**Dr. Sunita Tandulwadkar**

President FOGSI

### Greetings of the Season!

I warmly welcome you all to **North Zone YUVA FOGSI** conference that promises to be both enriching and memorable.

The theme, Dimple to Wrinkle, aptly encapsulates our journey as Gynaecologists, caring for women from adolescence to their later years. It aligns perfectly with Know Your Numbers, the FOGSI Presidential Project, reinforcing the message of self-awareness and self-love. I commend the organizers for seamlessly integrating all FOGSI Presidential Projects into the conference.

A key highlight is the Curtain Raiser featuring Know Your Numbers, setting the stage for an impactful event. The conference also boasts:

Eight specialized workshops covering diverse but essential topics.

A dedicated session on Perinatal Mental Health, aligned with our Sampurna Project, which underscores the importance of holistic maternal care.

Several thought-provoking sessions, keynote addresses, and orations.

A remarkable feature nine FOGSI Committee Chairpersons delivering keynote addresses, showcasing expertise across various domains.

The Usha Krishna Quiz, a longstanding attraction of every YUVA conference.

I extend my heartfelt invitation to each one of you to be a part of this academic extravaganza. Let us come together to make North Zone FOGSI a grand success and a truly unforgettable experience.

Regards

Dr. Sunita Tandulwadkar
