FROM THE DESK OF THE PRESIDENT

DR. HRISHIKESH D. PAI
President-FOGSI 2022-2023

As I write this message, I find myself filled with immense gratitude, pride, and a deep sense of accomplishment as I present the FOGSI Annual Report for the year 2022-2023. Reflecting on this remarkable year, it is evident that it has been one of transformation, collaboration, and growth, underscored by our shared commitment to advancing maternal and child health across India. It has been an honor to serve as the President of the Federation of Obstetric and Gynecological Societies of India (FOGSI) during this pivotal year.

As we reflect on the past year, we are reminded of the challenges, triumphs, and opportunities that have shaped our journey. This year was a pivotal one, not only in terms of the progress we've made as a Federation but also in the many milestones that helped us engage, educate, and elevate the healthcare community at large. The efforts of everyone involved have culminated in a year of exceptional conferences, groundbreaking projects, and collaborative partnerships. Let's take a detailed look at the significant events, highlights, and milestones that defined our year.

Key Installations and Celebrations

A defining moment in my tenure was being installed as President twice during my career—first, in Mumbai in October, and then in Kolkata at AICOG 2023. The Mumbai event was clubbed with the first of four Presidential Conference, popularly called FemmTek One. I was installed on 22nd October 2022, which was one of the auspicious Diwali days. Many celebrities such as Union Minister Shri Fagga Singh Kulaste, President Elect of FIGO Dr Anne Kihara, Secretary General of FIGO Dame Lesley Regan, Film celebrities like Lara Dutta, Karishma Kapoor, Poonam Dhillon, Padmini Kholhapure and numerous past presidents of FOGSI including Dr Rishma Pai, Dr Nandita Palshetkar, Dr Rusi Soonawala, Dr Alokendu Chatterjee graced the occasion. It was here that I launched my FOGSI theme Badaav: defined by three words Ekikaran (integration), Samanta (equality) and Takneeki (technology). I also launched my slogan Swasth Nari, Sukhi Nari (Healthy woman, Happy Woman) This moment highlighted the collective nature of our achievements, and I felt deeply supported by my colleagues and friends.

My ceremonial second installation at AICOG 2023 in Kolkata was a major milestone. It was a momentous occasion that saw the participation of Dr Jeanne Conry, the then President of FIGO, who shared her insights and leadership with us. The presence of international figures such as Vidya Balan and Mary Kom further elevated the significance of the event. Their presence brought together the worlds of healthcare, sports, and entertainment, and served as a reminder of the

interdisciplinary nature of our work in improving maternal and child health. West Bengal OBGYN Society led by Dr Bhaskar Pal (President Elect FOGSI 2026), Dr Basab Mukherjee (President of Bengal Society), Dr Dibyendu Banerjee, Dr Krishnendu Gupta & Dr Ashish Mukhopadhyay did a great job.

Academic Excellence

A cornerstone of FOGSI's success has been our academic initiatives. The publication of 23 FOGSI Textbooks and 21 FOGSI Focus Handbooks this year has been a monumental achievement. Among the most significant of these publications were the 26 Good Clinical Practice (GCP) Recommendations. These guidelines, developed pro bono by Chairpersons of the FOGSI Committees and members of ICOG, are set to make a lasting impact on the quality of Maternal healthcare across India. I must make a special mention of the efforts made by Dr Sanjay Gupte & Dr Surekha Tayade, supported by Dr Hema Diwakar, Dr C N Purandare, Dr Rishma Pai, Dr Nandita Palshetkar, Dr Jaydeep Tank, Dr Madhuri Patel & Dr Laxmi Shrikhande.

Our commitment to continuing education has been further demonstrated through the 40 Continuing Medical Education (CME) sessions we organized, which reached over 10,000 participants. With the advent of digital technology, particularly Zoom, we have been able to reach an even wider audience. We held over 340 online events, engaging more than 100,000 healthcare professionals and enthusiasts. We also conducted 33 conferences and meetings covering over 22,500 delegates. Overall, the Team FOGSI 2023 covered a

Grand Total of 1,30,500 delegates/faculty over the 14-month period. These initiatives reflect our unwavering dedication to enhancing the knowledge and skills of our members, empowering them to make a meaningful impact in their communities.

Research and Advocacy

FOGSI's dedication to research and advocacy has been another defining feature of the year. Our commitment to evidence-based practices is exemplified by the meta-analysis from the 26 GCP Guidelines, which will soon be published in leading medical journals. This will further strengthen our reputation as a hub for rigorous research and high-quality clinical practices.

In the realm of advocacy, we have seen tremendous strides in raising awareness on key issues impacting maternal health. The publication of FOGSI Focus magazine's 21 issues has played an instrumental role in spreading information on critical topics. Additionally, our efforts in hosting FOGSI CMEs, online Zoom meetings, and community outreach programs have ensured that our advocacy efforts have far-reaching impacts. By connecting with over 130,000 individuals through these initiatives, FOGSI has made significant contributions to policy discussions and public health initiatives on a national scale.

FOGSI Conferences

I was fortunate enough to do 30 live conferences during my year. Let us take a Roller Coaster Ride through the past highly eventful 14 months of my life:

FemmTek Conferences: A Groundbreaking Year in Women's Health Innovation

We held **four major FemmTek Conferences**, each with its unique focus, offering new insights and opportunities for collaboration:

1. Femmtek-1 Conference - Mumbai:

This was held in Mumbai, at the time of my installation in October 2022. I have already mentioned about it.

2. FemmTek-2 Conference - New Delhi:

This was held in Delhi, organized by **Dr Amita Suneja** (President AOGD) and her talented team, including **Dr A G Radhika** (Secretary AOGD), whose commitment ensured the success of this event. We were privileged to have significant participation from the Government of India, NITI Ayog, WHO, UNICEF, UNFPA, JHPIEGO highlighting their support for advancing women's health through technological innovation. The high point of this conference was the **Eight roundtable thought meetings** that I led on key healthcare topics that are central to improving women's health namely: **midwifery**,

cervical cancer, Postpartum Hemorrhage (PPH), LSAs (Laparoscopic Surgeries), anemia, contraception, gender equality, and adult vaccination. These roundtables facilitated deep discussions and shared knowledge, that would impact the future direction of women's health in India and beyond. In the evening ceremony, Dr Usha Sharma and Ms Isha Koppikar Film Actor gave away appreciation awards to the participants. We also held our Mid Term FOGSI Managing Committee Meeting in Delhi.

3. FemmTek 3 Conference - London:

The third FemmTek FOGSI RCOG India Day Conference took place in the Newly Built Royal College Building in **London**, on 28th June 2023. I cannot thank President of RCOG **Dr Rani Thakkar** enough for her outstanding contribution to making this event a resounding success. She, along with **Ms Kate Lancaster** (CEO RCOG), the five Vice Presidents namely **Dr Hassan Shehata**, **Dr Laura Hipple**, **Dr Asma Khalil**, **Dr Geeta Kumar**, **Dr Ian Scudamore**, **Dr Abdul Sultan** as well as **Dr Ameet Patki**, and **Dr Bhaskar Pal** from **AICC-RCOG**, played pivotal roles in ensuring the event's success. The conference was hosted by the **Royal College of Obstetricians and Gynaecologists (RCOG)**, and the venue itself was absolutely spectacular, providing a wonderful backdrop for the discussions. The presence of key figures like **Dr Jyotsna Acharya**, **Dr Umranikar** from the RCOG India Liaison Group and many other esteemed colleagues from India and the UK made this a

truly international event. From the Indian side, **Dr Rishma Pai** (Past President FOGSI), **Dr Nandita Palshetkar** (Past President FOGSI), **Dr Pratibha Singh** (Chair of the International Academic Exchange Committee of FOGSI) played a pivotal role in leading the 100 plus strong Indian Gynecologists Delegation.

The Royal College's building was nothing short of impressive, and it was a proud moment to see so many Indian healthcare leaders coming together in that space, representing our collective commitment to advancing women's health. This conference provided an excellent platform for collaboration and knowledge exchange on global healthcare innovations.

4. The FOGSI RCOG Presidential FOGSI International Achiever Awards – House of Commons, London UK

The **FOGSI RCOG Presidential FOGSI International Achiever Award Ceremony** and meeting at the House of Commons, London UK followed the conference, and I must thank **Dr Anu Chawla**, who did an exceptional job organizing this memorable evening. Along with **Dr Rani Thakar** and **Ms Kate Lancaster**, we celebrated the accomplishments of the Federation and honored the contributions of individuals in advancing the cause of women's health. The evening was graced by numerous dignitaries like Ms Ritu Hinduja, Dr Joe Leigh Simpson, Dr Jeanne Conry (President FIGO), Dr Lesley Regan (Secretary General FIGO), Dr Anne Kihara (President Elect FIGO), Dr Philippe Descamps (Vice President FIGO), Dr Paul Fogarty, as well as many other distinguished Gynecologists from across the world. Many Indian Gynecologists including Dr Jaydeep Tank (President FOGSI 2024), Dr Shantha Kumari (Past President FOGSI), Dr Sampath Kumari (Vice President FOGSI), Dr Asha Baxi (Vice President FOGSI) and many others participated in this memorable event.

5. FemmTek-4 Conference - Mumbai:

The final **FemmTek-4 Conference** of the year was held in Mumbai in November, & was organized by **Dr Rishma Pai, Dr Nandita Palshetkar, Dr Anahita Chauhan & Dr Jaydeep Tank**. This event was particularly close to my heart, as it represented a culmination of everything we've worked towards in the last few years. It was an incredibly well-organized conference, and I would like to extend my

deepest gratitude to all involved in making it such a success. Notable participants included Dr Anne Kiara (who joined digitally due to travel constraints), Dr Rohana Haththotuwa, Dr Paul Fogarty, Dr Stephen Rulisa, Dr Ivonne Diaz, Dr Bo Jacobsson, Dr Mike Robson, Dr Hetal Gor, Dr Dib Dutta, Dr Muna Tahlak, Dr Amala Khopkar, Dr Saroja Pande, Dr Ganesh Dangal, and Dr Padma Raj Pant, among many others.

The Mumbai conference covered key areas of FemmTek, from health innovations in maternal health, to gender equality, and explored the role of digital tools in women's empowerment. It was truly a fantastic event that showcased the energy, ideas, and commitment of all the people involved in shaping the future of women's health.

VICE PRESIDENT CONFERENCES: A Series of Regional Successes

In the year, the **Vice President Conferences** took place across multiple regions, each offering its own unique experience and contributing significantly to the advancement of women's health and the **FOGSI Federation's** vision. Each regional event was carefully crafted by the respective Vice Presidents, along with their teams, to ensure a fruitful exchange of knowledge and ideas. Here's a detailed look at each of these conferences:

6. East Zone Conference – Under the leadership of VP Dr Alka Pandey

The **East Zone Vice President Conference LabourCon 2023** was brilliantly organized by the compassionate and

capable **Dr Alka Pandey**, supported by **Dr Vinita Singh**, **Dr Meena Samant**, **Dr Supriya Jaiswal**, **Dr Neelam** and **Dr Pragya Mishra**. Dr. Pandey's gentle and empowering leadership set the tone for this event, which celebrated the power of women in medicine and beyond. A standout moment of this conference was the introduction of the **Mr. and Mrs. FOGSI** competition, a first for us. For the first time ever, we organized the **elimination rounds** and transformed it into a **pageant show**, where participants showcased their talents and charisma. It was an exciting and engaging experience that brought a sense of fun and camaraderie to the event.

7. South Zone Conference – Under the leadership of VP Dr Sampath Kumari

The **South Zone Conference**, in Kodaikanal, was spearheaded by my **resourceful Vice President of South India**, **Dr Sampath Kumari**, alongside **Dr B Kalpana**, who did a fabulous job ensuring everything ran smoothly. One of the highlights of this conference was a truly special moment for me: the **release of a National Postal Stamp with my name** on it. This is a rare honor, and only a **FOGSI President** could have the privilege of such an accolade. It was a deeply humbling experience, and I am grateful to all involved for making it happen.

Another special moment was the **Tree Plantation** initiative. As many of you know, I have a deep love for trees, and it was a joy to plant trees with the wonderful team at the conference. **Dr Rishma** and I often joke that the only thing that could come between us is a tree - such is my passion for them. Planting these trees was a powerful symbol of growth and sustainability, and it felt wonderful to be part of that moment.

8. West Zone Conference One - Under the leadership of VP Dr Geetendra Sharma

In Ahmedabad, the **West Zone Medicolegal Conference** was expertly organized by the ever-reliable **Dr Geetendra Sharma**, a solid and dependable leader. He was ably supported by **Dr Mukesh Savaliya** and **Dr Mukesh Patel**, both of whom played crucial roles in making the event a success. The conference was a perfect blend of meaningful discussions, workshops, and networking, and the attendees left with a renewed sense of purpose and collaboration. Delegates: 700+

9. West Zone Conference Two - Under the leadership of VP Dr Asha Baxi

The **second West Zone Conference** was held in Indore, and it was another fantastic event. A moment I will never forget from this conference was the grand **garland ceremony** where **Dr Asha Baxi** and her wonderful team - **Dr Brajbala Tiwari**, **Dr Jyoti Bunglowala**, and many others - bestowed

upon me a **lavish garland** as a token of appreciation. It was a truly warm and overwhelming experience, highlighting the spirit of unity and respect that defines the **FOGSI Federation**.

10. North Zone Conference - Under the thoughtful leadership of VP Dr Yashodhara Pradeep

The **North Zone Vice President Conference** took place in **Ambala** and was led by **Dr Yashodhara Pradeep**, with the support of **Dr Poonam Loomba**, **Dr Mitra Saxena**, and **Dr Sugandha Chopra**. This conference was a delightful experience, bringing together thought leaders and key players in women's health. Their dedication ensured that every attendee was engaged and left with valuable insights to carry forward in their practices. It was a truly memorable conference and one that reinforced the importance of regional collaboration.

Zonal Conferences with Yuva : Empowering the Next Generation

The **Zonal Conferences with Yuva** held throughout the year were a series of vibrant, impactful events that focused on empowering young minds in the field of women's health. These conferences provided a platform for young professionals, students, and emerging leaders to engage in deep discussions, gain valuable insights, and be inspired by influential figures in the healthcare sector. Each conference was tailored to the needs of the region, offering an unforgettable experience for all those who participated.

11. The FOGSI West Zone Conference with Yuva - Kota

The very first of these **Zonal Yuva Conferences** took place in **Kota**, organized by **Dr Lila Vyas** and **Dr Desh Deepak**, under the guidance of my **Vice Presidents Dr Asha Baxi & Dr Geetendra Sharma**. It was a truly beautiful event, set against the stunning backdrop of **Ranthambore Sanctuary**, a place known for its natural beauty and wildlife. The excitement of searching for the elusive tiger became a metaphor for the conference itself - seeking knowledge and inspiration, even when the answers aren't always easy to find. While I never did see the tiger, the experience of exploring the sanctuary and immersing in nature added a unique charm to the event. The conference itself was filled with energy, with numerous sessions and discussions that inspired the attendees, making it a landmark event in our Yuva Conference series.

12. The FOGSI South Zone Conference with Yuva - Calicut

The **South Zone Yuva Conference** in **Calicut** was an absolute game-changer, organized with great care by **Dr Subhash Mallya**, and **Dr Reejesh**, under the guidance of my **Vice President Dr Sampath Kumari**. This conference broke new grounds in many ways, setting a high benchmark for future events. With an impressive registration number of over **1,000 participants**, this event was a testament to the growing interest and enthusiasm among young professionals in the region. The energy at the conference was palpable, and the exchange of ideas was truly enriching. This event

proved to be an important moment in our ongoing efforts to empower the next generation of women leaders in healthcare.

13. The FOGSI North Zone Conference with Yuva - Varanasi

Next, the **Yuva Conference** moved to **Banares**, one of the oldest cities in the world, rich in culture and history, dating back nearly **2,500 years**. The conference was organized by **Dr Anuradha Khanna & Dr Ritu Khanna** under the guidance of **Vice President Dr Yashodhara Pradeep**. They ensured that the event was both intellectually stimulating and culturally immersive. On the banks of the sacred **Ganges River**, we participated in the iconic **Ganga Aarti**, a deeply spiritual moment that underscored the city's historical significance and spiritual essence. This Yuva Conference was unique not only for the intellectual discussions but also for the chance to experience Banaras' rich traditions, making it an unforgettable part of our conference series.

14. The FOGSI East Zone conference with Yuva - Manipur - A Remarkable Effort Amidst Adversity

The final **Zonal Yuva Conference** of the year was one that will forever remain close to my heart, taking place in **Manipur** from **22nd December to 24th December 2023**. This event was particularly significant for me, as it was organized in a region facing considerable challenges due to political strife and ongoing riots. Despite the turmoil, the team in Manipur, led by **Dr Subodha, Dr Pratima, and Dr Digel**, under the guidance of **Vice President Dr Alka Pandey**, managed to pull off this remarkable conference. I had some concerns, given the tense situation in the state. But these were my people, and I knew it was crucial to show up, not just for the conference but to stand in solidarity with them. The conference was a great

success, thanks to the immense dedication of the team and the support of **Dr Sapan**, the **Health Minister of Manipur**, who attended the event and expressed his gratitude for our commitment, despite the challenges. The resilience shown by the team and the attendees was awe-inspiring, and it reaffirmed the importance of continuing our work even in the face of adversity.

