very good response from 70 – 80 obstetricians/ gynaecologists from private nursing homes.

A quick update on EmOC closure is given below.

- 1) A Statewise summary of names of centers, names of chief coordinators, master trainers, district trainers and medical officer trained and certified has been prepared and shared with Government of India.
- 2) EmOC program association with FOGSI/AVNI has come to an end letter has been sent to all the centers and they have been advised to contact the State officials for further guidance and support. Despite the same, centers and also the State officials are writing to us for help and support.
- 3) The centers have been asked to submit their equipment inventory, balance funds. So far 5 out of 30 centers have submitted the same. Submitting a record of last 11 years is a tedious process and compounded by the fact that many HODs have retired/ changed during this period.
- 4) Statement of Expenditure (SOE) and utilization certificate (UC submission preparation is going on and as we keep getting the balance funds report from the centers the same is being compiled and UC/SOE are being submitted to the States and the program is being formally closed in those States.
- 5) All batches which have been completed recently, certificates have been issued to the successful candidates who passed through the tier 3 exam process.
- 6) Process for program closure is a long drawn exercise due to several linked, concurrent issues and the same is expected to be completed by December 17/ January 18.

Nair PPIUCD team was awarded a merit certificate by the Health Department of Municipal Corporation of Mumbai – for the highest number of insertions in the year 2016 to 2017, amongst all the municipal hospitals.

JNM - Kalyani and Nair - Mumbai PPIUCD centres were awarded the prestigious “Good Practice in PPIUD” certificate by FIGO HQ. This award is presented twice a year, in May and November, for facility or HQ teams or individuals who have pioneered good practice in counselling, delivery, promotion, data collection or management of PPIUCD program.

As on date all 6 centers put together have counselled 77000 pregnant women, attended to 42000 deliveries, inserted 6200 PPIUCDs through the support of 550 healthcare providers who have been trained for the same through the PPIUCD program.

The six centers include, Government medical college – Surat, Topiwala National Medical College & B. Y. L. Nair Charitable Hospital– Mumbai, The Nowrosjee Wadia Maternity Hospital – Mumbai, College of Medicine & JNM Hospital – Kalyani, JSS medical college and hospital – Mysuru and Chittaranjan Seva Sadan and Sishu Sadan Hospital – Kolkata.

ICOG Report - 2017

Dr. Mala Arora
Chairperson, ICOG

Dr. Sushma Pandey
Vice Chairperson, ICOG

Dr. S. Shantha Kumari
Secretary, ICOG

Dr. C. N. Purandare
Dean ICOG

The chief objectives of ICOG Activities were to promote education, training and to spread knowledge in the field of Obstetrics and Gynaecology and to popularize the ICOG nationally and internationally. In keeping with this, the main activities from April to Dec 2017 were as follows:

1. Combined MICOG-MRCOG Part 1 examine:

July 23-25, 2017: 10th Refresher course was attended by 14 candidates at FOGSI office for September 2017 batch of exam. Dr. Santanu Acharya was the RCOG faculty and National Faculties were Dr. S. Shantha Kumari, Dr. Mala Arora, Dr. Suchitra N. Pandit, Dr. Sarita Bhalerao, Dr. Parikshit Tank and Dr. Zennie Girn.

September 4, 2017: Examination done at Bangalore and Delhi centres and total 9 candidates were passed.

The names of successful candidates were as Dr. Sonal Srivastava, Dr. Kapila Suguna Deepti, Dr. Anisha Zaveri, Dr. Shachi Joshi, Dr. Garima Chaudhry, Dr. Rohan Palshetkar, Dr. Shinjini Narang, Dr. Priyangi B. Purohit and Dr. Sachin Pardeshi.

November 18-20, 2017: 11th Refresher course was attended by 7 candidates at FOGSI office for January 2018 batch of exam. Dr. William Forson was the RCOG faculty and National Faculties were Dr. S. Shantha Kumari, Dr. Suchitra N. Pandit, Dr. Krishnendu Gupta, Dr. Bhaskar Pal, Dr. Sarita Bhalerao, Dr. Parikshit Tank and Dr. Zennie Girn.

January 29, 2018: Examination will be done at Kolkata and Mumbai centres. Result will declare in due course.

2. Combined MICOG-MRCPI Part 2 examine:

September 6, 2017: MRCPI Part 2 Written exam done at Mumbai centre.

