YUVA FOGSI

Now it's called

FOGSI Zonal Conference with YUVA

The organization of Zonal Conferences in all the four zones in India entitled “YUVA FOGSI” started in the year **2001**. In the first year four zonal conferences were held at Jamshedpur, Hyderabad, Agra and Goa. The success of these YUVA FOGSI Conferences is a notable achievement. These conferences portend to be a distinguished platform for our young FOGSI members to present their work, air their views and opinions, as well as interact with both colleagues and seniors.

The highlight of the YUVA FOGSI Conferences is the **FOGSI Kamini Rao Oration**. Instituted with a view to giving our younger FOGSI members an opportunity to be recognized, the Oration is held during the four YUVA FOGSI Zonal Conferences. Only members below the age of 40 are eligible to deliver this oration. The four Orators are also invited to participate and deliver their Oration at the All India FOGSI Congress. A special fund has been set up which takes care of the costs incurred for the travel, hospitality and plaque which is presented to each orator.