FOGSI Specialty Conferences: Elevating Women's Healthcare

The **FOGSI Specialty Conferences** this year were nothing short of spectacular, with a series of high-impact events organized across various cities in India and abroad. These conferences were designed to address specialized aspects of women's health, bringing together leading experts, practitioners, and professionals to discuss cutting-edge medical advancements, share knowledge, and explore new techniques and innovations. Here's a look at the memorable and significant specialty conferences held under the banner of **FOGSI** this year.

15. AICC-RCOG Conference in Mumbai

The **AICC-RCOG Conference**, organized in collaboration with the Mumbai OBGYN Society & FOGSI in November 2022, was a highly successful event organized in Mumbai by **Dr Sarita Bhalerao**, **Dr Niranjan Chavan**, **Dr Ameet Patki**, and **Dr Bhaskar Pal**. I was privileged to deliver one of the orations of the conference along with Dr Eddie Morris (President RCOG 2022). This conference delved into the latest advancements in obstetrics and gynecology, offering a platform for clinicians to exchange insights on emerging

trends and challenges in the field. The participation of experts, coupled with engaging panel discussions, made it one of the most enriching conferences of the year. Delegates: 300+

16. FOGSI Funfrence in Andaman & Nicobar Islands : A Historic Journey

One of the most unforgettable conferences of the year took place in the **Andaman Islands**, a location deeply embedded in India's history. It was not just an academic event but a journey back in time, where we honored our great freedom fighter, **Veer Savarkar**, who was incarcerated by the British in **Cellular Jail** (also known as **Kala Pani**). Standing in the very cell where Savarkar was confined, I had the privilege of praying and reflecting upon his sacrifices. This emotional visit added a unique dimension to the conference, making it a deeply inspiring experience for more than 100 Gynecologists, who attended the event. The conference was well organized by **Dr Sampath Kumari** and **Dr Subhash Mallya**. The focus was on Adolescent Health and we conducted educational activities in the schools of the main island.

17. FOGSI ICOG Conference in Nagpur

The **ICOG RRR (Refresh, Research & Reform) Conference** in **Nagpur** was a remarkable gathering, expertly organized by ICOG Chair **Dr Lakshmi Shrikhande**, **Dr Ashok Kumar**, **Dr Parag Biniwale**, **Dr Parul Kotdawala** & **Dr Varsha Dhawale** and her team. This conference focused on the latest research, clinical practices, and innovations in gynecology. With a range of expert-led sessions and discussions, the conference provided a thorough understanding of emerging trends in women's health. The event successfully attracted leading professionals from across India, making it a significant milestone in the year's academic calendar. Delegates: 300+

event. All the faculty, known for medical publishing, brought in their editorial insights, making this event particularly valuable for young professionals in both clinical and academic settings. Delegates: 100+

18. PICSEP Conference - Mumbai

The **PICSEP Conference** at the Sion Hospital & LTMMC **Mumbai**, organized by **Dr Pradnya Chengede**, **Dr Arun Nayak**, **Dr Niranjana Chavan**, **Dr Shailesh Kore** and **Dr Geeta Balsarkar**, proved to be a dynamic and interactive

19. Star Global Summit on High Risk Pregnancy - Pune

A standout event on the calendar was the **Star Global Summit**, held in **Pune** under the leadership of **Dr Sunita Tandulwadkar**, the incoming president of FOGSI, with Pune Society President **Dr Parag Biniwale**. This conference attracted a global audience and featured leading experts from around the world who discussed various aspects of managing High Risk Pregnancy. The conference was a remarkable blend of knowledge sharing, networking, and learning, setting the stage for future collaborations in the global healthcare community. Delegates: 600+

20. FOGSI WWNATCON Conference: Namami Gange and Beyond - Kanpur

The **Kanpur Conference**, hosted by the two **Legends of the North**, **Dr Meera Agnihotri** & **Dr Usha Sharma** and supported by **Dr Kanchan Sharma**, was a blend of scientific discourse and cultural richness. The highlight of this event was the **Namami Gange Program**, which took place on the banks of the sacred **River Ganges**. The program was not only a spiritual experience but also a reminder of the importance of environmental conservation. The conference discussions revolved around women's health, providing valuable insights for practitioners and researchers. Delegates: 800+

21. FOGSI-ISAR Star Global Infertility Conclave - Mumbai

Dr Sunita Tandulwadkar once again played a central role in organizing a high-impact conference, this time focusing on **infertility**. With support from **Dr Nandita Palshetkar**, **Dr Kundan Ingale**, **Dr Ashwini Kale** and **Dr Sujata Kar**, the conference provided in-depth discussions on the

latest advancements in infertility treatments, technologies, and ethical considerations. The event brought together experts from diverse fields to offer solutions to one of the most pressing challenges in women's healthcare today. Delegates: 300+

22. AAGL-IAGE-FOGSI 18th International Global MIS Event - Mumbai

Dr Prakash Trivedi & **Dr Pandit Palaskar** organized the **AAGL Conference** in **Mumbai** under the banner of **FOGSI**. This was one of the most significant events of the year, with over **1,000 delegates** in attendance. The conference covered a wide range of topics related to advanced laparoscopy and endoscopic surgery, offering practical insights and hands-on training for practitioners. Dr Trivedi's expertise and experience ensured that the conference was not just informative but also highly engaging for participants. Delegates: 1000+

23. International PPH Conclave - Ahmedabad

Another notable conference was the **PPH (Postpartum Hemorrhage) Conference**, held in **Ahmedabad** and organized by the dynamic **Dr Mahesh Gupta and Dr Phalgun Shah**. Dr Mahesh Gupta, known for his innovation and leadership in the field, demonstrated **internal iliac ligation** techniques during the conference, making it a truly hands-on learning experience. The conference tackled one of the most critical issues in maternal health - postpartum hemorrhage - offering new solutions and best practices for managing this life-threatening condition. Delegates: 500+

24. FOGSI Gestosis Summit - Hosur

The **Gestosis Summit** was a collaborative effort from a stellar team, including **Dr Sanjay Gupte, Dr Suchitra Pandit, Dr Alpesh Gandhi, Dr Jayam Kannan, Dr Girija Wagh, Dr Gorakh Mandrupkar and Dr Charmila Ayyavoo**. This summit focused on gestational **hypertension** and related complications, providing a platform for specialists to share the latest research, treatment modalities, and best practices in managing gestosis.

25. FOGSI-FIGO International Conference - Hyderabad

An international conference was hosted in **Hyderabad** by **Dr. Shantha Kumari** and her team from Hyderabad society, bringing together global experts to share their knowledge on various aspects of women's health. The conference was an incredible success, with insightful discussions and presentations, particularly on global health initiatives and the role of women in shaping future healthcare systems. **Dr Krishna Kumari, Dr Kiranmai Devineni and Dr Aruna Suman** were among the key contributors to this event. FIGO was represented by **Dr Anne Kihara**, then President Elect & **Dr Muna Tahlak**.

26. FOGSI Woman at 40 Conference - Ghaziabad

This was a well conducted conference led by **Dr Gunjan Gupta** & her team from Khora Makanpur Society comprising of **Dr Garima Tyagi & Dr Somna Goyal**. All aspects of overcoming the problems faced by patients in mid-life and menopause were covered in the meet.

27. FOGSI AOGD FOGSICON - New Delhi

This conference was led by the **AOGD President Dr Amita Suneja** and her team of **Dr AG Radhika, Dr Neerja Bhatla, Dr Poonam Goyal, Dr Kiran Agarwal & Dr Anita Sabharwal**. There was a huge focus on young postgraduates who presented many papers. The highlights of the conference were the well-attended 12 pre-congress workshops.

28. FOGSI Annual Academic Updates by FOGSI Friends - Goa

This conference cum Funference was conducted under the able leadership of **Dr Sudhir Shah, Dr Deepak Bhagde, Dr Narendra Malhotra & Dr Alpesh Gandhi**. This was combined with Yoga sessions and Art of Living sessions, which was an enlightening experience for the participants.

29. SAFOG FOGSI MOGS Conference - Mumbai

This joint conference was conducted in Mumbai under the joint leadership of **Dr Shyam Desai (President SAFOG), myself Dr Hrishikesh Pai (President FOGSI) & Dr Anahita Chauhan (President Mumbai OBGYN Society)**. Many colleagues such as **Dr Rohana Haththotuwa, Sir Arulkumaran, Dr Rasheed Latif, Dr Ashma Rana, Dr Ferdousi Begum, Dr Farhana Dewan (Secretary SAFOG), Dr Bhaskar Pal (FOGSI Representative to SAFOG), Dr Yusuf Latif, Dr Alokendu and Dr Shailesh Kore** participated in the organization of the conference. Delegates came from all over South East Asia including Bangladesh, Sri Lanka, Pakistan and Nepal. Delegates: 750+

30. FOGSI Conference on Infections in OBGYN - Jaipur

This focused conference was conducted by **Dr Anju Soni** in association with Jaipur Society and supported by **Dr Pushpa Nagar, Dr Shubha Sethia and Dr Aditi Bansal**. The conference was well received. Delegates: 500+

31. National Oncology Conference Updates in Gynaecologic Oncology & HPV Conclave - Thane
Dr Priya Ganesh Kumar along with **Dr Jaynarayan Senapati** & Thane Society led a successful oncology conference, addressing the intersection of gynecology and oncology. The conference discussed the latest advancements in cancer prevention, vaccination, detection, treatment options, and care for women with gynecological cancers. It was a highly informative and impactful event, bringing together specialists from oncology and gynecology. Delegates: 300+

32. FOGSI Conference on Critical Care - Bhagalpur

The conference was well organized by **Dr Rekha Jha and Dr Kavita Barnwal** along with Bhagalpur Society. The conference discussed all aspects of critical care. National experts such as **Dr Alpesh Gandhi & Dr Madhuri Patel** participated in the meeting.

33. FOGSI Scientific Sangam Conference - Prayagraj

The **Sangam Conference** held in **Prayagraj**, was organized by **Dr Ranjana Khanna**, in association with the Allahabad Society. It provided a wonderful opportunity for professionals to come together and share insights in a collaborative setting. This conference stood out not only for its academic sessions but also for its beautiful location, which reflected the spiritual essence of the city. It was a truly enriching event for all attendees.

34. AICOG 2024 – Hyderabad

A special mention must go to **Dr Shantha Kumari** and her exceptional team, including **Dr Vindhya, Dr Aruna Suman, Dr Krishna Kumari, and Dr Kiranmai Devineni**, who did an outstanding job organizing the **AICOG** in **Hyderabad**. I handed over the reins of FOGSI to the incoming President **Dr Jaydeep Tank**. The AICOG Conference provided a perfect blend of knowledge-sharing and networking, highlighting the importance of bringing people together to work towards the common goal of improving women's health.

35. FOGSI Participation in the FIGO World Congress – Paris, France

Hundreds of FOGSI members participated in this conference. On behalf of FOGSI and FIGO Representative **Dr Nandita Palshetkar**, I had the privilege of presenting FOGSI activities to the FIGO Council presided by **Dr Jeanne Conry**. Under the leadership of convenors **Dr Rishma Pai**, **Dr Nandita Palshetkar**, **Dr Suvarna Khadilkar**, FOGSI hosted the India Night at the beautiful Marriott Hotel in Paris. Many Indian delegates and invited foreign delegates from other countries attended the India Night. FOGSI representatives attended the General Assembly, where Dr Rishma Pai was one of the recipient of the FIGO International Women's Award. During the second General Assembly meeting, I had the fortune to win the post of Regional Trustee FIGO Asia Oceania Region for 2023-25. Dr Shantha Kumari won the Treasurer's election. Myself, Dr Jaydeep Tank, Dr Madhuri Patel, Dr Nandita Palshetkar, Dr Shantha Kumari, Dr Alka Pandey & Dr Sampath Kumari voted in the elections, on behalf of FOGSI. FOGSI members participated as faculty in numerous scientific sessions. The FOGSI Manyata initiative conducted a parallel session on Manyata, at the Courtyard by Marriott Hotel. This session was well attended by many leading personalities such as Sir Arulkumaran to name a few. All in all, it was a very successful FIGO Meeting.

Academic Initiatives

In addition to the specialty conferences, **FOGSI** undertook several **academic initiatives** aimed at broadening the knowledge base of medical professionals across the country.

1. **FOGSI ICOG Gurukul Medha online training program**, led by Dr. Ashwath Kumar and Dr. Kiran Pandey, trained over 16,000 postgraduate students. This program was supported by ICOG Chair Dr. Laxmi Shrikhande and ICOG Secretary Dr. Ashok Kumar and the past FOGSI Presidents Dr. Nandita Palshetkar, Dr. Rishma Pai, Dr. Alpesh Gandhi, Dr. Shantha Kumari and Dr. Jaydeep Tank.
2. **FOGSI Karyashala workshops, supported by the Evolve initiative of Alembic**, were conducted across various parts of India. The FOGSI committee chairs were made convenors as well speakers for these workshops. 24 workshops were conducted all over India in association with various FOGSI Societies namely Hyderabad, Noida, Siliguri, Chandigarh, Kolkata, Mumbai, Bengaluru, Pune, Solapur, Mehsana, New Delhi, Agra, Moradabad, Raipur, Jaipur, Jabalpur, Amritsar, Ludhiana, Chennai, Guwahati, Rajkot, Bhopal, Bhubaneswar & Srinagar.

3. **Online Presidential Academic initiative called “Crosstalk”** was launched. This was facilitated by Dr. Anu Chawla. Five Crosstalk sessions were carried out and they covered many renowned doctors such as Dr. C N Purandare, Dr. Basil Tarlatzis, Dr. Philippe Descamps, Dr. Ivo Meinhold, Dr. Ertan Saridogan, Dr. Lone Hummelshoj, Dr. Luk Rombauts, Dr. Hema Divakar, Prof. Darren Griffin, Prof. Justin Clark, Dr. Jaideep Malhotra, Prof. Gian Carlo Di Renzo & Dr. Ally Murji. This series provided a dynamic platform for interdisciplinary discussions on various healthcare topics.

4. **FOGSI's Digital Footprint: Over 340 Online Events and 100,000 Attendees**

In a remarkable achievement, FOGSI conducted more than 340 online events, engaging over 100,000 participants. These virtual gatherings allowed for knowledge sharing across borders, connecting professionals from around the globe and addressing key issues in women's health. The digital reach of FOGSI has expanded significantly, establishing it as a global leader in the field of obstetrics and gynecology.

FOGSI Projects: Advancing Women's Health and Creating Social Impact

Throughout the year, FOGSI has led and supported several groundbreaking projects aimed at improving women's health across India and globally. These initiatives, driven by a collective leadership, involve collaboration with international organizations, local communities, and the healthcare industry to create lasting change. Many of the pre-existing projects were continued, whilst many new projects were initiated in this year as well:

1. FOGSI FIGO AMPLI-PPHI Project

FOGSI has been selected by FIGO to implement the AMPLI-PPHI (Accelerating Measurable Progress and Leveraging Investments for PPH Impact) project in India, funded by UNITAID. This initiative is part of a global effort led by JHPIEGO, PATH, and FIGO, and is being rolled out across six countries: India, Democratic Republic of Congo, Guinea, Kenya, Nigeria and Zambia.

The project is spearheaded by Dr. Nandita Palshetkar, myself, Dr. Madhuri Patel, the FOGSI leadership team, and Dr. Ajey Bhardwaj. Its primary goal is to accelerate the adoption and scale-up of new treatments for Post-Partum Haemorrhage (PPH) in high-burden regions. The focus is on Heat Stable Carbetocin (HSC) for PPH prevention during AMTSL in facilities, Tranexamic Acid (TXA) for the treatment of PPH in conjunction with uterotonics and IV fluids, and Misoprostol for preventing PPH during community births, with advanced distribution for self-administration.

FOGSI has played a leading role in advocating for AMPLI-PPHI, participating in 26 national meetings, trainings, and conferences, reaching over 3,000 obstetricians & gynaecologists, and paramedics across India. We have also led orientation sessions for hub countries such as Nepal, Sri Lanka and Bangladesh.

Additionally, FOGSI has supported JHPIEGO and PATH in the development of the LRP, district-level workshops, research data collector training, and a key stakeholder consultation on improving access to PPH management drugs.

A significant achievement was our participation in AICOG 2025, where the AMPLI-PPHI session was led by notable experts including Mr. Dale Halliday, Technical Manager at UNITAID; Dr. Parag Bhamare, Country Lead at JHPIEGO; Dr. A. Krishnan, SPO at Gates Foundation; Dr. Ruth Wamae, Medical Director at Emory Hospital, Kenya; Dr. P. Shivkumar from MGIMS; Dr. V. Lahade from Nandurbar; and Dr. Ajey Bhardwaj. This session was a major step forward in advancing PPH management strategies.

FOGSI remains committed to driving significant change in PPH prevention and treatment, and to improving maternal health outcomes across India and the partner countries involved in this initiative.

2. FOGSI FIGO Gates LDI REACH Project

FIGO, in partnership with FOGSI, has launched the Leadership Development Initiative (LDI) – REACH (Removing Barriers to Effective Access and Coverage of Maternal Healthcare) project aimed at improving maternal and newborn health outcomes in India. The project, funded by the Bill and Melinda Gates Foundation, is also being implemented in five other countries: Bangladesh, Ethiopia, Kenya, Nigeria and Pakistan.

Under the leadership of Dr. Hrishikesh Pai (Project Chief, Country Lead India), Dr. Madhuri Patel, and the FOGSI national leadership team, the initiative is supported by FIGO Headquarters led by FIGO President Dr. Anne Kihara, FIGO Past President Dr. Jeanne Conry, FIGO CEO Ms. Frances Longley, Ms. Rachel Gooden, Mr. Matt Pretty and Ms. Barina Ghale. In India, it is supported by Dr. Ajey Bhardwaj and several key centers in Bihar and Uttar Pradesh. Notable contributors include Dr. Alka Pandey, Dr. Vinita Singh, Dr. Uma Jaiswal, Dr. Neera Agarwal, and over fifty FOGSI leaders from across the country.