Nov. 21, 2017: Done Examiners training of OSCE/Clinical at FOGSI Office, Mumbai and attended by Dr. C N Purandare, Dr. S. Shantha Kumari, Dr. Bhaskar Pal, Dr. Krishnendu Gupta, Dr. Suvarna Khadiolkar, Dr. Sarita Bhalerao, Dr. Geetha Balsarkar, Dr. P K Shah, Dr. Parikshit Tank, Dr. Arun Nayak, Dr. Anahita Chauhan etc. with RCPI officials like Dr. Mike O'Connell, Dr. Mary Holohan and Sinead Freeman.

Nov 22, 2017: OSCE/Clinical exam was done at Wadia Hospital, Mumbai. Total 18 candidates were present. Dr. Mike O'Connell, Dr. Mary Holohan from RCPI faculties were present. National faculties were the examiners as Dr. C N Purandare, Dr. S. Shantha Kumari, Dr. Bhaskar Pal, Dr. Krishnendu Gupta, Dr. Suvarna Khadiolkar, Dr. Sarita Bhalerao, Dr. Geetha Balsarkar, Dr. P K Shah, Dr. Parikshit Tank, Dr. Anahita Chauhan etc.

3. Result of ICOG Election are as follows:

For the year 2018: Chairperson: Dr. S. Shantha Kumari, Hyderabad (Elected Unopposed), Chairperson Elect: Dr. Tushar Kar, Cuttack, Vice Chairperson Elect: Dr. Laxmi Shrikhande, Nagpur (Elected Unopposed), Secretary: Dr. Parag Biniwale, Pune (Elected Unopposed). Governing Council members: Dr. Bharati Dhorepatil, Dr. Sheela Mane, Dr. Girija Wagh, Dr. Sarita Bhalerao, Dr. Mandakini Megh, Dr. S. Sampath Kumari, Dr. Ameet Patki, Dr. Sadhana Gupta, Dr. Rajesh Modi, Dr. Basab Mukherjee, Dr. Roza Olyai, Dr. Pragmesh Shah, Dr. Asha Baxi, Dr. T. Ramani Devi, Dr. Murlidhar Pai, Dr. Uma Pandey, Dr. Archana Baser, Dr. Rajat Mohanty, Dr. Anita Singh, Dr. M. Krishna Kumari, Dr. Madhuri Chandra, Dr. Ashok Kumar, Dr. T. Vindhya, Dr. Vinita Singh, Dr. Durga Shankar Dash.

4. ICOG Certificate Course:

Lot of applications received for various training from all centres. Four new centres in 2017 were recognized for ICOG Certificate course at Dr. Urmila Soman, Cochin in Endoscopy, Dr. Kawita Bapat, Indore in Vaginal Pelvic Reconstructive Surgery, Dr. Chaitnya Shembekar, Nagpur & Dr. Nutan Jain, Muzaffarpur in Reproductive Medicine.

July 2017:

Sr. No.	Certificate Course in	Date of Examination	Name of Centre	Examiners
1	Reproductive Medicine	July 15, 2017	Dr. Jaideep Malhotra, Agra	Dr. Rajat Ray, Dr. Jayam Kannan
2	Gynaecological Endoscopy	July 10, 2017	Dr. Prakash Trivedi, Mumbai	Dr. S Shantha Kumari, Dr. S Krishnakumar
3	Ultrasonography	July 15, 2017	Dr. Narendra Malhotra, Agra	Dr. Pratima Mittal, Dr. Leela Vyas
4	Fetal Medicine	July 24, 2017	Dr. S. Shantha Kumari, Hyderabad	Dr. Chinmayee Rath, Dr. Jamuma Devi

Total 64 candidates in all certificate course appeared for the exam and 42 were cleared the exam. The top candidates in each certificate course were Dr. Pankila Mittal, New Delhi, Dr. Trichal Dubey Parul, Bhopal, Dr. Arpana Agrawal, Gwalior and Dr. Ripal P. Gevariya, Ahmedabad and felicitation will be done at the time of ICOG Convocation to be held at Bhubaneswar AICOG 2018.

