**CONFERENCES
INTERNATIONAL**

WELCOME MESSAGE

Dear Friends and Colleagues,

It is great privilege for Dehradun and Uttarakhand Obstetrics & Gynaecological Societies to host the FOGSI Food and Drug & Medico Surgical Equipment Committee National Conference (FFDC CON 2024) from 14th - 16th June , 2024 at Dehradun- A city nestled in the emerald green foothills of the Himalayas, adorned with the cascading waterfalls and caressed by murmuring rivers. It offers picturesque landscapes, including the lush green forests, rolling hills and the Ganges flowing nearby.

The conference will take place at one of the prime venues – Hyatt Regency, Dehradun, centrally air conditioned , well connected by air, rail and road.

Keeping up with the theme “Resolving Dilemmas - Optimizing Women’s Health through Innovation” this event brings eight captivating pre congress workshops on the updates in the field of obstetrics, gynecology and infertility. The following two days congress will be a knowledge fiesta which includes our outstanding scientific program with an interesting array of eminent speakers to discuss on the most relevant topics through Orations, Keynote Addresses, Guest Lectures and Panel Discussions as per the standard guidelines.

The delegates will benefit with the excellent exposure to faculty of eminence. Also this will be an excellent platform to interact with the stalwarts and update their knowledge in this rapidly changing & expanding field.

However, we rely on the most meaningful participation of our colleagues to make it another milestone in the history of FOGSI. Organizing committee members are continuously working hard to make this a grand & fruitful conference.

We look forward to welcoming you to the Dehradun the Capital of Uttarakhand and hope the memories of this scientific extravaganza will remain long lasting.

Thank you
Organizing Committee
FFDC CON 2024. Dehradun.

With Warm Regards