To date, the project has successfully trained 6,690 obstetricians, nursing staff, and postgraduate trainees through 71 programs conducted nationwide. We have also established strong partnerships with the State Health Society and UNICEF in Bihar, enabling us to train healthcare providers across district hospitals in the state.

As part of our clinical focus, we have developed and implemented curriculum materials, including Ready Reckoner Posters/Charts outlining critical pathways and necessary actions. These resources are now available for widespread use.

In addition, a recent field visit to Bihar by the FIGO team, led by Ms. Frances Longley (CEO), Dr. Alison Wright (Technical Lead, LDI), Mr. Mathew Pretty (Program Officer, LDI), and Dr. Ajey Bhardwaj, was a great success. This visit provided valuable insights and further strengthened our collaboration with local partners.

A significant milestone for the project was our participation in AICOG 2025. For the first time in the history of an obstetrics and gynaecology national conference, we conducted a half-day workshop on Leadership, Management, and Marketing. This workshop covered key topics such as leadership in healthcare settings, financial planning for medical practices, proposal writing for funding, the use of ChatGPT and AI in PowerPoint presentations, and a dedicated LDI session.

We are proud of the progress made and look forward to continued success in improving maternal healthcare access and outcomes in India and beyond.

3. FOGSI IAP HPV Vaccination Project

One of the most significant breakthroughs for FOGSI this year came through the **Vaccination Project jointly conducted with the IAP (Indian Association of Pediatrics)**. Thanks to

a generous grant from the **American Cancer Society** and the **Cancer Foundation of India**, FOGSI has trained **10,000 gynecologists** on the importance of **HPV vaccination and cancer prevention**. The project was initiated during my year and completed during Dr. Tank's year. This initiative is set to have a massive impact on reducing cervical cancer rates across India, marking a major milestone for FOGSI and its mission to combat preventable diseases.

4. Becton Dickinson HPV Vaccination Project

In partnership with **Becton Dickinson India**, FOGSI has launched a new initiative to increase the awareness and availability of the **HPV vaccine**. This project will focus on enhancing the training of healthcare professionals in the safe administration of the vaccine and the importance of early vaccination for young women. The collaboration aims to significantly reduce the incidence of HPV-related cancers in India, particularly cervical cancer. The first training of trainers project was successfully carried out at the AICOG 2025 in Mumbai.

5. FOGSI UNICEF VISHESH Optimizing Caesarean Section Project

Given the growing concerns about rising Caesarean section rates in India, FOGSI initiated a **Caesarean Project** that involved the collaboration of **50 senior professors and experts** from across the country. The convenors of this project were myself Dr. Hrishikesh Pai, Dr. Madhuri Patel & Dr. Surekha Tayade. The national coordinators were Dr. Rishma Pai & Dr. Nandita Palshetkar. With the help of **Prof. Mike Robson** and **UNICEF**, this project addresses the challenge of optimizing Caesarean deliveries and promotes safer, evidence-based practices for childbirth. With the use of protocolized obstetric care and mentored supervision, we have strived to optimize Caesarean section rates in participating maternity healthcare units. Implementation of Five interventions have been proposed, namely: Auditing C-sections by Robsons Audit, adhering to standard protocol while performing induction of labour, appropriate CTG interpretations, respectful maternity care and proper labour analgesia and nurse midwifery assistance. Multiple Zoom

meetings and in-person meetings have been done in the Femmtek-2 Conference in New Delhi Apr 2023, Femmtek-4 Conference in Mumbai Nov 2023, MOGS Conference in Mumbai Sept 2024, the President's Conference in Mumbai Nov 2024 and the AICOG 2025 in Mumbai Jan 2025. Presently, the project is ongoing.

6. FOGSI Nari Swasthya Janandolan Yatra - Na Na Anemia Yatra

The **Nari Swasthya Janandolan Yatra**, famously known as the **Na Na Anemia Ride**, was an extraordinary and transformative journey, a testament to our collective commitment to improving women's health across the nation. Supported by **P&G Health**, **IJCP**, and **Together Events**, this initiative symbolized a relentless pursuit of a healthier tomorrow for India's women.

Spanning **90 days**, this ambitious Yatra traveled a staggering **9,000 kilometers**, weaving through **10 states and 39 cities**. From the serene landscapes of **Uttarakhand** and **Kerala** to the bustling metropolises of **Karnataka**, **Tamil Nadu**, and beyond, the Yatra touched lives, sparked conversations, and created a ripple effect of awareness and action.

The campaign reached an awe-inspiring **100 million people** through its wide-ranging activities. In each city, the Na Na Anemia Yatra conducted three activities namely:

- Medical Screening Camps with Free Investigations:** Thousands of women underwent free health checkups, addressing critical health concerns and promoting early detection and prevention. The patients were screened for weight, BP, haemoglobin, blood sugar and TSH. Generally, the camps were conducted from morning till afternoon.
- Public Education Forums:** These platforms became the voice of the initiative, educating communities about anemia, its prevention, and broader health issues affecting women. These forums were generally for one hour and were carried out just prior to the CME activities.
- Continuing Medical Education (CMEs):** Engaging healthcare professionals across the journey ensured

the message of women's health reached beyond communities, impacting healthcare delivery directly. These CMEs were conducted in the evening by 3 to 4 national speakers and speakers from the local society. The national speakers stayed on to cover at least 2 to 4 cities.

The first part of the Yatra was conducted in the Northern states. It started from Rishikesh Uttarakhand, on the banks of the river Gangaji. The Yatra consisted of a red Na Na Anemia bus and a mid-size video truck, mounted with a large video screen. We had created a public service cartoon of 10 minutes centered around a character called Doctor Didi; this cartoon discussed the entire medical issues that a woman comes across in her journey from birth till menopause. This cartoon was continuously played on the video screen, as a public service and a patient awareness initiative. The Yatra then proceeded to Dehradun, where the Yatra was inaugurated by Chief Minister of Uttarakhand, Shri Dhamiji. The Yatra then went through Meerut, Khorasananpur, Aligarh, Agra, Kanpur, Gorakhpur, Lucknow, Prayagraj, Varanasi, Mau, Patna, Muzaffarpur, Bhagalpur, Ranchi, Dhanbad, Jamshedpur, Durgapur, Bardhaman and ended in Kolkata. The Yatra thus covered five states of Uttarakhand, Uttar Pradesh, Bihar, Jharkhand & West Bengal and ended in Kolkata, during my installation as President at the All India Congress of OBGYN. The second part of the Yatra was conducted in the southern states of Andhra Pradesh, Telangana, Karnataka, Tamil Nadu and Kerala. We covered the cities Visakhapatnam, Kakinada, Vijayawada, Khammam, Tirupati, Chennai, Vellore, Kodaikanal, Coimbatore, Trichy, Madurai, Mangalore, Bengaluru, Hubballi, Cochin, Nagercoil, Thiruvananthapuram, Calicut, and Kanyakumari. Each state welcomed the initiative with open arms, and every city embraced the vision of healthier, empowered women. The **Na Na Anemia Ride** was more than a journey; it was a movement, a **Janandolan**, that galvanized communities to prioritize women's health. It fostered partnerships, inspired countless individuals, and left an indelible mark on public health in India. As the Yatra concluded, it became a powerful reminder that change is possible when we come together with a shared purpose. The echoes of its impact will resonate for generations, inspiring future initiatives and driving India closer to a healthier, anemia-free future for all women.

I would like to whole heartedly thank the organizers and Faculty of this initiative:

- **Rishikesh / Dehradun** - Dr. Jyoti Sharma, Dr. Jaya Chaturvedi, Dr. Arti Luthra, Dr. Radhika Raturi, Dr. Rishma Pai, Dr. Nandita Palshetkar, Dr. Asha Baxi, Dr. Alka Pandey, Dr. Yashodhara Pradeep, Dr. S Sampath Kumari, Dr. Ranjana Khanna, Dr. Ashish Mukopadhyay, Dr. Priyankur Roy, Dr. Manisha Takhtani, Dr. Sunita Tandulwadkar, Dr. Vinita Singh
- **Khora Makanpur** - Dr. Gunjan Gupta, Dr. Upasana Arora, Dr. Somna Mittal, Dr. Ritu Arya, Dr. Alka Pandey, Dr. Yashodhara Pradeep, Dr. Ashish Mukopadhyay, Dr. Priyankur Roy
- **Meerut** - Dr. Usha Sharma, Dr. Bharti Maheshwari, Dr. Priyanka Garg, Dr. Yashodhara Pradeep, Dr. Priyankur Roy, Dr. Poonam Goyal, Dr. Anita Rajorhia
- **Aligarh** - Prof. Seema Hakim, Dr. Namrata Bhardwaj, Dr. Saira Mehnaz, Dr. Poonam Goyal, Dr. Anju Soni, Dr.

Komal Chavan, Dr. Shyjus Nair, Dr. Neharika Malhotra

- **Agra** - Dr. Narendra Malhotra, Dr. Jaideep Malhotra, Dr. Sushma Gupta, Prof. Poonam Yadav, Dr. Poonam Goyal, Dr. Anju Soni, Dr. Komal Chavan, Dr. Shyjus Nair, Dr. Neharika Malhotra
- **Kanpur** - Dr. Meera Agnihotri, Dr. Usha Goenka, Dr. Kanchan Sharma, Dr. Yashodhara Pradeep, Dr. Ranjana Khanna, Dr. Priti Kumar, Dr. Poonam Goyal, Dr. Anju Soni, Dr. Komal Chavan, Dr. Shyjus Nair, Dr. Richa Sharma, Dr. Kiran Pandey
- **Gorakhpur** - Dr. Amrita Jaipuria, Dr. Aruna Chhaparia, Dr. Sadhana Gupta, Dr. Reena Srivastava, Dr. Madhuri Patel, Dr. Yashodhara Pradeep, Dr. Priti Kumar, Dr. Rohan Palshetkar
- **Lucknow** - Dr. Chandrawati, Dr. Priti Kumar, Dr. S.P. Jaiswal, Dr. Nidhi Johri, Dr. Rishma Pai, Dr. Madhuri Patel, Dr. Priyankur Roy, Dr. Priti Kumar, Dr. Yashodhara Pradeep, Dr. Rohan Palshetkar
- **Prayagraj** - Dr. Ranjana Khanna, Dr. Shubha Pande, Dr. Uma Jaiswal, Dr. Madhuri Patel, Dr. Rishma Pai, Dr. Yashodhara Pradeep, Dr. Rohan Palshetkar, Dr. Priyankur Roy
- **Varanasi** - Dr. Anuradha Khanna, Dr. Ritu Khanna, Dr. Lavina Chaubey, Dr. Shalini Tandon, Dr. Madhuri Patel, Dr. Yashodhara Pradeep, Dr. Rakhi Singh, Dr. Priyankur Roy, Dr. Rohan Palshetkar
- **Mau** - Dr. Ekika Singh, Dr. Kusum Verma, Dr. Yashodhara Pradeep, Dr. Rakhi Singh, Dr. Rohan Palshetkar
- **Patna** - Dr. Vinita Singh, Dr. Supriya Jaiswal, Dr. Meena Samant, Dr. Suchitra Pandit, Dr. Hema Divakar, Dr. Alka Pandey, Dr. Ameya Purandare, Dr. Ashish Kale
- **Muzaffarpur** - Dr. Rangila Sinha, Dr. Neelam Sinha, Dr. Sadhna Sinha, Dr. Suchitra Pandit, Dr. Hema Divakar, Dr. Alka Pandey, Dr. Vinita Singh, Dr. Ameya Purandare, Dr. Ashish Kale
- **Bhagalpur** - Dr. Pratibha Singh, Dr. Rekha Jha, Dr. Kavita Barnwal, Dr. Suchitra Pandit, Dr. Alka Pandey, Dr. Ameya Purandare, Dr. Ashish Kale
- **Ranchi** - Dr. Usha Nath, Dr. Suman Sinha, Dr. Kiran Trivedi, Dr. Alka Pandey, Dr. Niranjana Chavan, Dr. Priya Ganesh, Dr. Manoj Chellani, Dr. Tarini Taneja, Dr. Apurba Kr. Dutta
- **Dhanbad** - Dr. Pratibha Rai, Dr. Renu Upadhyay, Dr. S K Gupta, Dr. S K Das, Dr. Alka Pandey, Dr. Niranjana Chavan, Dr. Priya Ganesh, Dr. Manoj Chellani, Dr. Tarini Taneja, Dr. Apurba Kr. Dutta
- **Jamshedpur** - Dr. Alope Debdas, Dr. Ranjana Joshi, Dr. Shweta Kumari, Dr. Alka Pandey, Dr. Niranjana Chavan, Dr. Priya Ganesh, Dr. Manoj Chellani, Dr. Tarini Taneja, Dr. Apurba Kr. Dutta

- **Durgapur** - Dr. Niladri Sen, Dr. Dipanwita Mondal, Dr. Debraj Mondal, Dr. Chinmayee Ratha, Dr. Priyankur Roy, Dr. Shrutika Thakkar, Dr. Indranil Dutta
- **Bardhaman** - Dr. Susanta Kr. Das, Dr. Amitava Pal, Dr. Chinmayee Ratha, Dr. Priyankur Roy, Dr. Indranil Dutta, Dr. Rohan Palshetkar, Dr. Anu Chawla, Dr. Shrutika Thakkar
- **Kolkata** - Dr. Bhaskar Pal, Dr. Basab Mukherjee, Dr. Dibyendu Banerjee, Dr. Tulika Jha, Dr. Abinash Chandra Ray, Dr. Biswajyoti Guha, Dr. Chinmayee Ratha, Dr. Priyankur Roy, Dr. Shrutika Thakkar
- **Visakhapatnam** - Dr. V Sita Rama Raju, Dr. Niharika Allu, Dr. Madhuri Patel, Dr. Rishma Pai, Dr. Nandita Palshetkar, Dr. Sampath Kumari, Dr. Alka Pandey, Dr. Asha Baxi, Dr. Geetendra Sharma, Dr. Yashodhra Pradeep
- **Kakinada** – Dr. Akkamamba Rao, Dr. Vanapalli Geetasree, Dr. Madhuri Patel, Dr. Sampath Kumari, Dr. Geetendra Sharma, Dr. Yashodhra Pradeep
- **Vijayawada** - Dr. Sajana Gogineni, Dr. Kavitha Chalasani, Dr. Madhuri Patel, Dr. Sampath Kumari, Dr. Geetendra Sharma, Dr. Sujata Dalvi, Dr. Chinmayee Ratha
- **Khammam** – Dr. Laxmi Rajeswari, Dr. Rehana Begum, Dr. Madhuri Patel, Dr. Sampath Kumari, Dr. Geetendra Sharma, Dr. Chinmayee Ratha, Dr. Kiranmai Devineni, Dr. Aruna Suman, Dr. Sujata Dalvi
- **Tirupati** - Dr. Paratha Reddy, Dr. Umadevi, Dr. Madhuri Patel, Dr. Sampath Kumari, Dr. Palaniappan, Dr. Anita Rajorhia, Dr. Bharti Maheshwari
- **Chennai** - Dr. Jeyarani Kamaraj, Dr. Kundavi Shankar, Dr. Madhuri Patel, Dr. Sampath Kumari, Dr. Shyjus P., Dr. Bharti Maheshwari, Dr. Anita Rajorhia
- **Vellore** - Dr. Manisha Beck, Dr. Swati Rathore, Dr. Sampath Kumari, Dr. Palaniappan, Dr. Anita Rajorhia, Dr. Bharti Maheshwari
- **Coimbatore** - Dr. Manonmani R., Dr. Murugalakshmi K., Dr. Jayam Kannan, Dr. Mitra Saxena, Dr. Sampath Kumari, Dr. Subhash Mallya, Dr. Ranjana Khanna
- **Trichy** - Dr. Malathy Gopalan, Dr. Lakshmi Prabha Rajabopathy, Dr. Jayam Kannan, Dr. Sampath Kumari, Dr. Ranjana Khanna, Dr. Charmila Ayyavoo, Dr. Mitra Saxena
- **Madurai / Kodaikanal** - Dr. Jyothi Sundaram, Dr. Kalpana B., Dr. Jayam Kannan, Dr. Sampath Kumari, Dr. Charmila Ayyavoo, Dr. Mitra Saxena, Dr. Ranjana Khanna
- **Mangalore** - Dr. Aruna Kamath, Dr. Swapna Brijesh, Dr. Sampath Kumari, Dr. Vidya Thobbi, Dr. Rekha Rajendrakumar
- **Bengaluru** - Dr. Shubha Rama Rao, Dr. Indira C Reddy, Dr. Sampath Kumari, Dr. Chinmayee Ratha, Dr. Priyankur Roy, Dr. Rekha Rajendrakumar
- **Hubballi** - Dr. Ramesh Kumar, Dr. Sahana Naik, Dr. Kasturi Donemath, Dr. S Sampath Kumari, Dr. Vidya Thobbi, Dr. Priyankur Roy, Dr. Rekha Rajendrakumar
- **Cochin** – Dr. Gracy Thomas, Dr. Fessy Louis, Dr. Jayam Kannan, Dr. Alka Pandey, Dr. Charulata Bapaye, Dr. Priyankur Roy, Dr. Rekha Rajendrakumar
- **Nagercoil / Kanyakumari** - Dr. Sundar Narayan, Dr. Rashmi Ajit, Dr. Jayam Kannan, Dr. Sampath Kumari, Dr. Charulata Bapaye, Dr. Anita Sabharwal
- **Thiruvananthapuram** - Dr. Sujamol Jacob, Dr. Kala B.S., Dr. Uma T., Dr. Madhuri Patel, Dr. Sampath Kumari, Dr. Geetendra Sharma, Dr. Alka Pandey, Dr. Fessy Louis, Dr. Charulata Bapaye, Dr. Priyankur Roy, Dr. Anita Sabharwal

7. FOGSI Anemia Mukht Nari

This program was done in collaboration with local societies. 2,10,780 women were screened for anemia in camps conducted by 270 local societies of FOGSI. The anemia patients were treated with iron supplements. This program was done by FOGSI Public Awareness Committee led by chairperson Dr. Priyankur Roy.

