President's message

Dear Managing committee members

I am happy to present the administrative guidelines of FOGSI to all of you.

The backbone of every great organization is a strong administrative system. There is no doubt that we have some brilliant minds at work here at FOGSI. To channelize that brilliance into a powerful organization, we have these administrative guidelines. These were last prepared and presented in 2012, and an updated version was due since then. We have thus gone for an overhaul and come up with a contemporary and workable edition of the FOGSI administrative guidelines book.

Every aspect of the FOGSI administration has been covered in this detailed compilation, including academic, financial, legal and management aspects. Each section has been comprehensively defined to clear all ambiguities.

It is my hope and expectation that this book will serve as an easy-to-use template for all FOGSI office bearers, ICOG office bearers, all 27 FOGSI subcommittees and managing committee members in all matters considering the administrative protocols and workings of FOGSI.

I would like to express my gratitude to Dr Jaydeep Tank (Secretary General, FOGSI), Dr Suvarna Khadilkar (Treasurer, FOGSI), Dr Madhuri Patel (Deputy secretary general, FOGSI), Dr Parikshit Tank (Joint treasurer) and the team FOGSI-2020 for their hard work, valuable inputs and efforts put into compiling this book. My special thanks to Dr Suvarna Khadilkar for her passion, perfection and constant persuasion. I also thank all past Presidents, secretary generals and office bearers for their invaluable contributions in bringing together FOGSI's administrative principles. I am wishing for easy, smooth and comfortable functioning in FOGSI.

Warm regards

Dr Alpesh Gandhi
President, FOGSI

Dear managing committee members,

With great pleasure and pride I present to you this administrative guideline book of FOGSI 2021. It was first presented and approved in 2009 at Jammu and revised in 2012. The revision of this book was long due. The purpose of this book is to have all the protocols and guidelines compiled in one book so that all the office bearers and Managing committee members can refer to various protocols and guidelines. Many vital and important decisions that might have been taken regarding functioning of FOGSI at these managing committee meetings can be made available in this book for easy reference

The constitution cannot have the detailed protocols hence they are included here in this book. The guidelines also describe the proposed action to be taken in case of administrative irregularities.

The compilation has been done meticulously and will be updated from time to time as Future decisions and changes in protocols will be added as a supplement

This book will be a ready reckoner for all the office bearers and managing committee members, whenever they have any query regarding the functioning of the society

My sincere gratitude to our past presidents, past secretary generals and all the past office bearers who had contributed to these guidelines from time to time. Hope these guidelines prove useful for the day to day administration of FOGSI.

I duly acknowledge the assistance offered by office superintendent ms Sangeeta Mestry and her team in making of this book

I also extremely thankful to our president Dr Alpesh Gandhi, Secretary General ,Dr Jaydeep Tank, Deputy secretary general, Dr Madhuri Patel and Joint treasurer Dr Parikshit tank for supporting this endeavour

Thank you

Your sincerely

3. FOGSI will centralize the distribution of webinars so that each committee can get space to do webinars and there is no overlap in scheduling between committees.

4. There is lots of confusion, overlapping, repetition of topics, faculties and dates with FOGSI's priority work, and planning. Please avoid repetition. In case committees would like to address the same issues please do collaborative programs.

5. Committees can have activities or webinars on the same days if it is strictly limited to any local society but cannot organize parallel webinar nationwide. We hope all office bearers and committee chairpersons will follow it with its spirit and take due care when organizing the webinar for any particular local society.

6. When any committee is using the FOGSI's name and logo for its activities, it should be confirmed with FOGSI. (President FOGSI, VP-FOGSI or Secretary General,) FOGSI has designed and uploaded a format for flyers on FOGSI's website they should use and get it approved by VP-FOGSI or Secretary General or Deputy Secretary General.
