We, the organizing team of WWW CONFERENCE, welcome you all to be a part of this mega conference. **Theme of our conference is Wholistic Women's Wellness.**

Wholistic Wellness is an approach to health that considers all aspects of a woman's physical, mental, and spiritual well-being. It focuses on the whole person rather than just one aspect. The goal is to achieve balance in all areas: body, mind and spirit.

We have planned a Public Awareness Event, Seven Pre Conference Workshops, wide range of academic experience, dinner with vibrant cultural event. Pre-conference visit to Statue of Unity is also planned.

Come experience the charm of Vadodara, affectionately known as the "Sanskari Nagari" (City of Culture), where tradition meets modernity in perfect harmony. Discover the city's rich heritage as you wander through its captivating heritage sites, including the majestic Laxmi Vilas Palace, the intricate carvings of Kirti Mandir, and the serene EME Temple.

But Vadodara's allure extends beyond its architectural wonders. Indulge your taste buds in a culinary journey through its vibrant food culture, where every dish tells a story of tradition and innovation. From the mouth-watering flavours of local street food to the scrumptious delicacies served in its iconic restaurants, Vadodara promises a gastronomic adventure like no other.

And what better way to immerse yourself in the city's vibrant spirit than by joining in the fervour of garba, the traditional folk dance that epitomizes the joyous spirit of Gujarat. Lose yourself in the rhythmic beats and colourful attire as you dance the night away with locals and visitors alike.

In Vadodara, every street corner, every bite of food, and every step of the dance is a celebration of culture and tradition. So come, be a part of this unforgettable experience, and let the essence of Vadodara leave an incredible mark on your heart.

**... तो आईये, कुछ पल तो गुजारिए गुजरात के वडोदरा शहर में!**

Warm Regards,