8. FOGSI Manyata Initiative

This is the ongoing project of FOGSI which was initiated in 2017 under the leadership of Dr. Rishma Pai, the then President of FOGSI and myself Dr. Hrishikesh Pai, the then Secretary General of FOGSI. The project was initially funded by MSD for Mothers, MacArthur Foundation and USAID. Presently it is funded by MSD for Mothers. The project convenors are Dr. Hema Divakar and the present administrator is myself. The deputy administrator is Dr. Ameya Purandare. The project is supported by Ms. Pompy Sridhar of MSD for Mothers. The project is run by the NPMU led by Dr. Samita Bharadwaj and Ms. Jasmine Kunder. The project is run by a Steering Committee, which has all the FOGSI Presidents (Dr. Rishma Pai, Dr. Jaideep Malhotra, Dr. Alpesh Gandhi, Dr. Shantha Kumari, Dr. Hrishikesh Pai, Dr. Jaydeep Tank and Dr. Sunita Tandulwadkar), Secretary General Dr. Madhuri Patel, Dep. Secretary General and now Secretary General Dr. Suvarna Khadilkar, Dr. Parikshit Tank, Dr. Niranjana Chavan and Dr. Ameya Purandare. Numerous agencies such as JHPIEGO, Weber Shandwick, Sattva, Swasti, etc. are associated with the implementation of the project. During my tenure, the FOGSI signed MOU with NABH to partly assess and certify some of the centers. Recently this MOU has been further extended. In 2024, I along with other colleagues, participated in the International Conference of ISQUA which was held in Istanbul Turkey, to showcase Manyata. In September 2024, I was also invited to Delhi by NABH to launch the “NABH FOGSI Manyata Checklist” for safer and enhanced quality of Maternal &

Neonatal Health Services in India. The project has certified more than 3000 nursing homes till date and are planning to certify 3000 more facilities in the next three years.

9. Gates Foundation Project: Adhuna

One of the most exciting milestones this year was the **Gates Foundation Project: Adhuna**, which was made possible through collective leadership within FOGSI. **Dr. Jaydeep Tank** played a pivotal role in securing the support of the Gates Foundation for this project. The team, which included myself **Dr. Hrishikesh Pai**, the incoming FOGSI President **Dr. Jaydeep Tank**, and the next President **Sunita Tandulwadkar**, presented a united front to showcase FOGSI's leadership capacity. This project is set to address maternal health challenges in underserved regions, with a focus on immunization and maternal healthcare.

10. FOGSI Mahila Kavach Kendras: Adult Vaccination Centers

The **Mahila Kavach Kendras Project** is another key initiative supported by **MSD**, focusing on **adult vaccination centers**. This project aims to establish vaccination centers in nursing homes across India to ensure that women are protected against preventable diseases. These vaccination centers will serve as hubs for adolescent and adult immunization, including flu shots, tetanus, and HPV vaccinations, among others. The first few vaccination centers in India were initiated in the clinics of **Dr. Rishma Pai**, **Dr. Jaydeep Tank** and **Dr. Nandita Palshetkar**.

11. Tree Plantation and Environmental Initiatives

A vital part of FOGSI's social responsibility efforts is the **tree plantation drive**, which has successfully planted **17,000 trees** so far, with **Vijayawada Society** alone planting **15,000 trees**. The Tree Plantation Drive was launched in the presence of South Zone Vice President **Dr. Sampath Kumari**, **Dr. Kalpana B.**, **Dr. Nandita Palshetkar** at the South Zone Yuva FOGSI Conference in Kodaikanal. This initiative not only contributes to environmental sustainability but also promotes awareness of the importance of green spaces for women's health and well-being.

12. BADLAAV Clinics and FOGSI Pratibandh initiative for Cervical Cancer Prevention

In an effort to address the growing concern of cervical cancer, FOGSI launched nearly 3000 **BADLAAV Clinics**, spread all over India, focusing on preventive care and early detection. The Badlaav clinics were supported by Eris Pharma. These clinics, were a part of the broader **Pratibandh** initiative offering screening, education, and vaccination services for cervical cancer prevention. This initiative also aims to eliminate the barriers to healthcare faced by rural women and ensure that every woman has access to life-saving preventive measures.

The Badlaav Clinic LAUNCH

As FOGSI continues to lead these transformative projects, the focus remains on **collective leadership and collaboration** with international partners, the Government, and local communities. By pooling resources and expertise, these projects have the potential to bring about real change in women's health across the country.

Through initiatives like the **FOGSI Manyata Project, Anemia Projects**, and the **Vaccination Programs**, FOGSI is not only improving healthcare for women but is also ensuring that healthcare professionals are better equipped to meet the evolving needs of women's health.

The work done over the past year is just the beginning, and with **FOGSI's commitment to collective action**, the future of women's healthcare looks brighter than ever.

FOGSI's International Initiatives: Expanding Global Horizons

Over the past year, FOGSI has expanded its footprint internationally, engaging in high-level discussions and collaborative efforts that have further enhanced its mission of improving maternal and women's healthcare globally. From attending pivotal conferences and meetings to forging new alliances, the global engagements have been nothing short of groundbreaking.

During my tenure FOGSI participated in numerous conferences and meetings abroad.

1. International Conference on Family Planning, Pattaya, Thailand

This conference in November 2022 provided a significant platform for discussing innovative solutions to improve family planning across the globe, focusing on empowering women and providing access to safe, reliable contraceptive methods. I participated in a panel discussion where I interacted with other experts including Dr. Somesh Kumar from JHPIEGO and Dr. Jaydeep Tank. The event fostered invaluable exchanges between international professionals and highlighted the importance of family planning in global health.

2. FIGO Regional Meeting, Cartagena, Columbia

In Cartagena, Dr. Nandita Palshetkar (FIGO Representative), Dr. Shantha Kumari, and Dr. CN Purandare attended the FIGO Regional Meeting. This event gathered FIGO leaders from around the world to discuss pressing issues in obstetrics and gynecology. It was an excellent opportunity for FOGSI to engage with regional leaders and contribute to the global conversation on maternal health.

3. FIGO Gates Leadership Development Initiative LDI REACH Meeting, UK

The FIGO Gates Leadership Meeting in February 2023 at London, UK was another significant milestone, bringing together representatives from India, Bangladesh, Ethiopia, Kenya, Nigeria, and Pakistan. Myself along with Dr. Madhuri Patel participated in the launch of the FIGO LDI REACH Project. Presently I am the Country Lead of this project. This meeting was crucial in fostering leadership and sharing best practices in women's health.

4. Annual Conference of The Nepal Society of Obstetrics & Gynecology NESOG, Nepal

This conference was held in March 2023. I met many people including Dr. Saroja Karki Pande, Dr. Ganesh Dangal, Dr. Padam Raj Pant, Dr. Ashma Rana and many others. I gave the oration of the Nepal Society.

5. WHO PPH Global Summit, Dubai

I was invited by the WHO to join the Steering Committee for the WHO PPH Global Summit held in Dubai, where international experts discussed Postpartum Hemorrhage (PPH) and created new guidelines to reduce maternal mortality. The summit, featuring leading professionals such as Prof. Arul Kumaran, Dr. Jeanne Conry (then FIGO President), Dr. Ioannis Gallos, Dr. Olufemi Oladapo, Dr. Caitlin Williams, Dr. Ari Coomaraswamy, Dr. Sheela Mane and many others. It provided a platform for the exchange of knowledge and the formulation of global strategies to combat PPH, which is one of the leading contributors to Maternal Mortality Rate (MMR) worldwide.

6. International Maternal Newborn Health Conference, Cape Town

The Maternal Health Conference in Cape Town was another significant event attended by me. This conference focused on maternal health disparities and the innovative solutions needed to address them, particularly in low-resource settings. Dr. Suranjeen from JHPIEGO, Ms. Pompy Sridhar from MSD for Mothers, Dr. Jaideep Malhotra and many other FOGSIans participated in this conference.

7. International conference of the European Board of Obstetrics & Gynecology (EBCOG), Krakow, Poland

In Krakow, Poland, I participated as Invited Faculty in the EBCOG (European Board and College of Obstetrics and Gynecology) Conference, where I met with key leaders such as Dr. Basil Tarlatzis, Dr. Frank Louwen (President EBCOG), Dr. Sambit Mukhopadhyay (President Elect EBCOG), Dr. Dmytro, Dr. Tahir Mahmood, Dr. Jacky Nizard, Dr. Philippe Descamps, Dr. Jeanne Conry (President FIGO) and many

others. This conference was an enriching experience for FOGSI, allowing members to forge deeper bonds with international colleagues and discuss emerging trends in obstetrics and gynecology.

8. Royal College of Obstetrics & Gynecology RCOG Annual Conference, London

The Royal College lead by Dr. Ranee Thakar (President), Dr. Hassan Shehata (Vice President) and Ms. Kate Lancaster (CEO) invited FOGSI and AICC-RCOG to conduct one hour Invited Symposium at the **RCOG Annual Conference** in the new RCOG HQ in **London**. Myself and past FOGSI President Dr. Rishma Pai delivered lectures on behalf of FOGSI whilst Dr. Bhaskar Pal delivered the lecture on behalf of AICC-RCOG. The FOGSI speakers were selected by the FOGSI Managing Committee.

9. Asia Oceania Federation of Obstetrics & Gynecology AFOG Meeting, Hanoi, Vietnam

At the AFOG meeting in Hanoi, FOGSI was represented by myself, Dr. Nandita Palshetkar, Dr. Jaydeep Tank and Dr. Shantha Kumari. During this event, I interacted with many AFOG leaders such as Dr. Rohana Haththotuwa, Dr. Pisake Lumbiganon, Dr. Unnop Jaisamrarn, Dr. U.D.P. Ratnasiri, Dr. Kazunori Ochiai, and many others. This conference deepened relationships with leaders from across Asia and contributed to a shared vision for advancing women's healthcare.

10. FIGO Office Visit, London, UK

In June, during my Femmtek-3 conference in London, UK, I had the opportunity to visit the FIGO Headquarters Office for the first time. As a senior leader, this was a momentous occasion for me. The walls of the FIGO Office were adorned with the photographs of past Presidents, which deeply fascinated me. I had the honor of meeting Dr. Jeanne Conry, the President of FIGO, during my visit, further strengthening FOGSI's ties with this prestigious international organization.

11. Innovation Equity Forum (IEF), National Institute of Health, Bethesda, USA

The Innovation Equity Forum organized by the National Institute of Health (NIH) and the Gates Foundation provided FOGSI with a platform to engage with global innovators in healthcare equity. Myself and past President of FOGSI Dr. Rishma Pai were part of the delegation that represented FOGSI at the event, which was held for the first time at the National Institute of Health, Bethesda Maryland. Both of us had the privilege of being the sub-committee leads of the forum. The forum offered rich discussions on health innovations and how they can be applied to improve healthcare delivery in underserved regions.

12. American College of Obstetricians and Gynecologists (ACOG) Office Visit, USA

In the USA, myself and Dr. Rishma Pai had the unique opportunity to visit the office of the American College of

Obstetricians and Gynecologists (ACOG). The office is very impressive and is located in Washington DC. The office was filled with chairs designated for council members, each representing an influential leader in the field. This visit was a great learning experience and allowed FOGSI to connect with the American College.

13. FIGO LDI Project Meeting, Paris, France

In Paris, myself, Dr. Madhuri Patel, Dr. Rishma Pai and Dr. Nandita Palshetkar represented India and participated in the FIGO LDI REACH Project meeting, which was held to review the progress of the project. It was great to meet and interact with leaders from other countries.

14. RANZCOG Annual Meeting, Perth, Australia

For the first time, myself as FOGSI President was invited to participate in the RANZCOG (Royal Australian and New Zealand College of Obstetricians and Gynaecologists) Annual Meeting in Perth, Australia. It was a pleasure to interact with President Dr. Benjamin Bopp, incoming President Dr. Gillian

Gibson, Vice President Dr. Nisha Khot, Dr. Jared Watts, Dr. Susan Fleming, CEO Ms. Vase Jovanoska, Deputy CEO Mr. Sudi Sekhar and many others. The event allowed FOGSI members to interact with Australian and New Zealand colleagues and build stronger international partnerships. It was a pleasure to be a part of the convocation of RANZCOG. I met many young Indian gynecologists who had come to receive their Fellowship.

15. FIGO Trustee Board Meeting, London, UK

It was a privilege to attend my first FIGO Trustee Board meeting in London in September. I met the entire Trustee Board comprising of President Dr. Anne Kihara, Vice President Dr. Edgar Ivan Ortiz, President Elect Dr. Frank Louwen, Five Regional Trustees namely myself Dr. Hrishikesh Pai (Asia Oceania Region), Dr. Blami Dao (African Region), Dr. Chiara Benedetto (European Region), Dr. Nestor Garelo (Latin American Region) and Dr. Ernesto Castello (American region), Secretary General Dr. Ravi Chandran & Treasurer Dr. Shantha Kumari. I also interacted with the entire staff of FIGO Headquarters led by Ms. Frances Longley (CEO), Mr. Andrew Wiles (COO), Mr. Rob Hucker, Ms. Rachel Gooden and many others.

These international initiatives are a testament to FOGSI's growing influence on the global stage. By attending and contributing to these high-profile meetings and summits, FOGSI has not only expanded its network but also gained valuable insights into global trends in maternal and women's health. The knowledge shared, partnerships formed, and leadership demonstrated at these events will undoubtedly help shape the future of women's healthcare in India and across the world.

FOGSI Fellowship Initiatives

The FOGSI initiatives have played a key role in fostering talent, collaboration, and excellence within the gynecological community. These initiatives have helped in bringing together the brightest minds and talent from across the country in various fields, with a particular focus on celebrating and enhancing the skills of individuals involved in obstetrics and gynecology.

a. FOGSI Has Talent

One of the notable initiatives has been the **FOGSI has Talent**, which aimed at recognizing and rewarding exceptional talent. This initiative, which was first started during 2017 when Dr. Rishma Pai was FOGSI President, included various competitive rounds, in areas of **singing and dancing**, which were held all across the country. Zonal rounds for each region were conducted during the FOGSI Yuva Conferences. These rounds were a unique way to blend talent and foster camaraderie within the FOGSI community. The finals were conducted during the FOGSI Femmtek-4 Conference in Mumbai in presence of famous personalities Mr. Anu Malik and Mr. Sameer Tanna. A special mention has to be made of Dr. Bela Bhatt, the Chairperson of FOGSI Imaging Science Committee, who coordinated this competition over the entire year. The winners of these competitions were recognized for their extraordinary abilities, and the following individuals stood out:

Singing:

- Winner: Dr. Sohini Chowdhury
- First Runner-up: Dr. Shashi Chowdhury
- Second Runner-up: Dr. Madanki Srinivasan

Dancing:

- Winner: Dr. Radhika Aravind
- First Runner-up: Dr. Anurag Shriya Madhusudan
- Second Runner-up: Dr. Pooja Shukla and Dr. Rohan Palshetkar

✖ This image cannot currently be displayed.

a. Mr. and Mrs. FOGSI Pageant

In addition to these talent competitions, another remarkable event within the FOGSI community has been the **Mr. and Mrs. FOGSI Pageant**, which celebrated the achievements and personal qualities of participants in a light-hearted and engaging way. The pageant saw enthusiastic participation, and the finals were conducted at the Femmtek-4 Conference in Mumbai. In presence of Judges such as former Ms. World Ms. Diana Hayden, actor Ms. Padmini Kolhapure and former Mr. India Mr. Viraf Patel. The winners were:

Mr. FOGSI:

- Winner: Dr. Akash Gandhi
- Runner-ups: Dr. Uday Thanawala and Dr. Pallaniappan

Ms. FOGSI:

- Winner: Dr. Madhumata Arunkarthik
- First Runner-up: Dr. Archana
- Second Runner-up: Dr. Priyanka

These events were not only about talent but also about bringing together a sense of community, fun, and competition, while highlighting the achievements of members in a personal and collective manner.

Celebrations and Special Days

Throughout the year, we engaged in a series of celebratory events that not only marked key moments but also allowed us to focus on important issues related to women's health and well-being. These celebrations served as platforms to reflect on our progress, engage with our communities, and reinforce our commitment to advocacy. I am immensely proud of the many initiatives that were undertaken by our members, who dedicated their time and resources to organize these memorable occasions.

1. FOGSI Republic Day Celebration - "Lehra Do", 26th January 2023

This was conducted simultaneously by 73 FOGSI societies all over India. The Indian flag was simultaneously unfurled at 9 am by all participating societies on **Republic Day**. In the evening, Zoom meeting was carried out in presence of chief guests Mrs. Poonam Mahajan, Member of Parliament and Mr. Chahal, Municipal Commissioner of Mumbai. The program was conducted by Dr. Anu Chawla, Dr. Shrutika Thakkar and Dr. Selvapriya Sarvanan.

