WELCOME MESSAGE :

Respected Seniors & Dear Colleagues,

It is with great pleasure that we welcome you to

OBSTETRIC FRONTIERS 2025 **....High risk obstetrics, Inside OT & Court**

set against the serene and spiritually enriching backdrop of Shirdi on the 1st and 2nd of February 2025.

This conference brings together some of the most distinguished minds in the field of obstetrics, who will share their expertise with our delegates. Our focus on high-risk obstetrics reflects the growing need for advanced knowledge and strategies to ensure the best possible outcomes for both mothers and babies. Like wise, a major part will be devoted to medicolegal aspects involved in our practice.

We are honored to have experts whose contributions to this field are widely recognized, and whose participation will undoubtedly offer profound insights and practical take-home messages for all attendees. The exchange of knowledge and experience here will, I believe, inspire and empower us all to push the boundaries.

As we come together in the sacred city of Shirdi, we encourage each of you to engage fully, learn deeply, and carry forward the wisdom shared here to your own practices and communities. Let this be a gathering not only of learning but also of collaboration, innovation, and shared commitment to advancing our field.

We look forward to welcoming you and to a highly productive and inspiring conference.

Regards.

Organising Team.