5. Report on 3rd ICOG FOGSI Conference on Critical Care in Obstetrics at Indore on September 23-24, 2017:

FOGSI ICOG National Conference-ICON 2017 was held at Brilliant Convention Centre BCC a large and a beautiful convention centre in central Indore on September 23-24, 2017. The theme of conference was critical care in obstetrics. Conference President –Dr. Rishma Dhillon Pai, ICOG Chairperson Dr. Mala Arora. At this conference, 3 B's and FOGSI Chairpersons from Indore Dr. Baxi Asha, Dr. Bapat Kawita, Dr. Baser Archana presented a very beautifully crafted conference in terms of Scientific programme, Cultural event, Inauguration, Hospitality, Indore Cuisine (Pics of Organising Team). There were 2 International Faculties, 60 National Faculties and more than 500 delegates attended the conference. Scientific programme - day 1- 23/09 - Workshop on critical care was well attended and well organized. Inauguration was in a fully packed auditorium with honourable Mrs. Sumitra Mahajan, Lok Sabha speaker. She praised doctors specially Gynaecologists for their efforts in saving mothers and she emphasized that people should respect and trust their treating doctor. Book released, Felicitation of past FOGSI office bearers was done. Cultural event - Performed by Indore Obstetrics and Gynaecologist members Crisp and entertaining program was followed by Dinner. Editor, JOGI

Dr. Anahita Chauhan
Secretary & Manager

Annual Report of The Journal of Obstetrics & Gynecology of India (JOGI) from January 1st 2017 to December 31st 2017.

Members Of The Editorial Board:

Dr. M. N. Parikh	Emeritus Editor
Dr. Adi E. Dastur	Emeritus Editor
Dr. C. N. Purandare	Emeritus Editor
Dr. Gautam Allahbadia	Emeritus Editor
Dr. C. V. Hegde	Editor (resigned on 7 th October, 2017)
Dr. Suvarna Khadilkar	Associate Editor
Dr. Geetha Balsarkar	Joint Associate Editor
Dr. Madhuri Patel	Assistant Editor
Dr. Sujata Dalvi	First Joint Asst. Editor
Dr. Arun Nayak	Second Joint Asst. Editor
Dr. Anahita Chauhan	Secretary & Manager
Dr. Ashwini Bhalerao Gandhi	Assistant Secretary
Dr. Pradnya Chagede	Joint Assistant Secretary (from 16/9/2017 to 31/12/2019)

Journal Committee:

Ex-Officio Members

Dr. Rishma Dhillon Pai, President - FOGSI, Dr. Hrishikesh D. Pai, Secretary General - FOGSI, Dr. Jaydeep Tank, Deputy Secretary General - FOGSI, Dr. Madhuri Patel, Treasurer - FOGSI and Dr. Suvarna Khadilkar, Jt. Treasurer FOGSI, Dr. Sarita Bhalerao, Joint Secretary - FOGSI.

International Advisory Board

Prof. Bala Bhagavath (USA); Prof. Baris Ata (Turkey); Prof. Peter Kovacs (Hungary); Prof. Awatif Al-Bahar (UAE); Prof. Monika Chawla (UAE); Prof. Jorge Hennerfrund (Germany); Prof. Ertan Saridogan (UK); Prof. Liza Chowdhury (Bangladesh); Prof. Rajesh Devassy (UAE); Prof. Ved Prakash Singh (New Zealand); Prof. Steven Lindheim (USA); Prof. Rudy Leon DeWilde (Germany); Prof. Osama Shawki (Egypt); Prof. Heike Boppert (Germany); Prof. Anil Gudi (London, UK); Prof. Amit Shah (London, UK); Prof. Bruce Shapiro (USA); Prof. Renato Fanchin (France); Prof. Zeev Blumenfeld (Israel); Prof. Issam Lebba(Tunisia)

Journal Committee Meetings / National Corresponding Editors:-

During the year under review three meetings of the Journal Committee were held on 25th January, 2017, Ahmedabad, 15th April, 2017, Bangalore and 16th September 2017, Mumbai. Following National Corresponding Editors attended the meetings:

National Corresponding Editor	Total Meeting Attended
Dr. Sushil Chawla (Pune)	0/2
Dr. Jyoti Ramesh Chandran (Calicut)	0/2
Dr. Sadhana Gupta (Gorakhpur)	2/2
Dr. Hiralal Konar (Calcutta)	1/2
Dr. Meena Jain (Bhilai)	1/2
Dr. Vidya A. Thobbi (Vijayapur)	1/2
Dr. Sreelakshmi K. N. (Karnataka)	0/2
Dr. Alka Pandey (Bihar)	1/2
Dr. Kavita Agarwal (Delhi)	0/2
Dr. Arup Kumar Majhi (Calcutta)	1/2
Dr. Sudhir Shah (Rajkot)	0/2
Dr. Mala Srivastava (New Delhi)	0/2
Dr. Padma Rekha Jirge (Kolhapur)	0/2
Dr. Laxmi Shrikhande (Nagpur)	2/2
Dr. Gowri Sayiprasad (Kolhapur)	0/2
Dr. Deepti Shrivastava (Wardha)	1/2