2. FOGSI CRC Health Researchers Award Celebration, 3rd March 2023

Another notable event was the **CRC (Clinical Research and Clinical Practice) Health Researchers Award** celebration. This event was dedicated to recognizing the pioneering work of our members who have made significant contributions to the advancement of clinical research in maternal and child health. This was conducted by FOGSI Clinical Research Committee headed by Chairperson Dr. Surekha Tayade. Three prizes of senior category were won by Dr. Meeta Gupta (Winner), Dr. Sweta Singh (First Runner-up) & Dr. Sasmita Sen (Second Runner-up). Three prizes in junior category were won by Dr. Vidyalaxmi (Winner), Dr. Snehal Naphade (First Runner-up) & Dr. Garima Yadav (Second Runner-up).

3. FOGSI Women's Day Celebration, 8th March 2023

International Women's Day was another major occasion for FOGSI, and we celebrated it with great enthusiasm and energy. The chief guest was FIGO President Elect Dr. Anne Kihara and the Guest of Honour was film actress Ms. Bhumika Chawla. Ten women achievers from all over India were awarded by FOGSI. The program was conducted by Dr. Selvapriya Sarvanan, Dr. Shrutika Thakkar and Dr. Anu Chawla.

4. FOGSI Independence Day Celebration, 15th August 2023

We also marked **Independence Day** with a special focus on the freedoms and rights that every woman in India deserves - freedom from maternal mortality, freedom from gender-based violence, and the freedom to access healthcare. We conducted organ donation drive, in association with Mohan Foundation, as well as had a Fancy Dress Competition where many FOGSIans such as Dr. Narendra Malhotra (Subhash Chandra Bose), Dr. Hema Divakar (Jhansi ki Rani Laxmibai), Dr. Jaideep Malhotra and many others participated with great gusto!!

5. FOGSI World Sexual Health Day Celebration, 4th September 2023

A key initiative in our advocacy work was our focus on **World Sexual Health Day**, which we observed with a special series of events. This day allowed us to raise awareness about sexual health issues, focusing on education, accessibility, and the importance of ensuring that everyone has access to comprehensive sexual health resources. This was conducted by Dr. Neeraj Jadhav (Chairperson, Sexual Medicine Committee), Dr. Priyankur Roy (Chairperson, Public Awareness Committee), Dr. Kiranmai Devineni (Chairperson, NAWA Committee), Dr. Supriya Jaiswal (Chairperson, Adolescent Health Committee) and Dr. Neharika Malhotra (Chairperson, YTP Committee).

6. FOGSI Nutrition Day Celebration - "Poshan Abhiyan", 20th September 2023

FOGSI Nutrition Day was another pivotal event, focused on improving maternal and child nutrition, especially in rural and underserved communities, in the first 1000 days of life. It was conducted by Dr. Ritu Khanna (Chairperson, Foods & Drugs and Medico Surgical Equipment Committee) along with Dr. Priyankur Roy (Chairperson, Public Awareness Committee), Dr. Nilesh Balkawade (Chairperson, Quiz Committee), Dr. Shyjus P. (Chairperson, Midlife Management Committee) and Dr. Manoj Chellani (Chairperson, Medical Disorders in Pregnancy Committee). Nutritional tips were given by Diet Expert Dr. Shilpa Joshi.

7. FOGSI World Menopause Day Celebration, 18th October 2023

This event was conducted on **World Menopause Day** by Midlife Management Committee (Chairperson Dr. Shyjus P.) in collaboration with Public Awareness Committee (Chairperson Dr. Priyankur Roy), Study of Female Breast Committee (Chairperson Dr. Charulata Bapaye), Foods & Drugs and Medico Surgical Equipment Committee (Chairperson Dr. Ritu Khanna) & Indian Menopause Society (President Dr. Shobhana Mohandas). Chai Pe Charcha session was moderated by Dr. Parag Biniwale along with Dr. Sanjay Gupte, Dr. Jaideep Malhotra, Dr. Hara Pattanaik, Dr. Pushpa Sethi, Dr. Maninder Ahuja & Dr. Rajendra Nagarkatti. Slogan Contest was judged by Dr. Nandita Palshetkar & Dr. Basab Mukherjee. Master Chef of FOGSI Contest was judged by Dr. Rishma Pai & Dr. Charmila Ayyavoo.

8. FOGSI World Fetus Day Celebration, 29th October 2023

This was conducted on occasion of **World Fetus Day** by Imaging Science Committee (Chairperson Dr. Bela Bhatt), Fetal Medicine Committee (Chairperson Dr. Seetha Pal) and Quiz Committee (Chairperson Dr. Nilesh Balkawade). There was major participation from FOGSI societies of the entire Madhya Pradesh.

The FOGSI SAMANTA Run for Gender Equality & Rh Isoimmunisation

The final initiative I organized as part of my year-long efforts was a significant and meaningful closure. My vision to promote **gender equality** culminated in a massive **Gender Equality Run** that spanned across India, touching key cities and communities. Supported by **Bharat Serum**, I meticulously planned a RUN that would symbolize not just the power of collective action but also the urgency of addressing gender equality and Rh isoimmunization problem in India.

The rally was structured in three distinct Routes, each starting from different regions of India and converging in Delhi, creating a national movement. The details of each leg were as follows:

1. The Western Route

The rally was launched at the Femtek conference in Mumbai, and passed through cities like **Nashik, Pune, Ahmedabad, Surat, Vadodara, Jodhpur, Jaipur, Rewari** and culminating in **Delhi**. This route covered several prominent urban centers, where participants ran, jogged, and engaged in public forums to discuss gender equality, its importance, and how it affects everyone in society. In all cities, a CME on Anemia and Rh isoimmunization was carried out in the evening.

2. The Northern Route

The second rally leg began from **Srinagar** and passed through **Jammu, Amritsar, Ludhiana, Jalandhar, Chandigarh, Ambala** before also reaching **Delhi**. This route was especially poignant as it touched regions that hold both cultural and political significance, where discussions on gender equality were particularly impactful.

3. The Eastern Route

The third leg began in Cuttack. From **Cuttack**, the rally passed through **Sambalpur, Bilaspur, Raipur, Jabalpur, Gwalior, Jhansi, Mathura, Faridabad** and ended in **Delhi**.

All the three legs of the RUN converged to our National Capital New Delhi. The Rally reached its closure in front of India Gate New Delhi in the evening of 4th January 2024. We had to take special permission from the Government. This was done with the efforts of Dr. Anita Sabharwal. It was an exhilarating experience as we all Gynecologists along with security personnel, shouted slogans on Gender Equality and ran with our FOGSI Banner in front of India Gate. After this, we had a closure meeting with the Press Conference at the National IMA Headquarters. Many office bearers of AOGD including President Dr. Amita Suneja, Dr. A.G. Radhika, Dr. Ashok Kumar, Dr. Neerja Bhatla, Dr. J.B. Sharma, Dr. Achla Batra and others were present. Dr. Niranjan Chavan, and my Vice Presidents Dr. Alka Pandey, Dr. Asha Baxi,

Dr. Geetendra Sharma and Dr. Sampath Kumari also participated in this.

This rally was not just a physical event but also a platform for public discourse. By engaging communities at the grassroots level, we sparked conversations about gender equality, challenging deep-rooted stereotypes and promoting change. It served as a powerful visual and symbolic gesture of unity, highlighting that gender equality is not just a distant goal but something that requires action from all corners of the country.

The rally not only raised awareness but also left a lasting impact on participants, communities, and society as a whole. It marked a powerful closure to my year, leaving behind a legacy of advocacy for gender equality and a call to action for further progress.

Awards & Orations

During my Presidential tenure, I delivered over 5+ orations and received several awards including three Lifetime Achievement Awards at 19th Annual Conference of Indian Fertility Society Fertilvision, Gurugram Delhi-NCR, at FOGSI International Conference Scientific Sangam, Prayagraj and at 11th International Congress of Academy of Clinical Embryologists India, Bengaluru.

As I pen this report, reflecting on my journey, I can't help but feel a deep sense of gratitude and fulfillment. My path has been nothing short of a dream — one that began in 1999 when I first found myself in a position of leadership within the FOGSI. Now, after 30 years of relentless work, countless milestones, and innumerable experiences, I can finally say that I have reached my destination. But it wasn't just any ending. It all reached a culmination, when I got elected as Trustee of FIGO to represent the Asia Oceania Region. It was a humbling and emotional moment for me. Standing there, in the company of esteemed colleagues from around the world, I felt the weight of years of hard work, dedication, and service come together. **Thanks to the love and support of friends,** I was elected, and in that moment, **my dream became a reality.** It was for me, as much as it was for every person who supported me, every person whose life I touched, and every person who believed in our collective mission. The energy, the excitement, the feeling of being among giants like FIGO President **Dr. Anne Kihara** and FIGO President Elect **Dr. Frank Louwen**, and many more — it was a dream I could never have imagined, yet it was so much more than I could have dreamed for. The icing on the cake, was when **Dr. Rishma Pai**, my better half and Past President of FOGSI received the prestigious FIGO International Women's Award at the hands of FIGO President Dr. Jeanne Conry.

But as I look back, the memories that stand out the most aren't just the awards or accolades. They are the personal, sacred moments that truly shaped my journey. I remember standing on the banks of the River Ganges in Rishikesh, in awe, watching the river of life flow past, and realizing that this was the same life force that flowed through every project, every initiative, every step I took.

The mines of Dhanbad, the difficult road from Dhanbad to Jamshedpur where I faced challenges but also found strength, and countless other places that have been part of my journey — they have shaped me into who I am today. Every interaction, patient, colleague, organization, city, state, has contributed to the mosaic of experiences that now make up my life's work.

But I've come to understand that true fulfillment comes not from accolades, but from purpose. My work is far from over. There is still so much to be done: The Badlaav Initiative, the Manyata Program, the Anemia Campaign, and Pradhan Mantri Surakshit Matritva Abhiyan PMSMA — the list is unending!! I will continue to support and implement projects related to maternal health, to advocate for the initiatives that I deeply believe in, and to represent FOGSI as a Trustee of FIGO, ensuring that our work expands, flourishes, and touches more lives than ever before. The Golden Zero in maternal mortality will always be my ultimate goal.

The future is about passing the baton to the next generation of leaders. As I write this, Dr. Jaydeep Tank has finished his Presidential year and passed on the baton to our Present President Dr. Sunita Tandulwadkar. The journey continues, as it must, with each of us carrying the torch forward. We must not only strive to do well in the world but also to do good. This is the legacy we must leave behind.

In the end, my journey has been a relay race — a race for life, for the ultimate dream of a happy and healthy mother and child. I am aware that the work we all have done together will continue, growing stronger with every passing year. And so, I leave you with this poem that I penned as I reflected on the beauty of this journey:

**FOGSI is the race of life
To achieve the ultimate dream
Of a golden zero in maternal mortality.
FOGSI is a relay race of life
In which the baton must be passed
To achieve the ultimate dream
Of a happy and healthy mother and child.**

Thank you to each and every person who has been part of this journey.

FROM THE DESK OF SECRETARY GENERAL

Dr. Madhuri Patel
Secretary General
FOGSI

Dear FOGSIans,
Compliments of the season!!!

I wish you a very happy, successful, and inspiring 2024. It is indeed an Honour to be the Secretary General of the most vibrant organisation of obstetricians and gynecologists. My sincere gratitude to everyone who has contributed in grooming FOGSI, what it is today. As 2023 ends and New Year begins, I must admit that we have accomplished a lot together, this is exactly the focus of FOGSI, bringing people together, giving them a vision and platform to serve for the women's health. We know that collective efforts give a better result than individual efforts. FOGSI has effectively evolved as the most influential voice in both the national and international arena. I express my sincere gratitude to all my predecessors who led FOGSI to this pinnacle. It goes without saying that dedicated leadership and encouraging members of FOGSI have contributed immensely in the success of the Federation. I believe that with concern in our thoughts and determination in our actions, we will positively accomplish FOGSI's Mission and promote our Vision.

Updates from FOGSI office.

Membership:

The membership management system is dynamic. It gets updated throughout the year. Now the members can update and verify their data independently as demonstrated on the FOGSI website. There are two levels of access, one by the members on member.fogsi.org and another by the FOGSI office. If there are problems in updating his /her data, he /she can contact the FOGSI office. Updating the member data is very important for E voting. Currently, we have 270 member bodies, 57 A category, 129 B category and 84 C category. In December 2022, the total membership strength of FOGSI was 39,607. In September 2023 that is within nine months, there was a massive jump of 2,110 new members as a result the strength of the membership increased to 41,717. In December 2023 that is within three months there was again a massive jump of around 1,294 new members, hence today our membership strength is 43,011.

Election process of FOGSI:

We had the election in the month of August onwards. The entire election process went very smoothly. We have further

improved the voting procedure by introducing general and unique links for the members. There were 28,754 eligible voters in 2023, out of which 17,674 voted, it means 61.47% voting. We need to reach the 100% mark, I am sure it is possible.

FOGSI Professional Indemnity Policy:

FOGSI professional indemnity scheme is with ICICI LOMBARD and we have partnered with Cover You as a third party. The FOGSI professional indemnity scheme with Cover You began in June 2020. So far, we have 11,587 members out of which 6059 new members and 5528 members who have renewed their scheme.

FOGSI Social Security Scheme:

The nominee of SSS member receives a fund on the demise of SSS member. An online enrollment application with a new email address, sss@fogsi.org has been started. We have added G-Pay so that members who are hesitant to pay Rs. 300/ DFC by other gateways can do it directly, their name confirmation will be received by the bank. We encourage people to use G-Pay for payments. QR code is displayed on the FOGSI's website in the membership tab under SSS scheme. Till today we have 1,670 SSS members.

SMS :

We are aware that SMS messages are extremely effective to remain in touch with each other. AICOG receives 30 SMS per year free from FOGSI. No individual would be named in the SMS, only the conference's emails/contact information are mentioned. This year we have sent 26,11,853 SMS that is approximately 3 lakhs SMS per month.

FOGSI Website:

FOGSI website which can be visited by logging www.fogsi.org. It contains all the information which a member can avail on a single click. If any information that the member desires is not found on the website I request them to contact the FOGSI office we are now in process of making FOGSINET (FOGSI NETWORK SITE + APP). This will help our members to build the business, it will be the country's largest database

of Gynaecologists and Obstetricians.

Social Media :

FOGSI is live on social media platforms like Facebook, Twitter, YouTube, Linkdin, Instagram, and Google Business. They are all functional.

FOGSI Premises:

Our second floor premise is for IT/ITES use. After a lot of efforts, we could procure the certificate from the appropriate authority for the IT/ITES use for three years. We have updated the premise and made it functional with a new look. This enabled us to conduct the FOGSI MCM and AGM September 2023 smoothly, thus we could avoid the hotel expenditure, a huge saving of FOGSI funds.

JOGI:

JOGI our bimonthly journal is performing very well, it is available in digital as well as in printed forms. The printed journals are distributed to all our 43,011 members free of cost. This year we have published and printed six regular issues of which one was theme based on "Infertility". Along with these six issues, two online supplements were published, one of original articles and the another of mixed bag. We have four pages dedicated to FOGSI's important information for members. I thank and congratulate the Editor in Chief, Dr. Geetha Balsarkar, the entire Editorial Board, National Corresponding Editors and Peer Reviewers for the success of the mouthpiece of FOGSI.

ICOG:

ICOG is an academic wing of FOGSI, it has 179 members and 2,224 fellows. It has certificate courses for six months in Reproductive Medicine, Gynaecological Endoscopy, Fetal Medicine, Ultrasound, Vaginal Surgery and Critical Care in Obstetrics. Dr. Laxmi Shrikhande, chairperson of ICOG has started a web series that has been running since December 2022, that is 13 months and has so far completed approximately 100 webinars. Dr. Laxmi Shrikhande and

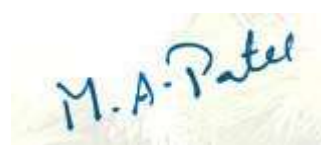

myself are trying for ICOG to be recognised by NMC, If this happens then it will be the best thing to happen for all our future ICOG activities.

Training:

We have basic and advanced training centres under which for Ultrasound Training (Basic is for seven days & advance is for 14 days), Endoscopy Training(Basic is for seven days and advance is for 14 days), Colposcopy Training(Two to three days) and Infertility Training(IUI & Stimulation Protocol , (Basic for seven days and advance for 14 days). Training centres are informed that they should not use the FOGSI logo because it is a trademark and may cause legal problems. Only one doctor's name would be printed on the certificate, followed by the institution, and in case two doctors are there then the other doctor will be considered as faculty.

I extend my gratitude to my mentor Prof. C. N. Purandare, and would also like to thank Dr. Sanjay Gupte, Dr. Kamal Deshmukh, Dr. P. K. Shah, Dr. Alka Kriplani, Dr. Krishnendu Gupta, Dr. Sadhana Desai, Dr. Usha Saraiya, Dr. Sita Tilwani, Dr. Alpesh Gandhi, Dr. Shantha Kumari, Dr. Hrishikesh D. Pai, Dr. Jaydeep Tank, and my current office bearers, especially Dr. Suvarna Khadilkar, Dr. Parikshit Tank and Dr. Niranjana Chavan. I am glad that my office bearers, our members throughout India, and my staff make up a powerful team as we start this New Year together. I sincerely appreciate their dedication, enthusiasm, and hard work. I hope that FOGSI will be more successful in the upcoming year which can only be accomplished with the support and cooperation of all of our members. I pray to God to guide me in my journey led by the distinguished lineage of our past leaders.

