FMFI North East Symposium

in collaboration with
Guwahati Obstetrics and Gynaecology Society
FOGSI Imaging and Science Committee

Dear Friends,

Welcome to the programme which seeks to take forward the **“Look for Life”** initiative of **FMF-UK** where skills in preventing stillbirths are transferred to smaller towns and cities with the overall aim of reducing perinatal and maternal mortality and morbidity. We hope that towards the end of the programme you feel we all are one step closer in achieving this goal.