Editorial Board Meetings / Editorial Board Members :

During the year under review seven meetings of the Editorial Board were held on 5th January, 2017, 1st March, 2017, 10th April, 2017, 22nd June, 2017, 6th September, 2017, 16th October, 2017 and 1st December 2017 and the following Members attended the meetings:

Editorial Board Members	Total Meeting Attended
Dr. C. V. Hegde	5/7
Dr. Geetha Balsarkar	6/7
Dr. Sujata Dalvi	6/7
Dr. Anahita Chauhan	7/7
Dr. Suvarna Khadilkar	6/7
Dr. Madhuri Patel	4/7
Dr. Arun Nayak	5/7
Dr. Pradnya Chagede (appointed in Sept. 2017)	2/7

Journal Details:

During the year under review six issues of Volume No.67 of average 124 pages each were published along with one FOGSI - GCPR. Details are given below.

Volume 67 – Issue 1-6

Issues published	6
No. of pages	455
Editorials	4
EIC's Opinion Statement	1
Guest Editorial	1
Review	6
Mini Review	6
OB-GYN papers	46
Case reports	13
Book Review	3
Instrument Review	2
Instrumentation and Techniques	2
Letter to the Editor	4

Mailing Details Of The Journal:

No. of Societies	245
No. of Members	35109
Advertisers	100

Papers received from 1/1/2017 to 31/12/2017 on the Editorial Manager

Papers received during the year	679
Papers rejected	333
Paper withdrawn by author	27
Papers accepted	121
In process	198

The Journal Best paper prize for 2016:

The Journal best paper prize for the year 2016 for **OPEN CATEGORY** was awarded to

1. (First Prize) Dr. Pooja Mathur for her paper titled "A Prospective Study of Placental Growth Factor Assay as a Novel Biomarker in Predicting Early-Onset Preeclampsia in High-Risk Patients"
2. (Second Prize) Dr. Rayshang G. Yadav for his paper titled "Examining Caesarean Delivery Rates Using the Robson's Ten-group Classification"

3. (Third Prize) Dr. Radhika A. G. for her paper titled "Cochrane Reviews in Obstetrics and Gynecology : What is the Contribution of Indian Studies?"

The Journal best paper prize for the year 2016 for **JUNIOR CATEGORY** was awarded to

1. (First Prize) Dr. Meena Aruna for her paper titled "Pregnancy Outcome in Euthyroid Women with Anti-Thyroid Peroxidase Antibodies".
2. (Second Prize) Dr. Neha Palo Chandel for her paper titled "Outcome Analysis of Day-3 Frozen Embryo Transfer v/s Fresh Embryo Transfer in Infertility: A Prospective Therapeutic Study in Indian Scenario".
3. (Third Prize) Dr. Sonal A. Kumbhare for her paper titled "Aetiological Classification of Stillbirths: A Case Control Study".

PICSEP activities held in 2017:

Under this project eight workshops on Science of Research Methodology were held in these member societies of FOGSI : **Jabalpur** – held on 13th August, 2017 – National Faculty Dr. Mala Srivastava, **Guwahati** - held on 20th August 2017, National Faculty Dr. C. V. Hegde, **Nabha** – held on 24th September 2017, National Faculty Dr. Arun Nayak, **Jamshedpur** - held on 15th September 2017, National Faculty Dr. Geetha Balsarkar, **Rourkela** – held on 12th November 2017, National Faculty Dr. Alka Pandey, **Thrissur** - held on 26th November 2017, National Faculty, Dr. Gowri Sayiprasad, **Patna** – held on 3rd December 2017, National Faculty Dr. Madhuri Patel, **Hyderabad** – held on 3rd December 2017, National Faculty Dr. Anahita Chauhan.

Under the PICSEP the **Mumbai** society is planning to conduct the workshop on 7th January 2018 and the National Faculty will be Dr. Sujata Dalvi.

FOGSI sanctioned Rs.1,00,000/- towards the expenses of each workshop, of which Rs.50,000/- was sanctioned as expenses to the organizing society and Rs.50,000/- towards the traveling expense and one day stay of national faculty.