Warm Regards

Dr. Madhuri Patel
Secretary General, FOGSI

FROM THE VICE PRESIDENT'S DESK

Dr. Alka Pandey

We took over the office in October-2022. The period till 2024 was fabulous and memorable one. The presidential theme was the year was dedicated to the theme BADLAV: Ekakikaran, Samanta aur Takniki (Ekakikaran-Integration of thoughts and actions), Samanta (Equality of treatment irrespective of socioeconomic status) and Takniki (Technology to achieve these objectives). Slogan of the year was “Swasth Nari Sukhi Nari”, “Nari Swasthya Ke Liye Badlav” . We travelled the length and breadth of the entire country with different program and projects . The entire year was full of academics, social work and fellowship. It was really great experience to work under the leadership of Dr. Hrishikesh Pai. Whole year our approach was inclusive. Yatras for Na Na anemia in North and South were unique and memorable. We participated in almost all program all over the year.

Dr. Asha Baxi

We had one vice-president conference in each zone. All five vice presidential conferences at Patna, Ahmedabad, Indore, Ambala and Kodai kanal were fantastic and well attended by more than 500 to 700 delegates. One YUVA FOGSI conference in each zone were also organized. Under the able leadership all chairpersons published books on different topics. The publications were numerous in numbers and difficult to count.

Dr. Geetendra Sharma

There were several academic & research activities done in the year 2022-24 programs. Hon.President organized a few conferences FEMTECH 1, FEMTECH2; FEMTECH 3; FEMTECH4. Multiple program and CSR activities were done in Collaboration with UNICEF , WHO and MoHFW. Health camps for NCD, Anaemia and screening for cervical cancer to eliminate cervical cancer. FOGSI celebrated Women Achievers program on IWD; Poshan Abhiyan and Adult vaccination. We marked our presence in House of commons which is unforgettable experience.

Dr. S. Sampathkumari

The year ended with handing over the charge to New team at Hyderabad AICOG January 2024. Over all the complete tenure was satisfying and we enjoyed every bit of it.

Dr. Yashodhara Pradeep

Dr. Geetendra Sharma

FROM THE DESK OF DEPUTY SECRETARY GENERAL

(In charge of website and IT initiatives, FOGSI)

Dr. Suvarna Khadilkar
Deputy Secretary General,
FOGSI
MD, FICOG, CIMP, Dip. in
Endocrinology (UK), FIMS

“What is inspiring about information technology ?

The number one benefit of information technology is that it empowers people to do what they want to do. It lets people be creative. It lets people be productive. It lets people learn things they didn't think they could learn before, and so in a sense it is all about potential. ”

So Information Technology is very important in present times.

Greetings!!

Amongst the various organizations of medical speciality, FOGSI has always remained in forefront in innovation. FOGSI has always appreciated, acknowledged and accepted the innovative suggestions of all the FOGSIans. It is with this collective and inclusive approach, we are able to stand tall amongst our peers. FOGSI has stepped into the digital age several years back and now has ventured forward with several digital initiatives.

The FOGSI website: <https://www.fogsi.org>

Our website is testimony of innovation and dynamism. We have channelized all the suggestions and criticism and the result is obvious. Our website is very much user friendly. We have tried our best to evolve website which is easy to understand and operate. Our members who are not very much tech savvy and who do not have much time to browse our website, are also happy to acknowledge the simplicity of our website. Our main focus is to reduce scrolls on the pages. The lack of scrolling means the content is extremely focused, and the hierarchy of content is clearly established.

We have also introduced Responsive Web Design to re-paginate the content to suit the device being used to view it. The fluid grid allows the content to react to smaller / larger browser windows. Therefore, we could make the website Flat, Responsive and Small. The Responsive Web Design responds to user's behaviour and an environment based on screen size, platform and orientation. The practice consists of a mix of a flexible grids and layouts, images and an intelligent use & CSS media queries. Now this has become more vibrant and user-friendly website. Our website is an important interface between FOGSI and the rest of the world. It is like a mirror reflecting all the activities of FOGSI. Thousands of viewers from India and the other countries log daily to access the valuable information shared by the members! With **www.fogsi.org** the official website, FOGSI has an important presence in cyberspace which works to promote and fulfil the aims and objectives of the Federation,

this website gives links to our journal, springer, ICOG, AICOG, and Narikaa for public awareness.

The FOGSI Website has an upgraded configuration of 6 GB and has undergone a major revamping to make the site more user friendly. This humongous task of total revamping is undertaken after I took over as Deputy Secretary General, and in charge of IT initiatives in June 2021. Now it is revamped completely and ready for the viewers to browse. Considering the huge traffic on the website and huge number of posts to be uploaded daily, first time the streamlining has been done. Keeping in mind different needs of different visitors, separate tabs have been created on home page for the easy navigation. Posts and uploads are classified into separate tabs as FOGSI activities, Publications & GCPR, membership, post graduates, Public awareness and Healthcare Workers. All the older relevant important posts have been moved to archives section and are arranged year wise.

FOGSI has been publishing very high standard books, hand books, text books, FOGSI focuses, and many other publications. All these are now available on the separate tab dedicated to all types of publications by FOGSI. Our members can access and be informed about various FOGSI projects and activities where the information regarding conferences, webinars, and other activities will be available in the tab of FOGSI activity. Membership information, constitution administrative guideline, elections, meetings announcements etc. for the previous two years will be stored in Membership tab of home page. Blogs for public education and public awareness modules are available in the public awareness tab and it links to another separate website meant purely for public awareness (**www.narikaa.com**).

Social Media:

Social media has become an essential tool in today's world, and it's crucial for us to stay aligned with the latest trends in sharing knowledge. We are excited to announce that FOGSI is now actively engaging on Facebook, Twitter, Instagram,

LinkedIn, and YouTube, with a growing community of over 10,000 followers on Instagram, 8,000 on Facebook, 2,600 on YouTube, and 2,000+ on LinkedIn. These numbers are steadily increasing! You can easily find all our social media profiles by searching for the username “fogsiofficial.” Additionally, since September 2023, we have been optimizing our website through SEO (Search Engine Optimization). As a result, our monthly website traffic has surged from 3,000-5,000 visitors to an impressive 10,000-15,000, reflecting a significant increase of 230% to 400%.

The office:

The office is moving rapidly towards automation of various tasks ranging from the simple like backing up data to complex tasks like the membership management system. The office has invested in state of art IT infrastructure and is making the most of it resulting in greater efficiency and fewer redundancies.

The SMS Software continues to prove its utility with messages being used to reach out to our members. The SMS system is built on the database of our members. From Oct' 2022 to Dec' 2023 we had sent a total 64,45,388 SMS to our members.

Membership Management System

This is mainly for updating of data and e voting. Another is for Online payment portal for ICOG fellowship fees, Training fees, SSS payments and updates in USG course, society subscription. We have another portal **member.fogsi.org** where members can update their details themselves. We have developed an online social security scheme enrolment app and we have given a link to this app on the website. Last year we have introduced FOGSI App on Android and IOS, Social Security scheme online enrolment app and Accounts App, WhatsApp group account “8976735079”

Digital Initiative for FOGSI

This is a new app with the concept of Dr. Hrishikesh Pai. The proposed name given to this app is **FOGSINET (FOGSI NETWORK SITE + APP)**. We will give a link on our main website and it will take us to that app. We hope that it will give us a good business and then to a satisfaction that we are doing something for our members.

FOGSI New IT Initiative WHATSAPP Chatbot:

It is in initial stage, we have tried amongst 7-8 members of office and office bearers. It is working reasonably well. It will take time because we are developing the questions, answers and options which we have to feed. So we are working on the chatbot. Most of the business offices having this chatbot service in place. WhatsApp bots work 24/7 and can have multiple conversations with different persons, at the same time. They are often used to automatically answer questions and provide information we require. It saves times and decrease load of our staff.

Network upgradation in office:

Network upgradation in office has been done and we have switched over from TATA to JIO for better speed. We have upgraded to JIO -50 MBPS speed. So we can actually conducting hybrid conferences from office. We have Access points in office for a wired network. Our second-floor premises is fully renovated and its under cc tv surveillance. We have installed wifi router and internet on second floor. We also have a virtual platform for 500 participants. We are organising this without pharma or any technical support. So far more than 142 meetings have been hosted on this virtual platform.

Good Teamwork, art of communication are the important components that are necessary for any website team. Fortunately, we have a very good team working for the website and have very eminent panel of advisers and a great support team. I would like to thank Dr. Hrishikesh, President FOGSI, Dr. Madhuri Patel, Secretary General, Dr. C. N. Purandare, my Mentor, Advisory & Committee members of website, Dr. Parikshit Tank, Treasurer, Dr. Niranjana Chavan, Joint Treasurer, my past IT coordinators, Dr. Sanjay Gupte, Dr. P. C. Mahapatra, Dr. P. K. Shah, Dr. Hema Divakar, Dr. Suchitra Pandit, Dr. Prakash Trivedi, Dr. Alka Kriplani, Dr. Rishma Pai, Dr. Jaideep Malhotra, Dr. Nandita Palshetkar, Dr. Nozer Sheriar, Dr. P.K. Shah, Dr. Nozer Sheriar have contributed immensely in developing this website. Web crafters URVI Compugraphics (Mr. HN Trivedi & Mr. Sanjay Gole), Mr. Akash and team from Akrotics. Office Staff especially Sangeeta and Kanchan for their valuable inputs and support in these digital initiatives.

“Technology has increased efficiency and flexibility in the workplace, and reduced the time and effort required for production.”

TREASURER REPORT FOR THE FINANCIAL YEAR 2024

Dr. Parikshit Tank
Treasurer

It is my privilege to present the treasurer report of our federation for the year January to December 2023.

Our Audited Statement of Accounts and Balance Sheet for the financial year 1st April 2022 to 31st March 2023 was circulated to all members on 13th September 2023 & it was presented & approved in managing committee and general body meeting on 22nd & 23rd September 2023.

The income received from various sources by the federation during the financial year ending in March 2023 was as follows:

PARTICULARS	
Conference Income	83,58,850.00
FOGSI – Webinar (President, committee chairperson, Societies)	25,98,839.05
Subscription from society	1,94,37,595.94
Training Fees	25,90,162.70
Income from Advt and Royalty	61,58,425.00
Sale of list	3,23,981.00
IT refund, Bank Saving interest and FD Interest	86,48,664.98
Donation	3,01,946.28
Miscellaneous Income	1,85,045.00
FOGSI- Administration charges	9,54,690.00
Presidential receipt Fund	40,78,846.10

The total income generated during the financial year 2022-2023 was Rs.4,95,58,199/-

The major contributions of our income were as follows:

1. Conference money 10%
2. Subscription from affiliated societies about 39%
3. The journal income about 13%

FOGSI SOCIAL SECURITY SCHEME (SSS) & FOGSI INDEMNITY:

FOGSI had two schemes that is Social Security Scheme and Indemnity Scheme

FOGSI INDEMNITY SCHEME WITH ICICI Lombard

Particulars	April 2022 to March 2023	April 2022 to December 2022
Total Members	2175	2175

FOGSI SOCIAL SECURITY SCHEME

Particulars	April 2022 to March 2023	April 2022 to December 2022
New Members	32	24

The expenditure incurred to the federation during the financial year was as follows:

Office expenses	Rs. 79,77,557.79
Organizational Expenses	Rs. 62,68,462.20
Establishment expenses	Rs.1,15,30,997.45
Journal Expenses	Rs. 1,18,64,757.70
Professional & Legal fees	Rs. 4,88,000.00

The total expenses incurred during the financial year 2022-2023 was **Rs.3, 81, 29,775.14**

Our Federation has generated a healthy surplus of **Rs.1, 14, 28, 424.81** at the year end March 2023.

As per the resolution passed in the Managing Committee and Annual General Body Meetings September 2023. We have earmarked the surplus funds in the following objects:

1. Rs.50, 00,000/- transferred to FOGSI - Premises Maintenance Fund account
2. Rs.20, 00,000/- transferred to FOGSI – Social Responsibility Activity Fund Account
3. Rs.30, 00,000/- transferred to FOGSI – Contingency Reserve Fund Account

The balance transferred to these accounts have been invested in security giving maximum returns on Investment and interest received is credited to the revenue account and utilized for the purpose.

Report from 1st April 2023 to 31st December 2023:

During this period we have had an overall income of Rs. 4,55,91,385/- and a reasonable expense of Rs. 2,90,13,782/- so we were in good shape and we have a surplus of Rs. 1,65,77,603/- in December 2023. Presidential funds raised during this period were Rs. 3,93,78,606/- out of this Rs. 3,71,34,231/- were used for object of the fund so the balance of Presidential fund of Rs. 22,44,375/- as on 31 December 2023.

I request all the societies and organizing committees to regularly submit audited reports (within 9 months conference) to center for smooth auditing of center accounts.

Total Member	1664	1629
DFC Paid to Member	Rs.12,97,780.00 (3 Member)	Rs.12,97,780.00 (3 Member)
Total DFC amount paid to members nominee from beginning	39

REPORT OF THE 65TH ALL INDIA CONGRESS OF OBSTETRICS AND GYNAECOLOGY (AICOG), 2023

Dr. Parikshit Tank
Joint Treasurer

The Bengal Obstetric and Gynaecological Society organised the 65th All India Congress of Obstetrics and Gynaecology (AICOG) during 4-8 Jan 2023 at Biswa Bangla Mela Prangan (BBMP).

The conference was attended by 7280 FOGSI members and 2103 accompanying persons making it

one of the largest AICOGs in recent years.

The venue was one having ample open space along with halls built in two large hangers. There was an open stage used for flag hoisting and public awareness events. The registration hanger was large and spaced out to minimise queueing. The delegate food area was kept separate adjacent to the scientific halls where nearly 40,000+ meals were served over the five days of the conference including breakfast, lunch and high tea. The food area was well carpeted minimising dust and had sitting arrangements besides many food counters to avoid crowding. The faculty lunch area was between the scientific hangers with seating for 300+ at the same time. The kit distribution area was again in a separate area to avoid large queues. The industry partners were segregated into areas just next to the halls and in two separate hangers. A hanger was kept for non-medical stalls such as sarees and jewellery. The venue had picturesque designs on each hanger and the cultural diversity of Bengal was on full display. From the Curzon Gate before entry to the Raj Bhavan entrance, green coconuts, Royal Bengal tigers, yellow taxi, hand-pulled rickshaw and stunning durga puja pandal – the venue had it all leaving delegates awed. The scientific halls were named after luminaries of Bengal with large fascia just outside the hall with their pictures bearing their lifetimes and achievements on display for one and all to appreciate.

The proximity of the conference hotel to the conference venue also pleased most of the 1000+ delegates who stayed at the ITC hotels and JW Marriott just across a road from the venue. The proximity of the banquet venue P C Chandra Gardens to the conference venue (<1km) was also unique and seldom observed at AICOG conferences.

On 4th Jan we had the managing committee meeting at the adjoining ITC Sonar and fifteen workshops on different subspecialties in halls spread across the venue. This included the FOGSI-JOGI-PICSEP workshop. The evening dinner was held at the ITC Sonar grounds – Sunderban with musical talents from FOGSI entertaining the gathering.

On 5th Jan we had the flag hoisting ceremony in the morning at BBMP which was immediately followed by the C G Saraiya CME. The FOGSI committee workshops were held in the afternoon. The inauguration was held in Swami Vivekananda Hall where the dance group Sapphire entertained the audience. Dr Jeanne Conry, President FIGO was the chief guest for the event. Ms Mary Kom and Ms Vidya Balan were the guests of honour for the evening and attracted a lot of media attention. Addresses from Dr Bhaskar Pal, Chair of the Org Committee, Dr Hrishikesh Pai, President FOGSI and Dr Madhuri Patel, Secretary General FOGSI were a part of the event.

The evening dinner on 5th Jan was held at the adjacent ITC hotels – Sonar and Royal Bengal. At the dinner with some colourful dances, the past presidents of FOGSI were felicitated.

From 6th to 8th Jan we had detailed scientific programs throughout the day in the eleven halls built for the sessions. The three orations – FOGSI-Amadeus-Shreyas, FOGSI-Conference and FOGSI-MSD were held on each of the days in the immediate pre-lunch sessions. Symposiums and Panel discussions were interspersed with debates and video presentations. FOGSI Friends – the social media wing of FOGSI had a special session in the main hall on 6th Jan afternoon. Parallel to the academia in the scientific halls, over the three days we had public awareness programs on issues like NCD awareness, VAW, preserve the uterus, cancer prevention and save the girl child with audience in both physical and virtual spaces. The awareness events were well covered by the social and digital media.

The 6th evening was the gala dinner at P C Chandra Gardens. It was one of the most scintillating evenings in the history of AICOG with a mesmerizing performance by Pritam and Team attended by 4000+ delegates with a delicate cuisine to support it.

The 7th evening was the banquet at the same venue with Voice and Trumpet having the crowd swinging to some memorable R D Barman melodies. This event was attended by 2000+ delegates who enjoyed every minute of the show.

The 8th morning scientific sessions ended at lunch. Post lunch, the valedictory session was held where the organising team went on to thank the vendors and event managers who made the mammoth event possible. The FOGSI leadership and international delegates appreciated the efforts of the organising team led by Dr Bhaskar Pal. The AICOG flag was handed over to the OGSF team from Hyderabad for the next conference.

