TOWARDS EXCELLENCE IN
ENDOSCOPY AND INFERTILITY

20-22 DECEMBER 2019
Lulu Convention Centre, Thrissur, Kerala

Supported By :
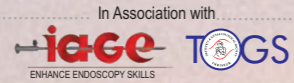

Infertility Committee FOGSI, Endoscopy Committee FOGSI
Endocrinology Committee FOGSI

Thrissur the cultural capital of Kerala is famous for its Sadya which is a mouthwatering feast with multiple palate tickling ingredients served on a green plantain leaf. Horizon 2019, a green conference will have multiple ingredients in the form of faculty of eminence, scientific sessions and discussions focussed on endoscopy and infertility which will together try and capture the essence of an academic Sadya or feast. The Thrissur Obstetric and Gynaecological Society and FOGSI has great pleasure in inviting you to this feast to be held at LuLu Convention Centre come December. The organising committee is working overtime to put in place a scientific programme which will ensure that your three days are well spent. Do come in large numbers and experience the hospitality for which Thrissur is renowned.

Instructions Regarding Scientific Presentations

Free Communications :

Oral/Poster presentations are invited from registered delegates on the theme topic. Last date for submission of abstract to the Conference Secretariat is December 1st 2019, after which it will not be accepted. The presenter should be a current member of a FOGSI Society

E-Poster Presentation :

General Specification

The E Poster/ E paper will be displayed on standard 42" (Diagonal) LCD Screen
File format should be Powerpoint (.PPT)
Total size of the presentation should not exceed 10-20 MB
Maximum number of slides per E-poster: 3 to 5
All slides should be in landscape format
Animation/movies/sounds will not be supported; please submit in a static PPT format only

Design Specification

The E Poster/ E paper needs to be created as per the example format. Each slide title should be placed in a title placeholder. The text should include (most likely as separate elements of the poster) Introduction, Aim, Methods, Results, Conclusion and Acknowledgements. The poster should be self explanatory. Text should be brief and well organized. It is suggested that font size of the text should be at least 26 to 36 point. The typeface chosen should be a simple and clear one (e.g. Helvetica). The correct font size depend greatly on the fonts used in the ppt and the thumb rule should be that if its visible well on the computer screen it shall be visible on the E Poster/ E paper Display Screen.

Color suggestions:

When using light backgrounds (white, yellow, light blue) we suggest using dark fonts (black, navy blue, dark green)
When using dark backgrounds (blue, purple) we suggest using light fonts (white, yellow, cyan)
Avoid using red or green in any fonts or backgrounds as they are colors that are difficult to read
Illustrations/images/photographs used in the E Poster/ E paper should be enlarged enough to show relevant details

Pre-requisites for free communications :

Presenting author must be a registered delegate.
Must be a member of an affiliated society of FOGSI
Oral/Video presentations are limited to 6 minutes for presentation and 2 minutes for discussion (total 8 mts).
Only one presentation will be allowed per delegate

Prizes :

1. Best oral Presentation infertility,
2. Best oral Presentation Endoscopy
3. Best E-poster Presentation infertility,
4. Best E-poster Presentation Endoscopy

Abstracts of free communication should be submitted to our website

www.horizon2019.in