Dr. C. V. Hegde resigned the Editor-In-Chief post on 7th October 2017 due to serious health issues. Thereafter a special Emergency Editorial meeting was kept in which it was decided as Dr. Suvarna Khadiikar was his successor, therefore she will be appointed as an Editor – In – Charge till November – December 2017. It was also decided that from January 2018 Dr. Suvarna Khadiikar will take her position as an Editor – In – Chief, JOGI for three years (2018 – 2021).

Thanks:

The Journal Committee takes this opportunity to thank all its Peer Reviewers for their excellent and prompt service rendered during the year.

FOGSI ORGANIZATIONAL CODE OF CONDUCT AND ETHICS

Organizational Guiding Principles

1. **Commitment to Core Values**
 - To uphold moral and ethical values in profession and practice
 - Commitment to integrity and honesty in thought and in action
 - Ensure an equality of treatment, rights and opportunities for all individuals
 - Commitment to the vision and mission of FOGSI and its member societies
2. **To enhancing organizational role and excellence**
 - Maintain high standards of organizational ethics
 - Strive for organizational excellence
 - Promote individual and collective accountability
 - Nurture and promote organizational development and growth
3. **To nurture and ensure team spirit**
 - Honor and mutually respect individuals - colleagues and staff
 - Value each individual's role and contribution
 - Encourage and accommodate the expression of a diversity of opinions

Organizational Code of Conduct and Ethics

1. **Respecting and ensuring equality for all individuals**
 - a. Equality of opportunity and treatment for members, staff and women served
 - b. Non discrimination against any individual based on gender, marital status, pregnancy, disability, religion, caste, sexual orientation, persons living with or affected by HIV or AIDS or other legally protected characteristics
2. **Commitment to support the organizational vision, mission and values**
 - a. Non tolerance for contradicting or undermining FOGSI's mission and organizational positions on health and reproductive rights issues
3. **Adherence to organizational standards and responsibilities**
 - a. To respect and comply with FOGSI Constitution, Rules and Regulations and Administrative Guidelines as existing at that time
 - b. Obligation to protect confidential information acquired as a consequence of a volunteer or staff position in FOGSI
4. **Respect for organizational protocols and lines of reporting and communication**
 - a. Compliance with lines of reporting and communication within the organization and non acceptance of insubordination
5. **Abide by and strengthen electoral and democratic processes**
 - a. Non acceptance of interference, manipulation or undermining electoral and governance processes
 - b. Acceptance by candidates of the FOGSI Code of Conduct for elections
6. **Work within the laws of the land and existing organizational policies of FOGSI**
 - a. To adhere to and abide by the national laws in India and the FOGSI policies as existing at that time
 - b. To desist from indulging in prenatal sex determination which FOGSI basically regards as a form of gender discrimination
7. **Not allow commercial interests or personal gain to influence actions**
 - a. Avoidance of any situation which would give rise to conflict of personal interest with a position held in FOGSI
 - b. Non acceptance of unreasonable demands from industry and other partners that may compromise FOGSI's interests in jointly conducted or organized programmes and projects.
 - c. Zero tolerance for fraud, corruption or embezzlement of the organizational assets and resources
8. **Not use any volunteer or staff position for personal gain**
 - a. No use of organizational assets and resources for personal benefit by members or staff
9. **Be responsible for the administration and protection of organizational assets**
 - a. Responsible management of assets with intolerance for any irresponsibility or negligence
 - b. Knowledge or suspicion of irregularity or fraudulent activity to be reported
10. **Respect and protection of individual rights, safety and well being of members, staff and women served**
 - a. Zero tolerance for unbecoming conduct, gender insensitivity and any form of sexual harassment or abuse

TM

Vision Statement

"FOGSI to be the lead organisation working towards advocating and promoting women's health and reproductive rights using scientific evidence and following the highest ethical standards through it's membership of committed professionals."

Mission Statement

The Federation of Obstetric and Gynecological Societies of India (FOGSI) supports and protects the interests of practitioners of Obstetrics and Gynecology in India.

FOGSI encourages dissemination of knowledge and education as well as research in the field of Obstetrics and Gynecology in India.

FOGSI works to pilot and promote preventive and therapeutic services related to healthcare of women and children.

FOGSI also serves to advocate the cause of reproductive and sexual health and rights.

FOGSI considers the reduction of maternal mortality in India as its primary mission.