FOGSI HIV & AIDS COMMITTEE

1. **Name of Committee Chair -**
Dr. Anju Soni

2. **Composition of the Committee**

Chair - Dr. Anju Soni

Immediate Past Chair -
Vice President in Charge
Dr. Sampath Kumari

Advisors:

Dr. Suvarna Khadilkar, Dr. Rajendrasingh Perdeshi, Dr. Ramani Devi Thirunavukkarasu, Dr. Aswath Kumar, Dr. Ashok Kumar, Dr. Pratibha Mittal, Dr. Krishnendu Gupta, Dr. H. P. Pattanaik, Dr. Parag Binniwale, Dr. Mandakini Megh, Dr. Jaydeep Tank, Dr. Sarita Bhalera, Dr. Anita Singh, Dr. Atul Ganatra, Dr. Ragini Agarwal, Dr. Bhaskar Pal, Dr. Vineet Mishra, Dr. Sunita Tandulwadkar

Members

Dr. Anshu Patodiya, Dr. Arti Gupta, Dr. Arti Nayak, Dr. Chandrakant Sankalecha, Dr. Geetha, Dr. Hardik Chauhan, Dr. Jyostna P. Daule, Dr. Kriti Ranjan Day, Dr. M. Meena, Dr. Manisha Wasade, Dr. Mariam Dr. Mazid, Dr. Neelam Jain, Dr. Nilanchali, Dr. Nisha Singh, Dr. Prabhati, Dr. Keshri, Dr. Ramprasad, Dr. Rashmi Baisare, Dr. Rashmi R, Dr. Rekha Bharati, Dr. Rinchen Zangmo, Dr. Sachin Ajmera, Dr. Sujata Dalvi, Dr. Suryakumar Khandare, Dr. Sushil Chawla, Dr. Tania Kakkar, Dr. Udyam Sarkar, Dr. Vrushali Mane, Dr. Y. Mala

3. **Advocacy & Training Activities:**

TOT Program conducted in different states of India: -

- Bhagalpur, Patna, Bhilai, Alwar, Bharatpur, Pali, Sikar, Chittor, Agra, Aligarh, Hasan, Covai, Thrissur Andhra Pradesh Telangana
- All TOTs had 2 ICOG Credit hour

Celebrated World AIDs month on 1st Dec.2023:- **Theme : Remember & Commit**

- **Highlights :-** Let's Communities Lead , Update on Syphilis, Viral Hepatitis in Pregnancy, HIV in Pregnancy, HIV In Co-morbidities , Post-Exposure Prophylaxis
- **Panel Discussions: (I,II,III)** (10 experts panel)
- **Activities: 01.12.2023.**

1. Patrika TV Live Interview with Dr Hrishikesh and Dr Anju Soni
2. Public Awareness Program in Rajasthan .
3. Medical and Paramedical HIV Awareness programme at SHPL
4. Alwar-Public Awareness Video & Newspaper Event
5. Celebrated Public Awareness in Bhagalpur
6. Celebrated Public Awareness in Nasik
7. Poster, Slogan, Essay, Documentary/Video Competition
8. SN COLLEGE Public Awareness Safe Sex practice & prevention of STD

Conducted PAN India Felicitation event of FOGSI Member Societies on 22.03.2023. More than 125 members attended & distributed three different award categories for FOGSI Chapters

- FOGSI chapters contributed to EVTHS 95-95 achievement in their districts as Champion Award.
- FOGSI chapters that have supported saturated coverage of HIV testing of pregnant women going to the private sector and reporting the data, thereby contributing towards EVTHS second 95% as Appreciation Award.
- Districts FOGSI chapters are doing HIV testing of pregnant women and reporting the data as Motivation Award

National Levels : . Attend Annual conference of COGSICON (COGS-NEW) held on 15 & 16th October 2022. **(HIV in Pregnancy new concepts)**

Attend FOGSI West Zonal Conference with Yuva 2022 held on 7th to 9th Oct. 2022 at Jabalpur (Panel on **optimizing IOI focusing on IOI in discordant couples**)

Attend The elimination of vertical transmission of HIV & Syphilis (TWG – EVTHS Meeting) held on 22.11.2022 held at New Delhi

4. **Involvement in Research:** Release of Booklet of FOGSI GCPR
5. **Coordination with other committees / bodies**
NACO, SAATHII, SEVETANA, UNICEF, PLAN INDIA, RSACS, LEPR

FOGSI Food & Drug and Medicosurgical Equipment Committee

1. **Name of Committee Chair :**
Dr Ritu Khanna

2. **Composition of the Committee**

- **Chair :** Dr Ritu Khanna

- **Immediate Past Chair :**
Dr Vidya Thobbi.

- **Vice President in Charge:**
Dr Asha Baxi

- **Advisors :**

Dr Meera Agnihotri, Dr Narendra Malhotra, Dr Hema Diwakar, Dr M.C. Patel, Dr Rajendrasingh Pardeshi, Dr Vidya Thobbi, Dr Ameya Purandare, Dr Mandakini Megh.

- **Members :**

North Zone :

Dr Vidhur Modgil , Dr Manu Singla , Dr Archana Sharma, Dr Amrita S Jaipuriya, Dr Alka Sethi, Dr Ritu Arya, Dr Anita Rajoria, Dr Chanchal Gupta, Dr Aruna Kundu, Dr Bhavna Agarwal.

East Zone :

Dr Banita Sahay, Dr Sasmita Beuria, Dr Nabanita Deka, Dr Sharmistha Ganguly, Dr K. Pratima Devi, Dr Sheela Kumari, Dr Kavita Barnwal, Dr Archana Jha,

West Zone :

Dr Pratik Tambe, Dr Raksha Sharma, Dr Shweta Sirsikar, Dr Pallavi Satarkar, Dr Manisha Ghate, Dr Priya Shinde, Dr Aparna A Diwaikar , Dr Shefali Shah, Dr Sayesh Kendre.

South Zone :

Dr Jyothi GS, Dr Venu Gopal, Dr Sathi, Dr Reji Mohan, Dr Dhanalakshmy Perumalsamy, Dr Madhavi G, Dr Rekha Dadhich.

3. **Advocacy :** FOGSI Position Statement on Micronutrient Deficiencies in Women and Food Fortification

4. **Training Activities :** Vaccination schedule in women (training across five FOGSI Societies).

5. **Involvement in Research:**

Vaccination in women - Good Clinical Practice recommendation

FOGSI Focus Micronutrient & Food Fortification

FOGSI Book Adult Vaccination

New molecules, Equipment and procedures in Obstetrics and Gynecology

6. **Coordination with other committees / bodies :**

- FOGSI Clinical Research Committee
- FOGSI Endometriosis Committee.
- FOGSI Midlife Management Committee

- FOGSI Medical Disorder Committee
- FOGSI Public Awareness Committee
- FOGSI Quiz Committee
- FOGSI Study on Female Breast Committee
- FOGSI YTP Committee
- AMOGS Endocrinology Committee
- AMOGS Family Welfare and MTP Committee
- Society of Fetal Medicine
- Indian Menopause Society
- Public Awareness Committee IMS

FOGSI Image Science Committee

Chairperson: **Dr Bela Bhatt**

Immediate Past Chair : Dr Meenu Agarwal

Vice President in Charge: Dr Geetendra Sharma

Advisors: Dr P.K.shah, Dr Nandita Palshetkar, Dr Hrishikesh Pai, Dr Parag Biniwale, Dr Rajendra Pardesi ,Dr Sushma Baxi, Dr Hitesh Bhatt , Dr Ameet Patki

Members:

West zone:Dr Chinmay Umarji,Dr Priya Deshpande, Dr Gurpreet Sandhu

Dr Jayesh Patel ,Dr Girish Patel, Dr Reshmi Banerjee , Dr Aditi Nadkarni,

Dr Lata Jethwani, Dr Kartik Morzaria, Dr Alka Patel, Dr Sayuj Fadadu, Dr Priya Bhave, Dr Smita Dhengle, Dr Mansi Shukla, Dr Shilpa meshram

North Zone: Dr Chanchal Singh ,Dr Subohi Rizvi , Dr Nishi Gupta, Dr Alok Sharma, Dr Neelam Gupta, Dr Archana Gupta

East Zone: Dr Prasanna Roy, Dr Prachi Singh, Dr Kiran Trivedi, Dr Vinayak Das.

Dr Amit kumar **South Zone:**Dr Selvapriya,Dr Manikandhan, Dr Laxmi Subburaj

Research:

- GCPR on Placenta Previa & Accreta Spectrum released on 15/4/23 at Delhi FOGSI Managing Committee Meeting
- Book of ISC : The Vital Skill : Ultrasound in Obstetrics & Gynecology released on 25/11/23 at FEMTEK IV conference, Mumbai

Training Activities:.

19 Physical Activities across India in a year

- **Physical CMEs of Imaging Science Committee:** Ranthambore NZYF(18/11/22), Jabalpur OG Soc. (18/12/22), Asansol Soc.(19/2/23), SZYF at Calicut (10/3/23), Pune Global Conf(24/3/23), WZVP Conf Dr Geetendra Sahrma,Abad (4/8/23), SZVP Conf Dr Sampathkumari ,Kodaikanal (11/8/23), NZVP conf Dr Yashodhara Pradeep,Ambala(3/1/23)
- **Delivered talks in 11 physical FOGSI conferences as Chairperson Imaging Science Committee;** AICOG Kolkata, FOGSI-FIGO conference at Hyderabad, FEMTEK conf, Mumbai, AMOGS Nashik etc..
- **Imaging Science Committee Webinars: 5** : With SAFOG ISC ,Muzaffarpur soc. etc.
- **Delivered talks in 8 webinars** including SAFOG-FOGSI webinar,TNFOG,AMOGS ,etc...
- **FOGSI approved ultrasound Training centers** :14 physical visits & centers approved

Coordination with other committees:

- FOGSI Karyashalas conducted at Mumbai on 29/1/23 with Study on Female Breast committee & Adolescent Health Committee
- FOGSI Karyashalas at Jaipur on 25/6/23 with Sexual Health & STIs Committee & HIV & AIDS Committee
- FOGSI FETUS DAY celebration as full day CME with Jabalpur OG Society on 29/10/23 with Fetal Medicine Committee & Quiz Committee

Coordination with other Bodies; **SAFOG**

- 30/7/23 :With SAFOG Imaging Science Committee :Talk on Ultrasound in GDM
- 18/10/23: SAFOG-FOGSI webinar : Moderated a panel on Fetal Growth Restriction

REPORT OF GYNAECOLOGIC ONCOLOGY COMMITTEE OCTOBER 2022-DECEMBER 2023

1. **Name of Committee**
Chair-Dr Priya Ganeshkumar

2. Composition of the Committee

- **Chair**-Dr Priya Ganeshkumar
- **Immediate Past Chair**-Dr Bhagyalaxshmi
- **Vice President in Charge**- Dr Sampathkumari
- **Advisors**-Dr Hema Divakar, Dr Sanjay Gupte, Dr P K Shah
- **Members**- Dr Mala Srivastava, Dr Bindya Gupta, Dr Revathy Janakiraman, Dr Yashodhara Gaur, Dr Reena Srivastava, Dr Saswati Sanyal Choudhury, Dr Shalini Rajaram, Dr Basab Mukharjee, Dr Debabrata Burman, Dr Bhaskar Pal, Dr Anuradha Dang, Dr Bharathi Rajshekhar, Dr Jeena Baburaj, Dr Latha Balsubramaniam, Dr Natasha, Dr Neelima Thakare, Dr Niladri Sen, Dr Rajashree Katke, Dr S Vidhya Prabhakaran, Dr Sadhana Tayade, Dr Sweta Balani, Dr Usha Nath, Dr Veena Acharya, Dr Helen Kamaei, Dr Rashmi Bagga, Dr Manikya Rao, Dr Samita Bhat

3. **Advocacy- 17TH NOVEMBER 2022- On Second anniversary of WHO elimination Call Day**, Joint Program of FIGO, WHO, AFOG, SAFOG, FOGSI was organized on FOGSI efforts for Cervical Cancer elimination on virtual platform.

4TH FEBRUARY 23 – WORLD CANCER DAY

On 4th February 23 on World Cancer Day, ET TV Show was conducted by FOGSI in association with Genworks to highlight the work done by FOGSI so far.

On 4th February 23, Mega Screening camp organized at Dindigul by Oncology Committee, Beneficiaries 771 ladies who underwent health

checkup and 352 amongst them underwent Cervical and breast cancer screening.

162 Camps in screening and Vaccination awareness have been conducted so far by Oncology committee members pan India including Army in J & k, Navy.

4. Training Activities-

- **SSNPP Training programs** 65 SSNPP webinars were covering 210 societies covering topics
- 58 Colposcopy Workshops conducted with different societies. Collaborated with KSOGA for KSOGA COLPO EXPRESS, and TNFOG for TNFOG
- **VIRTUAL TUMOR MEETINGS** – The institutes which had taken part -Sir Gangaram Hospital Delhi, CMC Vellore, KGMU Lucknow, AIIMS Jodhpur, AIIMS Rishikesh, Dr B Barooah Cancer Institute Guwahati, Adayaar Institute Chennai, St John Bangalore, AIIMS Delhi, UCMS Delhi, JIPMER Pondicherry, JNIMS Imphal.

5. Involvement in Research/Publications

- Released and published **FOGSI GCPR on Cervical Cancer Prevention & Management**
- **FOGSI Textbook on UPDATES IN GYNAECOLOGIC ONCOLOGY**, Evangel Publication
- **FOGSI Handbook on Prevention and Management of Cervical Cancer**
- **RTM on Cervical Cancer Prevention at FEMTEK 2, Delhi**
- **Coordination with other committees / bodies**
- Instrumental in getting the **FOGSI/IAP HPV VACCINATION PROJECT** Funded by ACS/CFI.
- Conducted **NATIONAL FOGSI Oncology Conference & HPV CONCLAVE** on 29th October at Thane along with TOGS.
- Conducted **Preventive Oncology workshop at YUVA with FOGSI East Zone** at Imphal.

VARIOUS ACTIVITIES PAN INDIA TO CELEBRATE 2ND ANNIVERSARY 17TH NOVEMBER 2022 CERVICAL CANCER ELIMINATION CALL DAY BY WHO

2) Composition of the committee

President- Dr Hrishikesh Pai

Secretary General- Dr Madhuri Patel

Vice President- Dr Sampathkumari

Composition of committee

- **Chair**
- **Immediate Past chair**
- **Advisors-** Dr Usha Saraiya, Dr Hema Divakar, Dr Sanjay Gupte, Dr Nandita Palshetkar, Dr Rishma Pai.
- **Committee Members-** Dr Veena Acharya, Dr Reena Srivatsava, Dr Yashodhara Gaur, Dr Saswati Sanyal Choudhury, Dr Basab Mukharjee, Dr Bhaskar Pal, Dr Debabrata Burman, Dr Anuradha Dang, Dr Bharathi Rajshekhar, Dr Bindya Gupta, Dr Jeena Baburaj, Dr Latha Balsubramaniam, Dr Mala Srivatsava, Dr Natasha, Dr Niladri, Dr Rajshree Katke, Dr Vidhya Prabhakar, Dr Sadhana Tayade, Dr Samita, Dr Shalini Rajaram, Dr Sweta Balani, Dr Usha Nath, Dr Helen Kimaiyei, Dr Manikya Rao, Dr Rashmi Bagg, Dr Revathy Janakiraman.

3) Training Activities-

1) HPV VACCINATION PROJECT-

ACS/ CFI Project of Medical Society Leadership to Accelerate HPV Vaccination: Physician Education and Engagement as an Implementation Strategy to increase uptake of HPV Vaccination across Communities in India was awarded to FOGSI and IAP. First time two Giant organizations have come together for training 10,000 Members from each organization, so that 20,000 HCP in INDIA will be adept with the correct science and art of counselling who will further train other HCP.

The FOGSI/IAP project was inaugurated on 30th May 2023 by President FOGSI Dr Hrishikesh Pai and IAP President Dr Upendra at Hotel Hilton, Mumbai.

Steering Committee- Dr Hrishikesh Pai, Dr Jaydeep tank, Dr Madhuri Patel,

Dr Nandita Palshetkar, Dr Rishma Pai, Dr Priya Ganeshkumar.

National Convenor- Dr Priya Ganeshkumar.

Zonal Leads- Dr Yashodhara Gaur, Dr Reena Srivastava, Dr Saswati Sanyal Choudhury, Dr Veena Acharya, Dr Revathy Janakiraman.

Project Manager- Ms Megha Nikam.

28th September 2023 Core team trained by ACS - Dr Hrishikesh Pai, Dr Jaydeep tank, Dr Madhuri Patel, Dr Nandita Palshetkar, Dr Rishma Pai, Dr Priya Ganeshkumar, Dr Preeti Sharma, Dr Supriya Jaiswal, Dr Yashodhara Gaur, Dr Reena Srivastava, Dr Saswati Sanyal Choudhury, Dr Veena Acharya, Dr Revathy Janakiraman, Dr Usha Saraiya.

125 Master Trainers were identified 25 in each Zone.

5 MT trainings were conducted in batch of 25-30 by respective Zonals in the month of October.

28th October 2023- Physical TOT was arranged during the National Oncology conference at Thane.

In this cascading sequential trainings-Each Master trainers had to train 100 members by either mode-Physical or Digital using zoom platform.

The trainings USP-

Member Champions-2 ½ Hours Training session comprising of Three recorded lectures of Science Around HPV by Prof Debbie Saslow, Art of Counselling Dr Todd Wolynn, FOGSI GCPR by Dr Priya Ganeshkumar, with pre and post evaluation, attendance for at least 75% time to be qualified as Member Champions

Master Trainers- Minimum 75 members to be trained to qualify as Master Trainers

Total Trainings and Members trained

187 Digital trainings - 6669 members were trained

110 Physical trainings -4056 members were trained

Digital and Physical- 297 Trainings were conducted to train 10,725 members

MSD supported- 58 Physical trainings

The Golden Figure of 10,000 Members trained was reached on 28th May 2024.

