National Conference

**June 21 - 23**, 2024  
**ITC Royal Bengal**  
Kolkata

Organised by:  
**The Bengal Obstetric & Gynaecological Society**

Dear Friends

It gives us immense pleasure to welcome you to Kolkata for the WISDOM 2024 academic meet this June. Kolkata has had the privilege to deck up and have your esteemed presence at the much-appreciated AICOG in January 2023. The same team gears up once again for this mini-AICOG FOGSI conference being organised under the prudent stewardship of Dr Jaydeep Tank.

WISDOM 2024 will entice you with practical, cutting-edge academia combined with the lip-smacking cuisine and lavish ambience of ITC Royal Bengal. Several international luminaries including Prof Sir Arulkumaran, Dr Frank Louwen, Dr Giovanni Grandi, Dr Tim Draycott and Dr Aparna Sridhar have confirmed their participation. WISDOM 2024 also promises to present to you, some of the best of the academic minds of FOGSI.

The organising committee from the Bengal Obstetric and Gynaecological Society under the leadership of Dr Bhaskar Pal comes together with not-so-distant memories of AICOG and the steadfast commitment of delivering the very best. Kolkata has changed over the past decades and the cultural capital bears several hues. If there are corners in the city which you have not yet discovered, we invite you to take up that pursuit in this visit.

Looking forward to having a memorable time together  
Warm regards
