Welcome Address

Dear Friends

It is that time of the year when our annual academic event BOGSCON beckons. This year it is extra special as we will be celebrating the 4th Milan Conference with all the societies of West Bengal along with the 48th BOGSCON Conference. Quite appropriately this mega meet needed a name and we have christened it 'The Bengal Conclave 2024'

We look forward to welcoming our friends from the other FOGSI societies of West Bengal along with a host of National Faculty on the occasion. The scientific and workshop committees have already got their act going and promises to put up a commendable academic show. The topics will be of practical importance and leave the delegates with wisdom pearls useful in their clinical practice.

The venue ITC Royal is well known to all of us. Over the years, we all have fallen in love with the enticing white marble and the spacious corridors. The splendour will be no different in combination with their signature cuisine and the 'responsible luxury' tag.

Our pledge for 'Justice for Abhaya' and support for the junior doctor movement remains steadfast and strong. We will try to remind our esteemed guests that the battle is far from over.

With the robust organising committee, we are patiently waiting with folded hands to welcome you to 'The Bengal Conclave 2024'. May you spend some quality time away from the work chaos and let your mind and body get its necessary academic and non-academic nirvana.

Jai Hind