Jubilation ceremony – 3rd July 2024

Project Grant from ACS- 30,000 USD

- **7 webinars** on different cancer were conducted TO Mass, Vulva, Vagina, GTN, Endometrium, Breast. Attendees each session were 75-100.
- **Activities** done by members of committee-162 Camps in screening and Vaccination awareness have been conducted so far by Oncology committee members Pan India including Army in J & K, Navy.

4) Publications and Research

- a) **FOGSI GOOD CLINICAL PRACTICE RECOMMENDATION GCPR ON Cervical Cancer Prevention and Management** was released under the leadership of Dr Pai & published in June 2023

Convenor- Dr Priya Ganeshkumar, Co-Convenor- Dr Bhagyalaxmi Nayak

Mentors- Dr Hrishikesh Pai, Dr Madhuri Patel, Dr Laxmi Srihande

National Co-ordinators -Dr C N Purandare, Dr Jaydeep Tank, Dr Nandita Palshetkar, Dr Rishma Pai

Core Team- Dr Mala Srivastava, Dr Amita Maheshwari, Dr Bindya Gupta, Dr Ashok Padhy, Dr Sweta Singh

Advisors- Dr Anne Beatrice Kihara, Dr Sanjay Gupte, Dr Usha Saraiya,

Dr Geetha Balsarkar, Dr Ashwini Bhalerao Gandhi, Dr Neerja Bhatla,

Dr Sampathkumari, Dr Shalini Rajaram, Dr Rupendra Sekhon, Dr Leela Digumarti, Dr Rashmi Bagga

- b) **FOGSI Textbook on UPDATES IN GYNAECOLOGICAL ONCOLOGY**, Evangel Publication Chief Editor- Dr Hrishikesh Pai Editors- Dr Priya Ganeshkumar, Dr Rashmi Bagga
- c) **FOGSI Handbook on Prevention and Management of Cervical Cancer**
- d) **RTM** on Cervical Cancer Prevention at FEMTEK 2, Delhi.

5) Activities with other Organizations

- Was invited to deliver talk on 30th September 2022 on "SSNPP FOGSI way forward for cervical cancer elimination" in SAFOG Congress which was conducted in association with 55th annual scientific conference, Sri Lanka.
- On 31st October, Breast cancer prevention webinar was conducted with international faculties from UK, Poland, Pakistan and Sri Lanka.
- On 17th Nov 2022 FOGSI celebrated cervical cancer elimination with FIGO, WHO, AOFOG, SAFOG.
- On 31st January 2023 AOFOG cervical cancer elimination program was conducted. Invited as executive member from India in the AOFOG program.

- On 28th June 2023 attended RCOG conference in London and moderated a Panel on Cancer prevention.
- On 29th June 2023 was awarded **INTERNATIONAL FOGSI ACHIEVER AWARD** at House of Commons, London.
- On 28th October 2023- AOFOG session was conducted at National Oncology conference, Thane Organized National FOGSI Presidential oncology conference "Updates in Gynecological oncology and HPV Conclave".
- On occasion of Third Year celebration on WHO published public Awareness video on World Cervical Cancer Free

<https://www.fogsi.org/cervical-cancer-awareness>

"SWASTHYA SUNDAR NARI PREVENT THE PREVENTABLE"- SSNPP was launched on 2021 with multiple pronged approach

- 1) Public activities and Public Awareness video
 - 2) Capacity Building of FOGSIANS-SSNPP Webinar
 - 3) SSNPP Live Colposcopy workshop, SSNPP Mobile APP, SSNPP VTM-Virtual tumour meetings and SSNPP weekly colposcopy RTM.
- SSNPP launch of **"SSNPP SAVE THE SAVIOUR"**, HPV screening of doctors at Aurangabad was done on 6th August 2023 on second anniversary of SSNPP.
 - SSNPP APP users are 5000 doctors and cervical cancer screening done till April 2024.
 - 30 SSNPP webinars were covering 178 societies covering topics VIA, Cytology, HPV as primary screening tool, case-based discussions.
 - 45 Colposcopy workshops were conducted with different societies. Collaborated with KSOGA for KSOGA COLPO EXPRESS, and TNFOG for TNFOG Colpo Rail covering various societies of KSOGA and TNFOG for Hands on live Colposcopy workshop,
 - Virtual tumor meetings (VTM) – Monthly VTM webinars are conducted involving 12 Teaching institutes from various parts of country. Teaching institutes involved were Sir Gangaram, CMC Vellore, KGMU Lucknow, AIIMS Jodhpur, AIIMS Rishikesh, Dr B Barooah Cancer Institute Guwahati, Adyar Cancer Institute Chennai, St John Bangalore, AIIMS Delhi, UCMS Delhi, JIPMER Pondicherry, JNIMS

Imphal Manipur. Attendance of each VTM was around 100-110.

4th February 23 – World cancer day social activities

- 4th February 2023 -FOGSI Live on National channel FOGSI ET Show portraying the activities done by FOGSI for Cancer elimination.
- 4th February 2023- Cancer screen and treat camp was arranged by TNFOG along with oncology committee at Dindigul . Beneficiaries were 765 ladies, 2 Cervical cancer, 1 Ovarian cancer, 4 polys were identified and referred to GH.

6) Activities in collaboration with various committees

- 26th to 28th January 2023 FOGSI ICOG online certificate course on preventive oncology in association with Oncology committee.
- 7th February 2023 Pratibandh President initiative

program was done with 3 committees- Oncology Committee, Breast committee, Clinical Research committee.

- 1st October attended 2023 KARYASHALA organised by Oncology & sexual health committee at Rajkot organised by ROGS.
- Organised oncology workshop in FOGSI with YUVA east 22nd December 2023 at Manipur, Imphal.
- FOGSI President Run for Gender equality 28th December 2023 Jhansi.
- FOGSI President Run for Gender Equality 29th December 2023 Gwalior.
- FOGSI President Run for Gender equality 30th December 2023 Mathura.

FOGSI MONTHLY WEBINAR SERIES ON "VIRTUAL TUMOR BOARD"
UNDER Aegis of PASTOR GYNACOLOGICAL ONCOLOGY COMMITTEE IN COLLABORATION WITH TEACHING INSTITUTIONS

Dr. Indranil Paul, President, FOGSI
Dr. Medhavi Patel, Secretary General, FOGSI
Dr. Jeenukhomai, Vice President, FOGSI
Dr. Priya Ganeshtumar, Chairperson, Gynecologic Oncology Committee, FOGSI

Calendar dates for Virtual Tumor Board

14 Dec 22	Congruent Hospital, Raibid
11 Jan 23	CMC Vellore
11 Feb 23	K. G. Medical College, Lucknow
18 Mar 23	AIIMS Patna
18 Apr 23	AIIMS Patna
10 May 23	Dr B Boruah Cancer Institute, Dibrugarh
16 Jun 23	AIIMS Patna, Ghazipur
12 Jul 23	St John's Bangalore
09 Aug 23	AIIMS, Delhi
20 Sep 23	LNCH, Jodhpur
14 Oct 23	JIPMER, Pondicherry
8 Nov 23	AIIMS, Patna, Manipal

Time 5:30 PM to 7:30 PM

SALENT FEATURES:

- Interesting case discussion by Multidisciplinary tumor board of the respective institute.
- Expert opinion and case discussion of Tumor Cases brought over by FOGSIANS.
- Lots of take home messages.
- Availability of Expert advice from Multidisciplinary tumor board of reputed Institution and opportunity to take active part in case discussion of your own cases.

PREREQUISITE:
Mail your case which you will like to discuss to office@fogsi.org before 5th of every month.
The team will further intimate you regarding the discussion date and month on first cum first basis.

Multidisciplinary Expert advice- A Better way forward to Case Management

- HPV CONCLAVE (FIRST TIME IN FOGSI CONFERENCE)
- AFOG SESSION
- WALK FOR CERVICAL & BREAST CANCER AWARENESS)
- CHIEF GUEST DR GANGA KHEDEKAR (EX ICMR DIRECTOR)
- **TOTAL ATTENDANCE 310**

MANYATA PROJECT STATUS REPORT

FOGSI Manyata Events and Activities (Oct 2022 to Dec 2023)

FOGSI has been driving *Manyata* – a first-of-its-kind quality improvement and certification initiative that acts as a stamp of quality ensuring consistent, safe, and respectful care for mothers during and after childbirth, in the private sector.

Manyata promotes the adoption and practice of 16 clinical standards based on the World Health Organization's (WHO) standards of quality care on antenatal, intrapartum, and postpartum care. With a goal of keeping up with the evolving pace of clinical care at higher levels and be abreast of latest developments in maternal health, the initiative recently added four additional standards on Maternal Mental Health, High Dependency Care, Safe Surgery and Medicolegal Documentation in Obstetrics.

IMPACT IN NUMBERS

1 MILLION

NABH ASSESSED FACILITIES

MANYATA EVIDENCE DISSEMINATION

The session held in January 2023 showcased the evidence and learnings from Manyata in the presence of representatives from NHSRC, ICMR, NABH, WHO, UNICEF, governments of Maharashtra and Madhya Pradesh and other key stakeholders. The attendees engaged with evidence and recognized the Manyata model as a successful collaboration with the private sector to deliver quality outcomes in maternal health.

FOGSI - HSSC INDIA COLLABORATION

FOGSI collaborated with the Healthcare Sector Skill Council (HSSC), India, one of the Sector Skill Councils under the National Skill Development Corporation (NSDC). They launched the certification course on maternal and perinatal care for doctors & nurses to up-skill healthcare providers at the FOGS Femtek II conference, held in April 2023.

FOGSI – NABH COLLABORATION

FOGSI's has collaborated with NABH driven by the shared goal of elevating the quality of maternity services and establishing a uniform 'One Nation One Standard' for Maternity Service Providers (MSPs).

In the first phase of this association, NABH Assessors successfully evaluated 100 private maternity hospitals trained on Manyata standards. Looking ahead, NABH remains dedicated to extending this impactful collaboration, reaffirming our commitment to improving maternal healthcare and achieving healthcare equity in India.

MANYATA AT FIGO 2023

A transformative event on 'Prioritizing Quality of Care for Mothers Around the World - Call for Action' was held in Paris in October 2023, on the sidelines of FIGO, where representatives from esteemed organizations such as the UN, WHO, international associations of obstetricians and gynecologists, government institutions, global philanthropies, innovators, and development agencies committed to maternal healthcare, participated in engaging discussions to advocate for quality accreditation & private actor engagement as catalysts for advancing maternal healthcare within mixed health systems.

LAUNCH OF MNH STANDARDS AT FEMMTEK IV

Jhpiego, under the guidance of The Federation of Obstetrics and Gynecological Societies of India (FOGSI) facilitated the revision and launch of revised clinical standards for Maternal and Newborn Health at the national FOGSI Presidential Conference FEMMTEK-IV held in November 2023. The existing set of 16 clinical standards were revised and updated along with the addition of 4 new standards on Maternal Mental health, High Dependency Care, Safe Surgery, and Medicolegal Documentation in Obstetric Care.

PROGRESS REPORT HPV VACCINE PROJECT

Historic project of medical societies coming together for HPV Vaccination advocacy.

Project Head- Dr Hrishikesh Pai

National Co-Ordinator- Dr Priya Ganeshkumar

Steering Committee- Dr Rishma Pai, Dr Nandita Palshetkar, Dr Madhuri Patel, Dr Jaydeep Tank, Dr Priya Ganeshkumar

Zonal Co-Ordinator- Dr Veena Acharya, Dr Reena Srivastava, Dr Yashodhara Gaur, Dr Saswati Sanyal Choudhury, Dr Revathy Janaki Raman

The project was kickstarted on 30th May 2023 at the hands of Dr Hrishikesh Pai President FOGSI & President IAP in the presence of Ms Meenu Anand Director ACS, Ms Sutapa Biswas Co -Director CFI.

PHASIC CASCADING APPROACH

- LAUNCH KICKS START OFF ON 30TH MAY 2023 @ HOTEL HILTON MUMBAI
- FOGSI Office visit by ACS/CFI team 31st MAY 2023
- Training the core team, TLG on 28th SEPTEMBER 2023

by ACS Team

- 135 MT identified.
- Training of 138 Master Trainers(MT)(Virtual and Physical) in OCTOBER
- Physical TOT 28TH OCTOBER 2023@THANE during the National Oncology Conference.
- Training of HPV Champions 100 per MT (10,000-15,000, Virtual and Physical,ZONE WISE)
- 138 Master trainers who had been trained had started their Member training sessions.Till 31st December 2023 ,4800 members have been trained in the 2 ½ hours session comprising of two modules Science of HPV & Counselling the parents followed by role play by the participants. There is a pre & post survey which the participants have to fill. These member trainers will further disseminate the knowledge in the community. There are monthly prompts to be put in the social medias. Together FOGSI and IAP will create the much needed noise regarding HPV Vaccines.
- **GOAL- TO SENSITIZE MORE THAN 10,000 HCP'S IN HPV VACCINATION & CREATE HPV CHAMPIONS**

YUVA FOGSI CONFERENCES 2023

FOGSI North Zone Conference with Yuva, Varanasi

FOGSI North Zone Conference with YUVA, an amazing event witnessed the very beautifully curated seven Pre congress workshops and scientific deliberations. More than 100 young scientists presented their work through e-posters and paper presentations. This was attended by 784 participants and over 300 national faculty.

The Raksha FOGSI Presidential Adult vaccination program was launched. FOGSI has Talent 2.0 show was held at Shri Kashi Vishwanath Corridor, which was mesmerizing .

The chief guest for the conference was Deputy Chief Minister and Health Minister of Uttar Pradesh Honourable Mr. Brajesh Pathak, and Guest of honor were MP Rajya Sabha Mrs. Seema Dwivedi and State Cabinet Minister Mr. Ravindra Jaiswal.

Badalav with Subah-e-Banaras at Assi Ghat was another leap forward towards women's health.

North Zone FOGSI with YUVA 2023 was an amalgamation of science and spirituality and was truly a divine experience with everlasting memories.

YUVA FOGSI CONFERENCES 2023

FOGSI East Zonal Conference with YUVA 2023.

The Organizing committee of the Imphal Obstetrics & Gynaecological Society (IOGS), Imphal under the leadership of the President FOGSI (2022-23) Dr. Hrishikesh Pai, Secretary General Dr. Madhuri Patel & Vice President (EAST Zonal) Dr. Alka Pandey have conducted the FOGSI East Zonal Conference with YUVA 2023 successfully on 22nd-24th December 23 with 252 registrations. The conference was attended from all the States of East Zone including Delhi, Maharashtra, Uttar Pradesh, Karnataka, Jammu, Tamil Nadu and also international faculties from Nepal and Bangladesh. The Presidential (By Dr. Hrishikesh Pai), Vice Presidential (By Dr. Alka Pandey) & Conference Orations by Dr. Jaydeep Tank (President Elect) and the key note address by the Secretary General (Dr. Madhuri Patel) were greatly appreciated. The Kamini Rao Oration, Manyata session, Quiz and many sessions were also conducted. The four Pre-Conference workshops (22nd Dec.24) on Training of the Life Saving Skills in the Medical Management of PPH and Eclampsia, Gynae Endoscopy, Gynae Oncology and PICSEP also were largely beneficial to all the attendees and were successfully conducted. The Imphal Obstetrics & Gynaecological (IOGS) Society will forever remain indebted to FOGSI for the kind help.

Combine classes on Research during online lecture series for all courses Candidates as Art & Science of Research Part 1, 2, Effective Communication Skill and Art of Scientific Presentation & Effective Communication Skills & Effective Public Speaking were newly introduced and conducted by Dr. Laxmi Shrikhande, Chairperson ICOG to disseminate more knowledge to all Post Graduates.

ICOG Training Centre Heads Online meeting: Total two ICOG Centre Heads meeting were conducted online on 02.08.2023 & 05.09.2023. One for increasing duration of training to one year as they have received feedback from many Candidates & Centre Heads & second for Log book discussion. Following were the gist of both the meetings:

- 1.ICOG will start **ONE YEAR** course from Jan 2024 for 3 courses- RM, FM and Endoscopy.
- 2.ICOG 6 month certificate courses will continue as it is.
- 3.Each centre has been granted fix number of trainees. Total number of trainees will remain the same for that centre.
- 4.Candidates opting for 1 year certificate course will have to pay double the amount of what 6 month certificate course trainee is paying.
- 5.Log book will be checked and signed every 15 days by respective centre heads & inform office time to time by email.
- 6.Log book has to be hand written and it should contain the actual cases observed, assisted or performed by the candidates.
- 7.Candidates have to bring a Log book to the examination centre . It is a must.
- 8.Log books will not carry any marks. So instead of 250 marks, Examination will be of total 200 marks.

Vision Statement

"FOGSI to be the lead organisation working towards advocating and promoting women's health and reproductive rights using scientific evidence and following the highest ethical standards through it's membership of committed professionals."

Mission Statement

The Federation of Obstetric and Gynecological Societies of India (FOGSI) supports and protects the interests of practitioners of Obstetrics and Gynecology in India.

FOGSI encourages dissemination of knowledge and education as well as research in the field of Obstetrics and Gynecology in India.

FOGSI works to pilot and promote preventive and therapeutic services related to healthcare of women and children.

FOGSI also serves to advocate the cause of reproductive and sexual health and rights.

FOGSI considers the reduction of maternal mortality in India as its primary mission.
