Invitation

Dear Friends,

Season's greetings and a warm welcome from Team Hyderabad

It's a proud privilege and a pleasure for The Obstetrics & Gynaecological Society of Hyderabad to host the prestigious "66th All India Congress of Obstetrics and Gynaecology 2024" at Hyderabad.

The conference will focus on the operational, clinical tools necessary to successfully implement quality and evidence-based care and upgrade to the changing trends. The conference presents a platform for keynote presentations, plenary talks, workshops, poster presentations and exhibitions, as well as a discussion forum that provides valuable insights. It will focus on the themes "Obstetric Medicine, Emerging Technologies in Obgyn, Environment and Reproduction, Sexual and Reproductive Rights - Human Rights, Pelvic Medicine".

The annual scientific conference brings together obstetricians, gynaecologists, healthcare professionals, researchers, practitioners, postgraduate students, and clinicians from all corners of the globe to update their knowledge and abilities. Learning and incorporating newer Obgyn strategies helps in enhanced quality of care and improved patient outcomes.

We cordially invite you to join us at AICOG 2024 for cherishing a wholesome experience of learning and further foster the friendships and partnerships among fraternity built over the years. We are confident that this conference will remain etched vividly in your memories for a long time.

Looking forward to see you all at AICOG 2024, Hyderabad.

CHAIRPERSON & SPEAKER GUIDELINES

CHAIRPERSONS / MODERATORS

The role of the chairperson or moderator is as follows:

Moderate live Q&A with the audience after all the speakers have delivered their presentations.

Provide final remarks to close the session.

Timekeeping is very important, please ensure that it is followed strictly. There will be a timer, each speaker has enough time for their presentation and the audience is given some time to ask questions at the end of the session. Ensure that the allocated time for the session does not overrun.

Each speaker's introduction should be very brief.

For audience Q&A, please invite speakers to sit on stage. Roving microphones will be circulated in the room for questions.

If the speaker time exceeds the interaction, it can be cut short to maintain session time.

Full session details can be found on the AV Console.

NOTE: Please do remember that you are the key to the success and smooth conduct of the scientific session.

PREVIEW ROOM AND SPEAKER ARRIVAL TIME

Each session room will be equipped with a PC laptop, which is connected to the preview room, and which will be used to project all presentation slides, Eposters, oral presentations, and Videos.

The first slide of your presentation will be your CV.

Presentations can only be uploaded in the preview room.

All speakers are invited to the preview room to upload and test their presentation slides, and videos preferably one day before their session, but at least two hours before their session start time. Technicians will not be able to load materials after this time.

Plan to arrive in your session room at least 30 minutes before the session start time.

The success of the congress depends on the content and most importantly maintaining the given time strictly. Please adhere to the allotted time.

Session rooms can be found on the Congress mobile app and venue signage.

Preview Room: The preview room will be provided for all presenters to use. Its location is right in the main area of the conference venue. In the preview room, you can review your presentation only on a computer/laptop which would be available. No personal laptop will be used to preview the presentation. Professional audiovisual consultants will be available for assistance. Computers in the preview room will be configured with hardware and software.

Hours of operation of the preview room are as follows:

S.No.	Date	Time	Venue
1	6th January 2024	7:00 - 17:00 Hrs	HICC, First level, MR 1.08
2	7th January 2024	7:00 - 17:00 Hrs	HICC, First level, MR 1.08
3	8th January 2024	7:00 - 17:00 Hrs	HICC, First level, MR 1.08
4	9th January 2024	7:00 - 17:00 Hrs	HICC, First level, MR 1.08
5	10th January 2024	7:00 - 15:00 Hrs	HICC, First level, MR 1.08

FACULTY REGISTRATION

All faculty must register for the Congress. We will send the registration link along with your involvement letter.

Once you have completed your registration, you will receive a confirmation number and personalized bar code to print your badge at the onsite registration area. Staff will be available on-site if you need assistance.

The registration area is open from 07:30 AM IST on 6th January 2024.

SPEAKER CONSENT AND CONFIDENTIALITY

According to Indian law, speakers must sign a hard copy of the speaker consent form which we will send along with your involvement letter.

Each speaker can access and modify their presentation but will not have access to other speakers' presentations outside of your sessions on-site.

PRESENTATION SLIDES

AICOG 2024 is an in-person event. Speakers cannot present virtually.

Prepare your presentation slides using the AICOG 2024 slide template which will be shared with you via mail

Logos of any profit organizations are not permitted.

All presentation slides should be in Power Point format and PC compatible.

The projection format will be 16:9. Please use this format when creating your slide deck.

Power Point 2016 and previous versions are accepted.

If you are adding media elements to your presentation slide deck, please note the following:

Use the 'Insert' function to integrate media elements, such as images and videos.

Limit the size of your videos and sound to 1 GB and use formats such as .mp4 and .wmv if possible.

If your video files come from medical equipment, make sure you do not need special proprietary software to play it on a PC.

If you work on a Mac, choose Microsoft Windows-compatible fonts.

Save and name your file as your name Presentation title with a .pptx extension for better compatibility.

Once you are at the lectern, simply click on your presentation slides on the laptop provided to launch your presentation, then use the slide clicker or the arrows on the keyboard to advance your slides and/or video. At the end of your presentation click 'Escape' on the keyboard to go back to the main menu.

