Welcome Message

Dear Friends & Colleagues,

Greetings from the Organising Committee of AICOG 2021, Indore.

We are delighted to welcome each one of you to Indore to be a part of the prestigious 64th All India Congress of Obstetrics & Gynaecology, AICOG 2021 to be held in January 2021.

Indore, situated in the heart of India is a fascinating city with a blend of a rich cultural and historical heritage hosting a wide range of styles of the Maratha, Mughal, Holkar and British era. Chhatris, Laal Bag Palace, Kanch Mandir are cues of its architectural excellence. Situated on one of India's oldest pilgrimage routes from Mahakaal at Ujjain on river Kshipra, to Omkareshwar on the river Narmada and onwards to Rameshwaram, Indore is embellished by several forts and rocky shrines: Mandu, Dewas, Maheshwar, Omkareshwar being the prominent ones.

Indore has also been judged as India's cleanest city for the third straight year & will be the first state in the country to have a happiness index. Indore also has excellent air connectivity with the metro cities & connecting flights with other cities. Regular train services connect Indore to most parts of the cities. The city is also connected to all the major and minor cities nearby, via road.

The conference aims to ideate, analyse and share inventive, feasible and implementable ways to encourage and disseminate knowledge, education and research to make high-level of care available to women. The Organizing Committee is working hard to put together an educational and scientific program for what will be an academic extravaganza packaged with cuisine to tantalize your taste buds and a complete cultural fest.

AICOG 2021 will truly be an unforgettable conference for all those who attend!

Look forward to welcoming you to Indore!