The use of personal laptops, USB flash drives, or other external hard drives in the session rooms is not allowed.

Please bring a copy of your PPT presentation on a USB stick, or other external hard drive, to the on-site preview room the day before, or at least 2 hours before, your session start time.

SURGICAL VIDEO

- If you are presenting a pre-recorded video as part of the surgical video classroom, prepare it as follows:
- Acceptable file types include AVI, MOV, MPEG, and Mp4.
- Videos must be of good visual quality. Videos should not be lower than 1280 x 720 resolution and should be submitted in a 16:9 aspect ratio.
- Please test the audio on videos before submission to ensure clarity.
- All references to patient identity must be removed unless you have received formal consent from the patient which must be declared at the start of the video.

VENUE

Hyderabad International Convention Center (HICC)

Hyderabad International Trade Expositions (HITEX)

GENERAL INFORMATION

Official Language: The official language of the conference is English.

Identification Documents: You are advised to carry your identification documents. Always keep spare copies of identity and travel related documents.

Foreign Exchange: The local currency is the Indian rupee (INR). Foreign currency exchange facility is available at the Hyderabad International airport. Indian currency can be withdrawn using credit cards at designated ATMs. These facilities are also available at the conference venue.

Weather: Daytime temperatures usually reach 32 C in Hyderabad in February with high heat and humidity, falling to 18 C at night. There are normally 10 hours of bright sunshine each day in Hyderabad in February – that is 83% of daylight hours. Mosquito repellent creams and sprays are available in all pharmacies and supermarkets and it good to carry them with you.

Health: It is advisable to keep your medications handy. We have a medical facility at the conference venue to assist you in case of need. There are several hospitals in the vicinity of the conference venue and please do not hesitate to ask the volunteers for any assistance. Delegates may visit the Ministry of Health and Family Welfare, Government of India's website for more details to know about the guidelines for international travellers, which updates from time to time. <https://www.mohfw.gov.in/>. The latest guidelines is updated on 2 September 2022

Food: The city of Hyderabad is known for its delicious food varieties. Reach out to the volunteers for suggestions about good places to eat and to get a taste of authentic Hyderabadi cuisine. Ask for the ingredients in case you are allergic to any food items such as peanuts. Food is in general spicy. Please avoid street food. The tap water is not suitable for drinking. It is advisable to drink from the mineral water bottles.

Local Travel: A Conference Help Desk will be set up at the Rajiv Gandhi International Airport Hyderabad. Please ask the volunteers at the help desk for any assistance for traveling to the hotel or venue from the airport. You can use mobile apps to get a cab from Ola or Uber. Prepaid authorized airport taxis are also available at the airport. The city of Hyderabad has good bus and train connectivity, but, for short distance travel, it is more comfortable to hire a cab. A cheaper and perhaps slightly adventurous option is the three-wheeler auto-rickshaw (colloquially known as "auto"). Always pay the fare by the meter. You can also book an auto using the Ola app.

Light motor vehicles and heavy vehicles follow the right-hand driving system. We strongly advise you against driving in Hyderabad particularly if you are not used to driving on Indian roads.

Safety: In general, Hyderabad is a safe city. However, please be alert and avoid travelling alone at night. Please note down the mobile phone number of one of the volunteers just in case you need help. Do not hesitate to reach out to the Police for help. The Police department in Hyderabad is very helpful.

Alm-seekers may bother you on the roads or near traffic junctions. Gently ignore them. Please be careful with the stray dogs and other animals on the roads. If you are visiting spiritual places, please get to know the regulations of that place and follow them to avoid unpleasant situations. For example, footwear is strictly not allowed inside temples and mosques.

Electricity: The power outlets in India follow the 220 volts / 50 Hz standard. Use suitable adaptors to interface your devices with the Indian power outlets. Plugs and sockets have either grounded/earthed three-pin connections (Type D) or ungrounded two-pin connections (Type C).

Smoking and Drinking: Smoking and drinking in public places is a punishable offence. Kindly visit pubs, bars, or restaurants for consuming alcoholic beverages. The local law prohibits serving alcohol after 10.30 PM.

Force Majeure: The organizers are not liable for any claims for damages and/or losses if the entire conference has to be cancelled due to a force majeure incident.

Disclaimer: The organizers are not liable for damages and/or losses of any kind that may be incurred by the conference delegates or by any other individuals accompanying them, both during the official activities as well as going to/from the conference. Delegates are responsible for their own safety and belongings.

Insurance: The registration fee does not cover travel and medical insurance for the delegates. The organizers recommend that the delegates take out travel and medical insurance in their home country to cover pre-journey cancellation for personal reasons and necessary insurance to cover accidents, medical expenses and loss of personal belongings during the visit for the conference.

Vaccinations: Please check with your general physician about getting vaccinations before visiting India.

Language: The prominent local languages are Hindi and Telugu, and to a certain extent Urdu. English is also widely spoken. Most cab drivers speak English.

Here is a list of some useful Hindi words/phrases:

- Namaste = Hello
- Chaai = Tea
- Naa / Nakko = No
- Theek hai = It is ok
- Bhaai / Bhayya = Brother
- Aap kaise hain? = How are you?
- Paani = Water
- Achha hai = It is good
- Aao = Come
- Behen = Sister
- Main theek hoon = I am fine
- Haan = Yes
- Achha? = Is that so?
